**Stephen Eric Bronner**

## **Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft:**

The Rise and Fall of Weimar Democracy Hans Mommsen, 2017-11-01 In this definitive analysis of the Weimar Republic Hans Mommsen surveys the political social and economic development of Germany between the end of World War I and the appointment of Adolf Hitler as chancellor in 1933 His assessment of the German experiment with democracy challenges many long held assumptions about the course and character of German history Mommsen argues persuasively that the rise of totalitarianism in Germany was not inevitable but was the result of a confluence of specific domestic and international forces As long as France and Britain exerted pressure on the new Germany after World War I the radical Right hesitated to overthrow the constitution But as international scrutiny decreased with the recognition of the legitimacy of the Weimar regime totalitarian elements were able to gain the upper hand At the same time the world economic crisis of the early 1930s with its social and political ramifications further destabilized German democracy This translation of the original German edition published in 1989 brings the work to an English speaking audience for the first time European History

**The Weimar Republic Sourcebook** Anton Kaes, Martin Jay, Edward Dimendberg, 2023-11-15 A laboratory for competing visions of modernity the Weimar Republic 1918 1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possibilities of our age The Weimar Republic Sourcebook represents the most comprehensive documentation of Weimar culture history and politics assembled in any language It invites a wide community of readers to discover the richness and complexity of the turbulent years in Germany before Hitler's rise to power Drawing from such primary sources as magazines newspapers manifestoes and official documents many unknown even to specialists and most never before available in English this book challenges the traditional boundaries between politics culture and social life Its thirty chapters explore Germany's complex relationship to democracy ideologies of reactionary modernism the rise of the New Woman Bauhaus architecture the impact of mass media the literary life the tradition of cabaret and urban entertainment and the situation of Jews intellectuals and workers before and during the emergence of fascism While devoting much attention to the Republic's varied artistic and intellectual achievements the Frankfurt School political theater twelve tone music cultural criticism photomontage and urban planning the book is unique for its inclusion of many lesser known materials on popular culture consumerism body culture drugs criminality and sexuality it also contains a timetable of major political events an extensive bibliography and capsule biographies This will be a major resource and reference work for students and scholars in history art architecture literature social and political thought and cultural film German and women's studies A laboratory for competing visions of modernity the Weimar Republic 1918 1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possi

The Oxford Handbook of the Weimar Republic Nadine Rossol, Benjamin Ziemann, 2022 The Weimar Republic was a turbulent and pivotal period of German and European history and a laboratory of

modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone interested in the fascinating history of the Weimar Republic

**THE THREEFOLDING MOVEMENT, 1919** Albert Schmelzer, 2017-10-23 Following the end of WW1 Germany faced a period of revolutionary upheaval and general unrest In the midst of these tumultuous events Rudolf Steiner's pioneering movement for social threefolding rallied around a unique conception Its three principal goals were to promote human rights and equality in political life freedom in cultural life and associative cooperation in economic life Albert Schmelzer's engaging yet rigorous study the most complete to date recounts the movement's practical attempts to bring about social threefolding in 1919 giving lively descriptions of the principal characters involved Apart from this detailed history The Threefolding Movement 1919 offers an accomplished synthesis of the development of social thought and the complex politics of the day Schmelzer studies threefolding within the context of evolving social ideas comparing Steiner's relevance to key political and cultural thinkers reformers and radicals Steiner emerges as a social innovator who was actively involved in the revolutionary situation of 1919 although he rejected violence and was a consistent advocate of democracy A cursory analysis might suggest that Rudolf Steiner stood at the left of the political spectrum but Schmelzer shows how his social ideas transcend the right left divisions and polarizations of contemporary politics Social threefolding is truly a new approach to human development a fresh way to understand society that allows for a more creative and harmonious future

*Rethinking the Weimar Republic* Anthony McElligott, 2013-12-19 McElligott's impressive mastery of an enormous body of research guides him on a distinctive path through the dense thickets of Weimar historiography to a provocative new interpretation of the nature of authority in Germany's first democracy Sir Ian Kershaw Emeritus Professor of Modern History at the University of Sheffield UK This study challenges conventional approaches to the history of the Weimar Republic by stretching its chronological political parameters from 1916 to 1936 arguing that neither 1918 nor 1933 constituted distinctive breaks in early 20th century German history This book Covers all of the key debates such as inheritance of the past the nature of authority and culture Rethinks topics of traditional concern such as the economy Article 48 the Nazi vote and political violence Discusses hitherto neglected areas such as provincial life and politics the role of law and Republican cultural politics

