Talvacchia,2019-04-18 Does anyone need to come out anymore Queer theory has challenged the idea of coming out as problematic for its false binary and essentialized version of identity If gender is a socially constructed performativity then what does coming out mean At the same time we live in a society that still struggles with structures of power that define what is considered normal and sanctions those who transgress The intersectionality of gender with race class ethnicity nationality abilities religion age and other positional markers challenge a simplified belief that coming out is not necessary Therefore in the lived experience of many persons coming out still matters This book initiates a different theological conversation about coming out It argues that rather than the declaration of an identity category coming out can be understood as the erotic ethical practice of truth telling The formation of conscience and moral integrity embody the two pillars of this erotic practice Coming out understood as disruptive coherence is the erotic ethical practice of truth telling grounded in our deepest desires to be known authentically in community Being an Intergenerational Church Suzi Farrant,Darren Philip,2023-08-31 There is a growing realisation across mainstream churches that age segregated models of connecting with children young people and families are not working Drawing on their extensive experience Suzi Farrant and Darren Philip set out a vision for bringing the generations back together to become the intergenerational church we are designed to be In conversation with the writings of Dietrich Bonhoeffer they develop a theological rationale for intentional intergenerational relationships of mutuality lived out within the core activities of the church Through an exploration of the Christian practices of humility hospitality participation discipleship joy worship discernment and testimony they call the church to re discover its DNA as an all age community of transformation Healing What's Within Chuck DeGroat,Alison Cook,2024-10-08 If you re like many of us you carry a weight of buried pain Despite looking put together on the outside you feel secretly fractured within While you appear strong

and resilient on the outside inside a storm brews of all the ways you've been hurt or harmed There's a constant churn of unprocessed feelings of shame anger grief or loneliness And your body tells the story of its struggles in a myriad of aches and ailments Little by little you find yourself becoming disconnected from who you truly are Not knowing what to do with your suffering and fearing you'll be hurt again you've learned to cope to numb and suppress the ache within **Overcommitted** Rachel Balducci,2020-04-10 Are you often pulled in so many directions that you wonder if you are just overcommitted Rachel Balducci mom of six has wondered the same thing In *Overcommitted How to Cut Chaos and Find Balance* she gives us a solution to our frenzied days and a plan for achieving balanced God centered days **In Search of God's Will** Trevor Hudson,2024-11-05 Have You Ever Asked What Is God's Will for My Life A trusted voice of the Christian faith in spiritual formation and discipleship deeply shaped by the wisdom of Dallas Willard and St Ignatius Trevor Hudson has crafted a user's guide to discern God's personal will for our lives After serving the local congregation as a Methodist pastor in South Africa for almost fifty years Trevor now lectures teaches and offers spiritual retreats both locally and internationally Over the years this question about discerning God's will is one that he has heard again and again In *In Search of God's Will* creates a biblical imagination around the concept of discernment and provides practical ways to discern God's personal will for your life ultimately helping you to become the unique person God wants you to be You'll be equipped and encouraged in your faith on how to align your heart with the heart of God attune yourself to your calling listen to God in Scripture pray the Scriptures pay attention to the movements of the Spirit in your heart uncover and exercise your God-given giftedness notice God's presence and activity in daily life engage in sacred conversations with trusted companions make faithful decisions take the initiative when God seems silent and more Each concept includes a discernment exercise so that you can experience what you are learning If you have ever wondered about God's personal will for your life how your desires and God's desires intersect and how God is present and active around you In *In Search of God's Will* can help you catch glimpses of what it means to become the person that from eternity you were destined to be **Dangerous Prayer** Darren Cronshaw,2017-02-01 *Dangerous Prayer* offers a strategy for fostering prayer and spirituality in mission that focuses on neighbourhood transformation and global needs using the Lord's Prayer as a radical blueprint Sustainability in mission is not possible without prayer vibrancy in prayer is not possible without mission Christians on mission need a vibrant life of prayer in order to be effective yet to have a vibrant prayer life they need an outlet in mission The Lord's Prayer offers a radical inspirational framework to help move Christians beyond praying just for themselves and to have their imaginations captured by the mission of God and concern for global needs Jesus words guide us to pray for God's Kingdom on earth for restoration for food for all who are hungry for people to experience forgiveness and all that really is good news about Jesus It is a dangerous prayer because of its counter cultural and radical stance and because it invites us to be in part the answer to our prayers This book offers inspiring and practical approaches for unleashing the whole people of God for missional prayer and
