Read This Manual

Inside you will find many helpful hints on how to use and maintain your air conditioner properly. Just a little preventative care on your part can save you a great deal of time and money over the life of your air conditioner. You'll find many answers to common problems in the chart of troubleshooting tips. If you review the chart of Troubleshooting Tips first, you may not need to call for service.

Before using your air conditioner, please read this manual carefully and keep it for future reference.

Specifications are subject to change without notice according to Carrier policy of continuous development.
