Why It's OK to Not Be Monogamous Justin L. Clardy, 2023-03-28 The downsides of monogamy are felt by most people engaged in long term relationships including restrictions on self discovery limits on friendship sexual boredom and a circumscribed understanding of intimacy Yet a happily ever after monogamy is assumed to be the ideal form of romantic love in many modern societies a relationship that is morally ideal and will bring the most happiness to its two partners In Why It's OK to Not Be Monogamous Justin L Clardy deeply questions these assumptions He rejects the claim that non monogamy among honest informed and consenting adults is morally impermissible He shows instead how polyamorous relationships can actually be exemplars of moral virtue The book discusses how social and political forces sustain and reward monogamous relationships The book defines non monogamy as a privative concept a negation of monogamy Looking at its prevalence in the United States the book explains how common criticisms of non monogamy come up short Clardy argues as some researchers have recently shown monogamy relies on continually demonizing non monogamy to sustain its moral status Finally the book concludes with a focus on equality asking what justice for polyamorous individuals might look like

The Clinician's Guide to Ethical Non-Monogamous Relationships Stephanie Sigler, 2024-07-31 This book is a comprehensive guide designed to help mental health professionals understand and meet the unique needs of individuals in ethical non monogamous relationships Drawing on a wealth of research case studies and expert insights Dr Stephanie Sigler offers invaluable guidance on fostering healthy communication managing jealousy and insecurities and addressing the emotional dynamics that arise in non monogamous relationships With a compassionate and inclusive approach this book helps mental health practitioners develop a deep understanding of diverse relationship structures This book covers topics such as polyamory open relationships and swinging addressing the specific needs and concerns of clients engaged in these relationships It also encourages discussions of self care for practitioners ethical considerations and addressing stigma within

the therapeutic process Sigler provides clinicians with step by step strategies and interventions mental health practitioners can implement in their sessions An invaluable resource for practitioners new to ethical non monogamy this book is equally essential for therapists looking to expand their knowledge and skills and can help practitioners provide meaningful support to clients in this often misunderstood and underrepresented community *Designing and Leading a Successful SAR* Patti

Love and Freedom Jorge N. Ferrer, 2021-06-24

In *Love and Freedom* Jorge Ferrer proposes a paradigm shift in how romantic relationships are conceptualized a step forward in the evolution of modern relationships In the same way that the transgender movement surmounted the gender binary Ferrer defines how a parallel step can and should be taken with the relational style binary This book offers the first systematic discussion of relationship modes beyond monogamy and polyamory as well as introduces the notion of relational freedom as the capability to choose one s relational style free from biological psychological and sociocultural conditionings To achieve these goals Ferrer first discusses a number of critical categories specifically monoprivilege polyphobia and polypride monophobia that mediate the contemporary mono poly wars that is the predicament of mutual competition among monogamists and polyamorists The ideological nature of these mono poly wars is demonstrated through a review of available empirical literature on the psychological health and relationship quality of monogamous and polyamorous individuals and couples Then after showing how monogamy and polyamory ultimately reinforce each other Ferrer articulates three relational pathways to living in between through and beyond the mono poly binary fluidity hybridity and transcendence Moving beyond that binary opens a fuzzy liminal and multivocal relational space that Ferrer calls novogamy In this groundbreaking book readers will learn practical tools to not only transform jealousy but also enhance their relational freedom while being aware of key issues of diversity and social justice They will also learn novel criteria to evaluate the success of their intimate relationships and be introduced to a transformed vision of romantic love beyond both monocentrism and emerging polynormativities

The Art of Open Relating Carl/E Stevens Jr, 2017-06-11

The Art of Open Relating Volume 1 Theory Philosophy Foundation explores the many dynamics of open relationships and what anyone should consider before considering this relationship style What s also defined is the difference between open relationships monogamy polyamory and polygamy It s of critical importance we understand the various relationship dynamics and their accurate definitions so we can make the best choices for our own personal relationships Learn about the many open relationship structures and how they change and what we should be mindful of inside of each of these structures This is critically important due to the fluid nature of open relationships In addition the individual profiles of people who participate in open relationships are also defined to support each participant in understanding some of the risk factors each person brings to the open relationship structures they re participating in How does a married couple fair versus someone who isn t married Why are guiding principles the

backbone of open relating rather than rules and protocols that we find in polyamory Why isn't open relating for most people but only a small minority of the population This book also offers some insight into the challenges with monogamy and even some strategies for monogamous couples to strengthen their bonds Monogamy has some very specific characteristics that must be recognized and accounted for in order to avoid the traps leading to infidelity and divorce Learn the three phases of opening your relationship and why each phase is critical for success Generally the people who fail in opening their relationship have skipped one or more of these steps and instead jumped right in Overall *The Art of Open Relating Volume 1 Theory Philosophy Foundation* is an critical read in helping define the relationship landscape whether you're into open relationships or not It's job at identifying the possibilities for how to live your relationship life is of major value and good to know if nothing else *Opening Up* Tristan Taormino, 2008-05-05 Relationship expert and bestselling author Tristan Taormino offers a bold new strategy for creating loving lasting relationships Drawing on in depth interviews with over a hundred women and men *Opening Up* explores the real life benefits and challenges of all styles of open relationships from partnered non monogamy to solo polyamory With her refreshingly down to earth style and sharp wit Taormino offers solutions for making an open relationship work including tips on dealing with jealousy negotiating boundaries finding community parenting and time management *Opening Up* will change the way you think about intimacy **Urban Tantra, Second Edition** Barbara Carrellas, 2017-11-21 If you think sexual and spiritual bliss can't be found in today's fast paced world you haven't experienced *Urban Tantra* Celebrating the 10th anniversary of *Urban Tantra* acclaimed sex educator Barbara Carrellas radically updates the ancient practice of Tantra for modern sexual explorers desiring to discover new frontiers With a juicy mix of erotic how to and heart centered spiritual wisdom this updated edition includes a brand new introduction up to date references and resources a new take on the possibilities and responsibilities of Tantra in today's world plus new and cutting edge information to reach an expanded community added information on multi partner play more intersections for Tantra and BDSM practices for asexuals and aromantics expanded practices for trans and gender nonconforming people and more With more than one hundred easy to follow techniques for expanded orgasmic states and solo and partner play as well as more adventurous practices this in depth guide reveals the delicious worlds of ecstasy available to all no matter one's gender sexual preference or erotic tastes *Urban Tantra* expands the notions of pleasure and opens new heights of intimacy and sexual fulfillment *More Than Two* Franklin Veaux, Eve Rickert, Janet W. Hardy, 2014 A long awaited wide ranging resource exploring the often complex world of living polyamorously *Open* Jenny Block, 2009-02-10 Finally a book about open marriage that grapples with the problems surrounding monogamy and fidelity in an honest heartfelt and non fringe manner Jenny Block is your average girl next door a suburban wife and mother for whom married life never felt quite right While many books on this topic presuppose that the reader is ready to embrace an alternative lifestyle Block operates from the assumption that most couples who are curious about or engaged in open

marriages are in fact more like her normal people who question whether monogamy is right for them good people who love their spouses but want variation capable parents who are not deviant just because they choose to be honest about their desires Open challenges our notions of what traditional marriage looks like and presents one woman s journey down an uncertain path that ultimately proves open marriage is a viable option for her and others *Love In Abundance Second Edition* Kathy Labriola,2024-11-01 Beyond the basics of polyamory lies a complex web of negotiations agreements pitfalls and rewards Kathy Labriola a relationships counselor who has worked for many years with singles couples and groups in polyamorous and open relationships sets forth some of the realities of alternative lifestyles dealing with some of the common relationship disrupters managing jealousy choosing compatible partners combining BDSM with polyamory distinguishing between sex addiction and polyamory and much more **The Ethical Slut, Third Edition** Janet W. Hardy,Dossie Easton,2017-08-15 The classic guide to love sex and intimacy beyond the limits of conventional monogamy has been fully updated to reflect today s modern attitudes and the latest information on nontraditional relationships One of the most useful relationship books you could ever read no matter what your lifestyle choices It s chock full of great information about communication jealousy asking for what you want and maintaining a relationship with integrity Annie Sprinkle PhD sexologist and author of Dr Sprinkle s Spectacular Sex For 20 years The Ethical Slut widely known as the Poly Bible has dispelled myths and showed curious readers how to maintain a successful polyamorous lifestyle through open communication emotional honesty and safer sex practices The third edition of this timeless guide to the ethics of relationships communication and sex has been revised to include Interviews with poly millennials young people who have grown up without the prejudices their elders encountered regarding gender orientation sexuality and relationships Tributes to polyamory pioneers Tools for conflict resolution and instructions on how to improve interpersonal dynamics New sidebars on topics such as asexuality sex workers LGBTQ terminology and ways polys can connect and thrive The authors also include new content addressing nontraditional relationships beyond the polyamorous paradigm of more than two couples who don t live together couples who don t have sex with each other nonparallel arrangements couples with widely divergent sex styles power disparities and cross orientation relationships while utilizing nonbinary gender language and new terms that have come into common usage since the last edition **Open Thinking in a Closed World** Melanie Fernandes,Chad Spencer,2019-09-02 An insightful yet easy to understand book that looks at alternative relationships and makes sense of the non monogamous polyamorous way of life The quickest way to destroy a relationship is to make it fit into something it is not Monogamy is a term that humans have used to define their relationships that we should only be attached to one person for our entire adult lives What if instead of trying to make our relationships fit outdated and inaccurate models we took the plunge and opened our minds to the possibility of other relationship styles What if we admitted that for some people monogamy just doesn t work and accepted that there are other paths to follow Having an open mind about many things in life

can introduce the possibility of various positive aspects that you never even thought about before often making life more enjoyable Instead of seeing the world through a black and white lens it is like seeing it through a wide range of colors With chapters that include an understanding of how being single and solo polyamorous female and poly and where to begin this book will help both couples and individuals navigate the world of alternative relationships *Polysecure* Jessica Fern,2020-10-23 A practical translation of the principles of attachment theory to nonmonogamous relationships Attachment theory has entered the mainstream but most discussions focus on how we can cultivate secure monogamous relationships What if like many people you re striving for secure happy attachments with more than one partner Polyamorous psychotherapist Jessica Fern breaks new ground by extending attachment theory into the realm of consensual nonmonogamy Using her nested model of attachment and trauma she expands our understanding of how emotional experiences can influence our relationships Then she sets out six specific strategies to help you move toward secure attachments in your multiple relationships *Polysecure* is both a trailblazing theoretical treatise and a practical guide **Open Love** Axel Neustädter,2018-10 Who do we love Who can we love And how many With *Open Love* Axel Neustadter explores the possibilities and reveals the secrets of non monogamous gay love Fuck buddies platonic friendships spiritual partnerships these are some of the possibilities beyond the traditional monogamous couple Above all however it s the open relationship that has always posed special challenges for people willing to step outside the monogamy template Neustadter tackles all the important questions asked by anyone who s yearned for a relationship with that certain extra quality How do you open up a relationship without drama What about jealousy Is sex outside the relationship the new fidelity Why are open relationships the new way to be safe How gay is polyamory anyway This book is a guide to the freedom and joy of alternative relationships At the same time it offers words of caution about excessive expectations and the pitfalls that can lead to disappointment and failure in free love
