

Discerning the Spirit of Absalom in the Church

2 Samuel 14:19-15:6

Absalom Hurts the Most

Psalms 55:12-14 For it is not an enemy who reproaches me; Then I could bear it. Nor is it one who hates me who has exalted himself against me; Then I could hide from him. But it was you, a man my equal, my companion and my acquaintance. We took sweet counsel together, and walked to the house of God in the throng.

2 Samuel 15:12 Then Absalom sent for Ahithophel the Gilonite, David's counselor, from his city--from Giloh--while he offered sacrifices. And the conspiracy grew strong, for the people with Absalom continually increased in number.

What Caused Absalom's sin; Offense & hatred; Unforgiveness & Bitterness.

Matthew 24:3,10 What will be the sign of Your coming, and of the end of the age?" ...10 "And then many will be offended, will betray one another, and will hate one another.

Motive: Revenge, discredit and ruin.

2 Samuel 15:6 In this manner Absalom acted toward all Israel who came to the king for judgment. So Absalom stole the hearts of the men of Israel.

I. How David Failed:

1. His feelings almost destroyed him:

2 Sam 13:39 And King David longed to go to Absalom. For he had been comforted concerning Amnon, because he was dead.

2 Samuel 14:1 So Joab the son of Zeruah perceived that the king's heart was concerned about Absalom.

2. Feeling he has to prove his compassion to others to the point of ruining his own kingdom
3. He tolerated his antics and didn't confront him

II. Why It Is This Spirit Difficult To Deal With This:

1. People are emotionally attached to them through relationships.
2. Absalom is nice, lovable and popular. Everyone loved Absalom (even David).
3. To deal with them appears as unloving. The only way to deal with him is to cut him off. Had David not let him back into the kingdom he would not have had a problem. Many times those who operate in an Absalom spirit will leave a church out of rebellion, but want to stay a part in fellowship. "We are still apart of the kingdom of God even if we are not in the same church" is the spiritual reasoning. The logic sounds good, but the past history and the fact that they are causing division are the indicators that their true motive is not for fellowship.
4. It appears as if the pastor/leadership is paranoid.

II. Be Aware Of Characteristics:

1. They seek an audience.

2 Samuel 15:2 Now Absalom would rise early and stand beside the way to the gate. So it was, whenever anyone who had a lawsuit came to the king for a decision, that Absalom would call to him and say, "What city are you from?" And he would say, "Your servant is from such and such a tribe of Israel."

2. Love, kindness and favor are their tools. Who can resist that?
3. Absalom caused division by sweetness, "stealing the hearts of David's followers"

2 Samuel 15:5 And so it was, whenever anyone came near to bow down to him, that he would put out his hand and take him and kiss him.

4. Tells people, "You are special to me and my friend". "I love you more than the pastor; I will spend the quality time with you he doesn't".
5. Special treatment: Coffee, Tea, fellowship, trips, gifts, favors. Everyone likes to be treated special. Everyone wants to feel special.
6. Nothing the pastor/leadership does is good enough for Absalom. Even if most of Absalom's ideas are implemented it will never be good enough. Fault will always be found.
7. They plant doubt concerning leadership. They find faults in leaders usually not related to spiritual qualifications, and minor things are made major issues; such as what kind of car the pastor drives, how long he takes to receive offerings, etc.

2 Samuel 15:4 Moreover Absalom would say, "Oh, that I were made judge in the land, and everyone who has any suit or cause would come to me; then I would give him justice."

8. They have a hidden agenda. His motives were not known until they manifested and it was too late. You know where you stand with Jezebel and Korah, but Absalom is sneaky, and does things behind your back.
9. Absalom tells you what you want to hear. A pastor's job is to speak the truth in love; sometimes that truth hurts and requires change, but it is always for our good.

2face Israel Oyelade, 2020-08-13 A modern day Absalom harbors hidden contempt hidden hatred and hidden revenge of authority and those who are submitted to that authority The Absalom personality will take his offenses to many individuals and spread his discontent through a variety of means These individuals operate undercover in an organization Hidden Rebellion can be very destructive An Absalom spirit is rebellious and that rebellion will increasingly grow like cancer and at some point become unquenchable if not dealt with firmly I have been privileged to speak with pastors and church leaders in a crisis and by far the greatest confusion chaos and ministry pain come when these sincere pastors are facing an Absalom spirit The spirit of Absalom is a personification of a malignant usurper But we saw in the Bible that Absalom ended up bringing shame to his father his family and his kingdom In this little book you will learn about the personality of Absalom the danger of rebellion and how to be a faithful dependable and obedient church worker
