How Art is Made Debra N Mancoff, 2023-11-23 *How Art Is Made* looks at renowned works of art from across the centuries and around the globe and asks the intriguingly simple question how were these works actually made Divided into two sections materials and methods each chapter showcases a single work of art which demonstrates the mastery and innovative use of a single material or method from oil paint pastel and pencil to woodcut litho and impasto Each work is presented as the centerpiece of a capsule history while comparative works are also included to help amplify our understanding How for example did Michelangelo paint the Sistine Chapel fresco or Turner become such a master of watercolor How did Warhol turn so effectively to screen printing and how does Yayoi Kusama create such beguiling infinity rooms The book enhances the experience of looking at great works of art and guides us to a deeper understanding of how they were created and why we regard them as so important [This is Tomorrow](#) Michael Bird, 2022-09-08 In *This is Tomorrow* Michael Bird takes a fresh look at the long twentieth century from the closing years of Queen Victorias reign to the turn of the millennium through the lens of the artists who lived and worked in this ever changing Britain Bird examines how the rhythms of change and adaptation in art became embedded in the collective consciousness of the nation and vividly

evokes the personalities who populate and drive this story looking beyond individual careers and historical moments to weave together interconnecting currents of change that flowed through London Glasgow Leeds Cornwall the Caribbean New York Moscow and Berlin From the American James McNeill Whistlers defence of his new kind of modern art against the British art establishment in the latter half of the 19th century to the Danish Icelandic artist Olafur Eliassons melting icebergs in London he traverses the lives of the artists that have recorded questioned and defined our times At the heart of this original book are the successive waves of displacement caused by global wars and persecution that conversely brought fresh ideas and new points of view to the British Isles educational reforms opened new routes for young people from working class backgrounds movements of social change enabled the emergence of female artists and artists of colour and the emergence of the mass media shaped modern modes of communication and culture These are the ebbs and flows that Michael Bird teases out in this panoramic account of Britain and its artists in across the twentieth century

Research Handbook on Art and Law Jani McCutcheon, Fiona McGaughey, 2020-01-31 Featuring international contributions from leading and emerging scholars this innovative Research Handbook presents a panoramic view of how law sees visual art and how visual art sees law It resists the conventional approach to art and law as inherently dissonant one a discipline preoccupied with rationality certainty and objectivity the other a creative enterprise ensconced in the imaginary and inviting multiple unique and subjective interpretations Blending these two distinct disciplines this unique Research Handbook bridges the gap between art and law
