PURPOSE AND RATIONALE OF THE QUALIFICATION

Purpose

This qualification will enable the learner to function as a clinically focused, service oriented, independent Registered Staff Nurse, who is able to deliver nursing care as determined by the appropriate regulatory framework.

The qualification will provide a basis for decision-making about what is within and beyond the defined scope of practice, as well as understanding of the national system in place for anything outside of the scope of practice. The diploma will apply evidence-based nursing practice which is founded research on evidence-based practice that foster practice to be effective both nationally and internationally within the profession.

On successful completion of the qualification, the learner is eligible for registration with the South African Nursing Council as a Staff Nurse.
