Peter Fraenkel, Ph.D.

Can Your Relationship Be Saved:

Can Your Relationship Be Saved? Michael S. Broder, 2002 The title of this book captures one of the most commonly explored issues that I have dealt with in my office over the past three decades as a practicing clinical psychologist Thus begins Dr Broder's wise and compassionate guide to assessing a faltering love relationship and answering the fundamental question asked by the book's title Broder addresses individuals and couples in marriages or any other type of love relationship or romance long or short term and of any sexual orientation His 40 item Can Your Relationship Be Saved Inventory asks the rights questions But readers are not left there The chapters that follow gently guide them in exploration of what is likely to happen if What if I go What if I stay Readers will find direction in answering those questions for themselves and the information and strategies to help them act on their decisions Can Your Relationship Be Saved speaks in a warm unabashedly upbeat and optimistic manner directly to the painful ambivalence that results when you are unable to determine how you really feel Broder's guidance is packed with practical road maps and direction finders avoiding glibness cliches pat answers or someone else's value judgments that will rarely hold up for you in the end

Out of the Doghouse Robert Weiss,2017-01-03 It s all about cheating the biggest threat to intimacy Typically men are good at creating rifts in relationships but terrible at mending them especially after they ve repeatedly betrayed their partner through sexual infidelity For the most part cheating men are both intimacy challenged and empathy challenged and as such they lack the skills needed to overcome the damage wrought by their infidelity Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues He s helped both cheating men and their betrayed spouses move through the horrors of infidelity In Out of the Doghouse he shares his expertise illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over Saying I m sorry and trying to buy forgiveness with flowers and jewelry may temporarily calm the stormy seas of infidelity However these actions do nothing to re establish intimacy and trust the key components to help the distraught woman feel better about her relationship over the long term and get over the cheating The simple truth is men and women are very different when it comes to intimacy and relationships While men are able to compartmentalize things like sexual infidelity women typically view cheating as an affront to their entire relationship They think If he is lying to me about sex he s probably lying

to me about everything For betrayed women trust just flat out disintegrates And without proper guidance men have little hope of restoring it Weiss provides exactly the needed guidance in Out of the Doghouse helping men move past the usual infidelity roadblocks that result from cheating in ways that will not only save a damaged relationship but restore intimacy to make it better than ever [How Quantum Activism Can Save Civilization](#) Amit Goswami,2010-03-01 Goswami shows that the quantum worldview is not dreamy philosophy or esoteric physics but has profound social consequences of planetary significance Larry Dossey MD New York Times bestselling author Beginning with Taking the Quantum Leap by Fred Alan Wolf there have been a number of books that have created new paradigms for integrating science and spirituality These books have been long on theory and short on application This work represents something completely different for this genre In his previous book God is Not Dead Goswami proved that not only are science and religion compatible but that quantum physics proves the existence of God In this new book Goswami moves beyond theory into the realm of action He asserts that quantum thinking is striking the death blow to scientific materialism that quantum thinking allows us to break from past bad habits and brings us into free will and possibilities Beginning with the question God is here so what are you going to do about it Goswami calls for a plan of action that involves applying quantum thinking to a variety of societal issues He issues a call for a spiritual economics that is concerned with our well being rather than only our material needs democracy that uses power to serve instead of dominating others education that liberates rather than shackles and new healthy practices that restore wholeness Dr Amit Goswami as usual has the most brilliant insights into how consciousness conceives constructs and becomes biology Deepak Chopra Read it seriously and take heart all is not lost and we can change reality Fred Alan Wolf author of Taking the Quantum Leap *5 Relationship Saving Secrets for Couples: A Rescue Guide for Bad Communication* Kimberly Berry,2015-07-26 If you are tired and frustrated with repeating the same cycle with your partner over and over 5 Relationship Saving Secrets for Couples will help you create meaningful and satisfying relationships By improving communication and learning how to identify and resolve differences you can grow and reconnect in your relationship