**Weimar Germany** Anthony McElligott, 2009-03-19 The Weimar Republic was born out of Germany's defeat in the First World War and ended with the coming to power of Hitler and his Nazi Party in 1933 In many ways it is a wonder that Weimar lasted as long as it did Besieged from the outset by hostile forces the young republic was threatened by revolution from the left and coups d'états from the right Plagued early on by a wave of high profile political assassinations and a period of devastating hyper inflation its later years were dominated by the onset of the Great Depression And yet for a period from the mid 1920s it looked as if the Weimar system would not only survive but even flourish with the return of economic stability and the gradual reintegration of the country into the international community With contributions from an international team of ten experts

this volume in the Short Oxford History of Germany series offers an ideal introduction to Weimar Germany challenging the reader to rethink preconceived ideas of the republic and throwing new light on important areas such as military ideas for reshaping society after the First World War constitutional and social reform Jewish life gender and culture [The German Bourgeoisie \(Routledge Revivals\)](#) David Blackbourn, Richard J Evans, 2014-06-17 First published in 1991 this collection of original studies by British German and American historians examines the whole range of modern German bourgeoisie groups including professional mercantile industrial and financial bourgeoisie and the bourgeois family Drawing on original research the book focuses on the historical evidence as counterpoint to the well known literary accounts of the German bourgeoisie It also discusses bourgeois values as manifested in the cult of local roots and in the widespread practice of duelling Edited by two of the most respected scholars in the field this important reissue will be of value to any students of modern German and European history

**Fateful Hours** Volker Ullrich, 2025-11-11 From the New York Times best selling historian the riveting story of the Weimar Republic a fledgling democracy beset by chaos and extremism and its dissolution into the Third Reich Democracies are fragile Freedoms that seem secure can be lost Few historical events illustrate this as vividly as the failure of the Weimar Republic Germany's first democracy endured for fourteen tumultuous years and culminated with the horrific rise of the Third Reich As one commentator wrote in July 1933 Hitler had won the game with little effort All he had to do was huff and puff and the edifice of German politics collapsed like a house of cards But this tragedy was not inevitable In *Fateful Hours* award winning historian Volker Ullrich chronicles the captivating story of the Republic capturing a nation and its people teetering on the abyss Born from the ashes of the First World War the fledgling democracy was saddled with debt and political instability from its beginning In its early years a relentless chain of crises hyperinflation foreign invasion and upheaval from the right and left shook the republic only letting up during a brief period of stability in the 1920s Social and cultural norms were upended Political murder was the order of the day Yet despite all the challenges the Weimar Republic was not destined for its ignoble end Drawing on letters memoirs newspaper articles and other sources Ullrich charts the many failed alternatives and missed opportunities that contributed to German democracy's collapse In an immersive style that takes us to the heart of political power Ullrich argues that right up until January 1933 history was open There was no shortage of opportunities to stop the slide into fascism Just as in the present it is up to us whether democracy lives or dies

**Germany 1923** Volker Ullrich, 2023-09-26 From the New York Times best selling historian comes a gripping account of the crisis of the Weimar Republic when hyperinflation and political upheaval threatened to unravel a new experiment in democracy As the great Austrian writer Stefan Zweig confided in his autobiography written in exile I have a pretty thorough knowledge of history but never to my recollection has it produced such madness in such gigantic proportions He was referring to the situation in Germany in 1923 It was a year of lunacy defined by hyperinflation a political system on the verge of collapse and separatist movements that threatened Germany's territorial integrity Most significantly Adolf Hitler launched

