Can Man Live Without God Ravi Zacharias, 2004-08-30 In this brilliant and compelling defense of the Christian faith Ravi Zacharias shows how affirming the reality of God's existence matters urgently in our everyday lives According to Zacharias how you answer the questions of God's existence will impact your relationship with others your commitment to integrity your attitude toward morality and your perception of truth A Humble Defense Mark Edward Moore, Mark Scott, 2004 **Rev.**

Gifford Michael Rodney's Lifestory Book Gifford Michael Rodney, 2015-11-20 Man was lost when God found them but God is never lost The Lord saved me when I was down and out and did not know what to do But he saved me and now I am free I had a dream that I wrote a book and I said in the dream that if I'd write a book I would like to see the green grass on it and there it was in my hands So I was moved to write this book This book is meant to help people come to Christ and be saved **Got Questions?** S. Michael Houdmann, 2014-04-24 Everyone has questions Young children ask why Teenagers ask why not Adults sometimes lament what if The God who created us and who loves us has given us the answers to life's most pressing questions in His Word Yet many people have no idea that God has the answers and has made them available in the Bible Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship you can be sure it has been asked and answered already on www.GotQuestions.org the source for this book Sadly many individuals and ministries who offer advice are not biblically and theologically solid That's why Got Questions is crucially needed a resource that answers questions explicitly from a biblical perspective with solid evangelical theology Written in an easy to understand format and organized in easy to follow sections Got Questions will help readers find the answers to the most frequently asked questions regarding spiritual matters The questions were asked by real people struggling through real life issues who received solid practical answers from the Bible The articles in this volume are compiled from the more than 3 800 frequently asked questions on our website which are read over 7 million times each month Some of the articles have been translated into 150 languages Many books present teaching in a question and answer format but few have delved into the questions that people are actually asking Having received and answered more than 380 000 questions Got Questions Ministries has a unique understanding of what questions are truly on people's minds **Don't Stop the Swagger** Damon J Smith, 2015-11-25 A SWAGGER can't be acquired by material objects It comes from a source deep within that you may have never known you possessed The swagger never lets circumstance or criticism interrupt the mission But what happens when your uncommon dream doesn't go as planned your business fails tragedy hits you make a bad decision your marriage goes down hill your athletic aspirations don't pan out or you're in a job that just doesn't do it for you You see with every little hiccup in life you lose energy excitement and drive YOU LOSE YOUR SWAGGER These are the stories rarely discussed by the mainstream sports media stories that will empower your walk through life show you what mental toughness really means and give YOU a SWAGGER Meet the Bible Philip Yancey, Brenda Quinn, 2010-05-11 The story of the Bible starts with the

simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings

Crossroads of the Eternal M. Brett Callaway, 2018-11-07 Not so long ago it was taken for granted that God exists Today there is a blindness to him even though he makes his presence known to all The book begins by showing how better to recognize his presence and understand how he reveals himself to us The next three chapters discuss how we move from an awareness of his presence to beginning to know him and through a knowledge of him begin to know what his purpose is for us and how our lives are shaped by that knowledge Having seen how he reveals himself to us and how we know the world and see the world through different eyes we then look at how to apply our new view in the face of a society that remains blind to this knowledge Chapters 5 7 explore truth first from the standpoint of its existence then in how to recognize its counterfeits and finally to understand the consequences of its loss Chapters 8 10 look at how and why being able to see God s hand in all aspects of life and to center life on him by faith in his son Jesus Christ completely changes life for the better Non Christians often hear this claim made by evangelists If they ask why too

often the answer is in Christian speak that is foreign to them The intent is to bridge from the place where they are and explain how Christians have found peace in times of suffering even joy in the most horrific circumstances enabling them to give thanks in all things In a sense the book finishes where it started by looking at who we truly are what kind of world this is and how God has made all into his glorious plan *Apologetics for the Working Christian* Donald L. Pickard, 2009-12-09 All believers experience the challenge of building understanding and defending the disposition of their God and their belief when the very basis of their faith is being questioned This book is for those who are not experts in the field of apologetics but have a passion to make Christ known and accepted by others in their workplace and daily life Essential subjects and Scriptures common to Christian apologetics and evangelism are examined using the great commission of Jesus as recorded in Matthew 28:16-20 as a foundation Simple understandable answers are given to critical questions that a Christian may confront such as Does God Exist Is Jesus the Christ Is the Bible True What is the importance of baptism Did the resurrection of Jesus really happen What are the essential teachings of personal evangelism What are the components of the Great Commission of Christ and how do we obey it Dr Pickard has been a Christian for over fifty years and has held executive positions in business education and government including executive level management positions in major universities a private corporation a government authority and city management He has served his community on a hospital board community service boards and regional councils He has always demonstrated award winning results in these endeavors and produced successful subordinates His teaching skills have been recognized in several fields as exemplary and highly effective The author's education includes an Associate of Science in mechanical engineering from Chattanooga State Technical Community College a Bachelor of Science in business administration and a management certification from the University of Tennessee at Chattanooga Tennessee a Master of Business Administration from the University of Richmond E Claiborne Robins School of Business in Richmond Virginia and a Doctor of Philosophy in Christian Apologetics from the Newburgh Theological Seminary Newburgh Indiana *Christianity's Dangerous Idea* Jonas E. Alexis, 2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In *Christianity's Dangerous Idea* Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing *Christianity's Dangerous Idea* clearly demonstrates the destructive nature of popular atheistic and anti-Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly

yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age Wake Up! Wake Up! the Testimony of a Layman Thomas W. Balderston,2009-10 Wake Up Wake Up The Testimony of a Layman is the account of author Thomas Balderston s struggle with faith and his attempt to alert readers to the world and the opportunities the Triune God has made possible The author s GPS containing many strategic dots that when connected opened his eyes to the truth was the Word The resurrection was the highest peak on the many mountains he crossed The Testimony of a Layman is the honest chronicle of how one man s heart and mind were opened Take a ride with the author the scenery may be enough to remind readers that even with pain there is beauty and love inside and outside their windows **Right on Top** Ronnie Ruff,2020-03-06 What is your greeting Do you have one specific to all occasions What does it say about you and the way you view your life experiences Right on top is the characteristic greeting of the author defining his mind set for the early start of each day Our word of greeting flows from our lips as words and ends up flowing from the tip of our fingers as actions regarding everything we do This book examines nine areas of importance in his life with helpful encouragement to others to replicate his daily experience heritage balance rules success heroes posterity wife work God When an old man dies a library burns The challenge presented in his book is for the reader to examine the important things in life and share their experiences before the library burns The author s hope for the many who consider themselves only average is that they would rise up to a new level of living that they might regard every day as a gift and approach every situation as a giver that the biblical concept of salt and light would become a daily reality and at the end of the day when all has been considered they might conclude that the best description of their time here on earth could be summed up in three simple words right on top We Are Created in God's Image' Rev. many religions why Jesus We are living in a time when you can believe anything as long as you do not claim it to be true In the name of tolerance our postmodern culture embraces everything from Eastern mysticism to New Age spirituality But as Ravi Zacharias points out such unquestioning acceptance of all things spiritual is absurd All religions plainly and simply cannot be true Jesus Among Other Gods provides the answers to the most fundamental claims about Christianity such as Aren t all religions fundamentally the same Was Jesus who He claimed to be Can one study the life of Christ and demonstrate conclusively that He was and is the way the truth and the life In each chapter Zacharias considers a unique claim that Jesus made and then contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism with compelling insight and passionate conviction In addition to an impressive breadth of reading and study he shares his personal journey from despair and meaninglessness to his discovery that Jesus is who He said He is In Jesus Among Other Gods Ravi Zacharias demonstrates that he is one of the most intellectually gifted as well as spiritually sensitive writers of today s leading apologists for the Christian faith Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition David Aikman author of Great Souls [Walking from East to West](#) Ravi Zacharias,2006 Renowned Christian thinker Ravi Zacharias shares the intimate account of his journey beyond a turbulent childhood and the Eastern culture of his homeland [Stepping Stones](#) Bernard V Palmer,2024-03-28 Can answers to the biggest questions in life be found Today there are many who are unsure whether there is a creator God are uncertain about religion and yet instinctively feel that their life has a purpose and that values such as love truth honesty beauty logic and kindness are real This book has been written to help such people make sense of their existence and to indicate the types of evidence available to help people find a strong rational faith So many people think faith is a feeling or a flight of fantasy by contrast Cambridge educated medical surgeon Dr Bernard Palmer makes it clear that there is outstanding evidence at the basis of Christian belief But he does not stop there he then not only shows what that evidence means for our lives he also reveals what the reader should do about it That is the rhythm of this excellent book the evidence its meaning and our action which makes this a profoundly challenging read that appeals to the mind the heart and the will Rico Tice Christianity Explored I am both delighted and honoured to recommend Bernard Palmer s new book to you There are three reasons for this First he himself truly believes the things he is asking you to believe Second he writes about profound matters in such a way that it is not only easy to follow but it is winsome and appealing But thirdly he is offering us Stepping Stones to a new life by introducing us to Jesus Christ with compelling reasons to become a believer And this is the most important thing of all Frank Retief Retired presiding bishop of the Reformed Evangelical Church of Southern Africa **The Director'S Cut** Erik L. Strandness,2014-03-13 Believer and unbeliever alike are subtly evangelized every day of their lives by the ambient glow of Gods cinematic masterpiece They sense something grand but are confused by the incoherent cultural edits scattered throughout the film The Good News is that the deleted scenes are not lost but can be found in our shared human experiences

and once spliced back together reveal an epic of Biblical proportions The Directors Cut of the Greatest Story Ever Told Dr Erik Strandness takes a unique bottom up approach to apologetics by investigating experiences common to all people and concluding that they can only be adequately understood through a Biblical filter The goal is to empower lay Christians to condently share their faith in a concrete friendly real world context that effectively engages the day to day realities of their audience Dr Strandness writes in a clear engaging and witty style combining the thoughts of many great Christian thinkers with culturally relevant illustrations in order to make a solid real world case for the Christian worldview Once in a while someone manages to put ageless truth in such a fresh package that it cries out Read on Thats the way I felt when reviewing Erik Strandnesss book What a pleasure it is to read But its not just Eriks engaging word images that make it such a great read Its the profound and timely message he is communicating in such an intelligent and winsome way This is a book you will be telling others about Dr Christian Overman Director Worldview Matters biblicalworldview.com **Christianity and**

Rabbinic Judaism Jonas E. Alexis,2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis
