commit to be part of praying for Israel and provide other humanitarian support and aid to the people of Jerusalem.

This Prayer Guide focuses our prayers for the nation of Israel, Jerusalem and God's Chosen People by incorporating specific prayers for leadership, protection and God's grace, and includes Scriptures that will encourage you and move the hand of God through intercession.

Evangelicals and Israel Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism [Save Jerusalem](#) Michael D. Evans, 1995 **The Final Move Beyond Iraq** Mike Evans, 2013-10-15 NEW YORK TIMES BEST SELLER From esteemed author and journalist of over 70 books In *The Final Move Beyond Iraq* Mike Evans addresses the greatest threat America has faced since the Civil War the Islamic revolution or Islamofascism While the United States debates the best way to solve the situation in Iraq the terrorists are claiming victory and planning to take their show to American soil once again Drawing from extensive interviews with prime ministers CIA directors and other insiders Evans looks at the history and ideology behind the Islamic revolution to explore its very real threat to U S interests why radical Islamic terrorists will only step back when they fear us why victory in Iraq is important to

U S security why the United States and Israel cannot sit idly by and let Iran achieve its desire for nuclear weapons and why stabilization in Iraq now would sound defeat rather than victory *The Final Move Beyond Iraq* is a wake up call to mobilize millions to action America is fighting for its life in the first war of the twenty first century Comeback Alex
