C. Nancarrow, K. S. Yuen, 2018** [Language Across the Curriculum & CLIL in English as an Additional Language \(EAL\) Contexts](#) Angel M.Y. Lin, 2016-09-15 This book will be of interest to a broad readership regardless of whether they have a background in sociolinguistics functional linguistics or genre theories It presents an accessible meta language i e a language for talking about language that is workable and usable for teachers and researchers from both language and content backgrounds thus facilitating collaboration across content and language subject panels Chapters 1 to 3 lay the theoretical foundation of this common meta language by critically reviewing systematically presenting and integrating key theoretical resources for teachers and researchers in this field In turn Chapters 4 to 7 focus on issues in pedagogy and assessment and on school based approaches to LAC and CLIL drawing on both research studies and the experiences of front line teachers and school administrators Chapter 8 provides a critical and reflexive angle on the field by asking difficult questions regarding how LAC and CLIL are often situated in contexts characterized by inequality of access to the linguistic and cultural capitals where the local languages of the students are usually neglected or viewed unfavourably in relation to the L2 in mainstream society and where teachers are usually positioned as recipients of knowledge rather than makers of knowledge In closing

Chapter 9 reviews the state of the art in the field and proposes directions for future inquiry *Strengthening Upper Secondary Education in Lithuania* OECD,2023-11-17 This report explores how Lithuania and its young people can achieve higher returns on its investment in upper secondary education and provides Lithuania with policy recommendations to help improve it by strengthening vocational education pathways and by consolidating upper secondary certification

Developing Skills for HKDSE. C. Nancarrow,K. S. Yuen,2018 *English Language Education and Assessment* David Coniam,2014-07-06 This volume gathers contributions in the closely linked fields of English language assessment and language education The contributors from China and Hong Kong represent a mixture of established and new scholars Areas covered in the language education section range across major developments in the redefining of Hong Kong s secondary and tertiary curricula as well as the huge field of China s vocational education curriculum Regarding assessment the contributions reflect major changes in the marking of examinations in Hong Kong whereby all examinations from 2012 onwards are marked onscreen to quality control issues in the administration of China s College English Test which is taken by over 10 million candidates every year *Musician-Teacher Collaborations* Catharina Christophersen,Ailbhe Kenny,2018-01-09 *Musician Teacher Collaborations* *Altering the Chord* explores the dynamics between musicians and teachers within educational settings illustrating how new musical worlds are discovered and accessed through music in education initiatives An international array of scholars from ten countries present leading debates and issues both theoretical and empirical in order to identify and expand upon key questions How are visiting musicians perceived by various stakeholders What opportunities and challenges do musicians bring to educational spaces Why are such initiatives often seen as saving children music and education The text is organized into three parts *Critical Insights* presents new theoretical frameworks and concepts providing alternative perspectives on musician teacher collaboration *Crossing Boundaries* addresses the challenges faced by visiting musicians and teaching artists in educational contexts while discussing the contributions of such music in education initiatives *Working Towards Partnership* tackles some dominant narratives and perspectives in the field through a series of empirically based chapters discussing musician teacher collaboration as a field of tension In twenty chapters *Musician Teacher Collaborations* offers critical insights into the pedagogical role music plays within educational frameworks The geographical diversity of its contributors ensures varied and context specific arguments while also speaking to the larger issues at play When musicians and teachers collaborate one is in the space of the other and vice versa *Musician Teacher Collaborations* analyzes the complex ways in which these spaces are inevitably altered

Supporting the Learning of Chinese as a Second Language: Implications for Language Education Policy Joseph Lo Bianco,Elizabeth Ka Yee Loh,Mark Shiu-kee Shum,2024-10-25 The research in this volume takes account of the context of policy promoting Chinese as a second language CSL in several countries and regions Australia East Asia and South East Asia and the wider social context of multilingual and multicultural societies Furthermore this book reports results of two research

studies which investigated how to develop effective strategies to promote learners motivation and the motivational developments of adult learners in real life settings helping to overcome gaps in this under researched area Findings reported in this book have been scientifically examined and found to be effective in enhancing the learners CSL proficiency increasing their learning motivation and addressing the need for a diversity of targeted approaches to CSL Most are applicable across preschool to secondary levels The theoretical grounding of this research work represents a new direction for research in teaching Chinese as a second language

The Tyranny of Writing Constanze Weth,Kasper Juffermans,2018-01-25 This book examines the powerful role of writing in society The invention of writing independently at various places and times in history always stood at the cradle of powerful civilizations It is impossible to imagine modern life without writing As individuals and social groups we hold high expectations of its potential for societal and personal development Globally huge resources have been and are being invested in promoting literacy worldwide So what could possibly be tyrannical about writing The title is inspired by Ferdinand de Saussure s argument against writing as an object of linguistic research and what he called la tyrannie de la lettre His critique denounced writing as an imperfect distorted image of speech that obscures our view of language and its structure The chapters of the book written by experts in language and literacy studies go beyond this and explore tyrannical aspects of writing in society through history and around the world from Medieval Novgorod the European Renaissance and 19th century France and Germany over colonial Sudan to postcolonial Sri Lanka and Senegal and present day Hong Kong and Central China to the Netherlands and Spain The metaphor of tyranny of writing serves as a heuristic for exploring ideologies of language and literacy in culture and society and tensions and contradictions between the written and the spoken word

The Top Books of the Year Developing Skills For Hkdse Paper 1 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Developing Skills For Hkdse Paper 1 : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Developing Skills For Hkdse Paper 1 : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