his infamous Beer Hall Putsch in Munich a failed coup that nonetheless drew international attention and demonstrated the Nazis ruthless determination to seize power In Germany 1923 award winning historian Volker Ullrich draws on letters memoirs newspaper articles and other sources from the time to present a captivating new history of those explosive twelve months The crisis began when the French invaded the Ruhr Valley in January to force Germany to pay the reparations it owed under the Treaty of Versailles which had ended the Great War For years German leaders had embraced inflationary policies to finance the costs of defeat and as Ullrich demonstrates the invasion utterly destroyed the value of the German mark Before the war the exchange rate was 4 2 marks to the dollar By November 20 1923 a dollar was worth an incomprehensible 4 2 trillion marks and a loaf of bread cost 200 billion Facing the abyss many ordinary Germans called for a national messiah Among the figures to vie for that role was Hitler a thirty four year old veteran who possessed a uniquely malevolent personal magnetism Although the Nazi coup in November was put down and Hitler arrested the putsch showed just how tenuous the first German democracy the Weimar Republic was at its core As Ullrich s panoramic narrative reveals other Germans responded to the successive crises by launching a cultural revolution 1923 witnessed the emergence of a multitude of new movements from Dada to Bauhaus and of such iconoclasts as Bertolt Brecht George Grosz and Franz Kafka Yet most observers were amazed that the Weimar Republic was able to survive and the more astute realized that the feral undercurrents unleashed could lead to much worse Publishing a century after that fateful year Germany 1923 is a riveting chronicle of one of the most challenging times any modern democracy has faced one with haunting parallels to our own political moment

*Hitler's Rival* Russel Lemmons, 2013-03-01 Fascinating material This book will likely be the last word and the standard work on the Th Imann myth and its role in East German history Catherine Epstein author of *Nazi Germany Confronting the Myths* Throughout the 1920s German politician and activist Ernst Th Imann 1886 1944 was the leader of the largest Communist Party organization outside the Soviet Union Th Imann was the most prominent left wing politician in the country s 1932 election and ran third in the presidential race after Hitler and von Hindenberg After the Nazi Party s victory in that contest he was imprisoned and held in solitary confinement for eleven years before being executed at Buchenwald concentration camp in 1944 under the F hrer s direct orders Hitler s *Rival* examines how the Communist Party gradually transformed Th Imann into a fallen mythic hero building a cult that became one of their most important propaganda tools in central Europe Author Russel Lemmons analyzes the party intelligentsia s methods demonstrating how they used various media to manipulate public memory and exploring the surprising ways in which they incorporated Christian themes into their messages Examining the facts as well as the propaganda this unique volume separates the intriguing true biography of the cult figure from the fantastic myth that was created around him Lemmons analyzes in great detail the myth and legend that formed around Ernst Th Imann who became the leader of the German Communist Party in 1925 and was a dominant politician in Weimar Germany until imprisoned by the Nazis in 1933 This comprehensive study which treats the years before

the war ended for the first time is thoroughly researched and well written it will be a standard work on the subject G P Blum Professor Emeritus University of the Pacific

**From Weimar to Hitler** E.J. Feuchtwanger,1993-10-15 Weimar Germany continues to fascinate and to inspire controversy Particularly in Germany there has been a spate of recent research which calls for a fresh synthesis This book takes a new look at the current debate on the major themes the revolution hyperinflation Weimar welfarism the labour movement the liberal intelligentsia the Conservative Revolution the policies of the Brüning government and the rise of Nazism It highlights the interconnections in a complex society between developments in different spheres and shows that Hitler's assumption of power was never inevitable

Transformation of the German Political Party System Christopher S. Allen,2001-04-01 Using German political parties as a prism with which to view institutional change this collection transcends a single country focus and places the German experience in a comparative and historical framework Evaluation the performance of the German parties and party system in dealing with problems of integration and legitimation common to all industrialized democracies it presents a sharp analysis of the effects and incompleteness of German unification

*Religion, Law, and Democracy* Ernst-Wolfgang Böckenförde,2020-11-19 Ernst Wolfgang Böckenförde 1930-2019 was one of Europe's foremost legal scholars and political thinkers As a scholar of constitutional law and a judge on Germany's Federal Constitutional Court 1983-1996 Böckenförde was a major contributor to contemporary debates in legal and political theory to the conceptual framework of the modern state and its presuppositions and to contested political issues such as the constitutional status of the state of emergency citizenship rights bioethical politics and the challenges of European integration His writings have shaped not only academic but also wider public debates from the 1950s to the present to an extent that few European scholars can match As a federal constitutional judge and holder of a trusted public office Böckenförde has influenced the way academics and citizens think about law and politics During his tenure on the Court several path breaking decisions for the Federal Republic of Germany were handed down including decisions on the deployment of missiles the law on political parties the regulation of abortion and the process of European integration This second volume in the first representative edition in English of Böckenförde's writings brings together his essays on religion law and democracy The volume is organized in five sections I the Catholic Church and Political Order II State and Secularity III the Theology of Law and its Relation to Political Theory IV Norms and the Principle of Human Dignity and V Excerpts from a biographical interview Sections I II III and IV are preceded by an editor's introduction to the articles as well as running editorial commentary to the work

