Digging Into Literature By Joanna Wolfe:

Digging into Literature Joanna Wolfe, Laura Wilder, 2017-01-05 Digging into Literature reveals the critical strategies that any college student can use for reading analyzing and writing about literary texts The authors unique approach is based on groundbreaking studies of the successful interpretive and rhetorical moves of hundreds of professional and student essays Full of practical charts and summaries with plenty of exercises and activities for trying out the strategies the book

convincingly reveals that while great literature is complex writing effective essays about it doesn't have to be **Digging Into Literature + Documenting Sources in Mla Style 2016 Update**, 2016 **Teaching Games and Game Studies in the Literature Classroom** Tison Pugh, Lynn Ramey, 2022-09-22 Teaching Games and Game Studies in the Literature

Classroom offers practical suggestions for educators looking to incorporate ludic media ranging from novels to video games and from poems to board games into their curricula Across the globe video games and interactive media have already been granted their own departments at numerous larger institutions and will increasingly fall under the purview of language and literature departments at smaller schools This volume considers fundamental ways in which literature can be construed as a game and the benefits of such an approach The contributors outline pedagogical strategies for integrating the study of video games with the study of literature and consider the intersections of identity and ideology as they relate to literature and ludology They also address the benefits and liabilities of making the process of learning itself a game an approach that is quickly gaining currency and increasing interest Every chapter is grounded in theory but focuses on practical applications to develop students critical thinking skills and intercultural competence through both digital and analog gameful approaches

Reading Across the Disciplines Karen Manarin, 2022-05-03 Reading Across the Disciplines offers a collection of twelve essays detailing a range of approaches to dealing with students reading needs at the college level Transforming reading in higher education requires more than individual faculty members working on SoTL projects in their particular fields Teachers need to consider reading across the disciplines In this collection authors from Australia and North America teaching in a variety of disciplines explore reading in undergraduate courses doctoral seminars and faculty development activities By paying attention to the particular classroom and placing those observations in conversation with scholarly literature they create new knowledge about reading in higher education from disciplinary and cross disciplinary perspectives Reading Across the Disciplines demonstrates how existing research about reading can be applied to specific classroom contexts offering models for faculty members whose own research interests may lie elsewhere but who believe in the importance of reading

Khost,2018-09-10 Bridging the disciplinary divide between writing and literature Rhetor Response introduces the concept and pedagogical applications of literary affordances the ways in which readers use and integrate literature into their own writing or lives Unconcerned with authorial intent interpretive meaning or critical reception affordance signifies a shift in focus from what literary texts mean and do to what one can do with them This book presents both opportunities and challenges to writing studies a field whose burgeoning disciplinary independence ironically relies on a sizable underclass of specialists in literature rather than writing Incorporating elements of rhetorical theory literary criticism pedagogical methodology political critique and psychological and philosophical memoir Peter H Khost complicates and revives the relevance of literature from belles lettres to fanfiction by turning from interpretation to affordance in order to identify readers applications of literary textual features to unrelated lived situations Rhetor Response theorizes and exemplifies literary affordance as a constructive step toward professional reconciliation as well as an entry into greater textual power and pleasure for students and readers It is a one of a kind resource for college writing program administrators faculty and scholars in English and writing studies and graduate and advanced undergraduate students across both disciplines

Re/Writing the Center Susan Lawrence,Terry Myers Zawacki,2019-03-15 Re Writing the Center illuminates how core writing center pedagogies and institutional arrangements are complicated by the need to create intentional targeted support for advanced graduate writers Most writing center tutors are undergraduates whose lack of familiarity with the genres preparatory knowledge and research processes integral to graduate level writing can leave them underprepared to assist graduate students Complicating the issue is that many of the graduate students who take advantage of writing center support are international students The essays in this volume show how to navigate the divide between traditional writing center theory and practices developed to support undergraduate writers and the growing demand for writing centers to meet the needs of advanced graduate writers Contributors address core assumptions of writing center pedagogy such as the concept of peers and peer tutoring the emphasis on one to one tutorials the positioning of tutors as generalists rather than specialists and even the notion of the writing center as the primary location or center of the tutoring process Re Writing the
