**Frequently Asked Questions**

Q Does this workbook have information and guides for group therapy

A Yes each step of this workbook includes suggestions for group therapy All four modules or skills explain how to use them with multiple patients for health care professionals who use this technique for patients who benefit from group settings

Q What are the benefits of DBT and why should I choose it

A While this book provides a more in depth explanation of the benefits of this type of therapy the quick answer to this is that DBT is an effective therapy where others have failed It was created in the 1980s by Dr Marsha Linehan and her partners when they found that cognitive behavioral therapy was ineffective with certain patients This workbook will help you determine if it is the best choice for your patients

Q Is there a list of disorders that DBT treats

A Yes This book lists the disorders that DBT could be used to treat It goes into extensive explanation of how DBT is used to treat each disorder Each module and skill also offers an additional explanation of how they can help a variety of disorders

Q Can I use DBT just by reading this workbook

A This workbook is intended as a prologue to further DBT education DBT is an effective but complicated therapy that requires much study While this workbook has a substantial amount of information it is only intended as an important and essential supplement for DBT education and provides a basis for future learning This book is the perfect place to begin learning about dialectical behavior therapy Don t hesitate to start reading this book to get all the information you can prior to more intense education on DBT and decide whether it is right for you and your patients Obtain the knowledge you need to create a better future for your practice Add this book to your library today

A written workshop for professionals and patients interested in learning dialectical behavioral therapy DBT intended as an in depth and essential prologue to future studies