*Socialism Unbound* Stephen Eric Bronner,2011 Originally published Boulder Colo Westview Press c2001

*Popular Sovereignty and the Crisis of German Constitutional Law* Peter C. Caldwell,1997 A path breaking critical analysis of the meaning and interpretation of the German constitution in the Weimar years 1919-1933

*After the Versailles Treaty* Conan Fischer,Alan Sharp,2013-09-13 Designed to secure a lasting peace between the Allies and Germany the Versailles Settlement soon came apart at the seams In *After The Versailles Treaty* an international team of

historians examines the almost insuperable challenges facing victors and vanquished alike after the ravages of WW1 This is not another diplomatic history instead focusing on the practicalities of treaty enforcement and compliance as western Germany came under Allied occupation and as the reparations bill was presented to the defeated and bankrupt Germans It covers issues such as How did the Allied occupiers conduct themselves and how did the Germans respond Were reparations really affordable and how did the reparations regime affect ordinary Germans What lessons did post WW2 policymakers learn from this earlier reparations settlement The fraught debates over disarmament as German big business struggled to adjust to the sudden disappearance of arms contracts and efforts were made on the international stage to achieve a measure of global disarmament The price exacted by the redrawing of frontiers on Germany's eastern and western margins as well as the gentler impact of the peace settlement on identity in French Flanders This book was previously published as a special issue of *Diplomacy and Statecraft*

**Hindenburg** Anna von der Goltz, 2009-09-10 Hindenburg reveals how a previously little known general whose career to normal retirement age had provided no real foretaste of his heroic status became a national icon and living myth in Germany after the First World War capturing the imagination of millions In a period characterized by rupture and fragmentation the legend surrounding Paul von Hindenburg brought together a broad coalition of Germans and became one of the most potent forces in Weimar politics Charting the origins of the myth from Hindenburg's decisive victory at the Battle of Tannenberg in 1914 to his death in Nazi Germany and beyond Anna von der Goltz explains why the presence of Hindenburg's name on the ballot mesmerized an overwhelming number of voters in the presidential elections of 1925 His myth an ever evolving phenomenon increasingly transcended the dividing lines of interwar politics which helped him secure re election by left wing and moderate voters Indeed the only two times in German history that the people could elect their head of state directly and secretly they chose this national icon Hindenburg even managed to defeat Adolf Hitler in 1932 making him the Nazi leader's final arbiter it was he who made the final and fateful decision to appoint Hitler as Chancellor in January 1933

**Contested Commemorations** Benjamin Ziemann, 2013 An innovative study of remembrance in Weimar Germany and how war experiences and memories were transformed along political lines

*Securing the Communist State* Liesbeth van de Grift, 2012 From Berlin to Bucharest from Warsaw to Sofia Soviet tanks crossed national borders across East Central Europe at the end of the Second World War The arrival of the Red Army marked an important turn in history Within only a few years the often unpopular communist parties developed into political organizations with mass followings They managed to seize power eliminate political opposition to their rule and purge the state apparatus of undesirable personnel In *Securing the Communist State* Liesbeth van de Grift provides a new understanding of these organizations using recently disclosed material from the communist archives in Berlin and Bucharest She reveals how these communist parties gained control over the security apparatus after 1945 in East Central Europe from a transitional justice perspective focusing on purges and personnel policies This book shows that the personal break after 1945 was not as radical as is often thought

**The Counter-Reformation Prince** Robert Bireley S.J., 2018-11-15 Bireley explores the anti Machavellian tradition of sixteenth and seventeenth century Europe and the writers who cultivated it including Giovanni Botero and Justus Lipsius The tradition produced an international political literature that is immensely important for understanding the Counter Reformation Baroque culture and early modern politics and diplomacy Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

### Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft Introduction

In today's digital age, the availability of Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals, several platforms offer an extensive collection of resources. One such platform is

Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft books and manuals for download and embark on your journey of knowledge?

### **FAQs About Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Die Weimarer Republik 1918 1933

Politik Wirtschaft Gesellschaft is one of the best book in our library for free trial. We provide copy of Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft. Where to download Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft online for free? Are you looking for Die Weimarer Republik 1918 1933 Politik Wirtschaft Gesellschaft PDF? This is definitely going to save you time and cash in something you should think about.
