Do Kingdom Practitioners Empowerment Ministries,2007 **101 Questions to Ask Each Other Before Getting Married** Azad Chaiwala,2018-09-27 This book consists of 100 tried and tested hugely significant compatibility questions that everyone needs to ask their future spouse prior to getting married to them One practical way of doing this is by way of what I call Marriage Meetings Introducing Marriage MeetingsA marriage meeting is where your potential partner and yourself plus two additional people get together in order to learn about each other The questions in this guide will be how you learn about each other without missing anything important Just as a pilot has a checklist before takeoff you have a checklist before getting married You don t have to understand how it works just have faith that it does and should you prevail and still marry this person opposite you then I can promise you that you will have a very high chance of a successful marriage What s the purpose of a marriage meeting Most relationships fail gradually Over time you learn new things about your partner some of which are not to your liking and thus negativity and regret starts to build up eventually leading to the failure of that

relationship Marriage meetings allow you to get all the skeletons demons out of the closet before any commitment is made Where should this meeting take place The marriage meeting should take place somewhere public It is absolutely important that you are not hidden away and there should be a safe and comfortable way for one party to leave should they choose to Pick somewhere quiet like a coffee shop a park etc somewhere populated but not too busy as to cause distraction or inconvenience Who will attend Both of you should bring one additional person Let s call them your check mate the mate who keeps you in check This is a responsible person who will have a level head and look out for your best interests Choose someone who will not hesitate to scrutinise the other person ask the questions maybe you will shy away from and ensure your are being the real you This person must be your senior though not necessarily age wise This could be a colleague a boss a family friend a senior family member or maybe someone of high standing from within your community The person you bring must be someone you trust and you must listen to them when they bring up concerns They must absolutely not be a yes man who will just go along with what you say otherwise they are useless to you Marriage Meetings are not dates These meetings are not to be confused with dates During dates one tends to woo and aim to please their potential partner in what I refer to the human equivalent of the mating dance But in marriage meetings one should set out to ask the questions so as to get a clear picture of their potential partner s stance in comparison to your own Why Marriage Meetings work and Conclusion I have done this personally and it has turned out quite awesome To me this is the practical method of getting married Some may not agree with my methodology and to them I wish good luck I am not here to say things that people want to hear but to make you happy in the long term I call it tough love The reason Marriage Meetings work is because you have no commitment with your potential spouse In most modern relationship people want to ask these questions but they don t due to fear of rejection or a backlash If your potential spouse is hesitant to follow this guide and methodology then perhaps they re not sincere about you or marriage Should you come up with a question of your own that I have not covered ask it and let me know too so I can add it to this guide Marriage is a life commitment and having a sudden crush is not good enough to sustain it A marriage must go deeper than that Continue inside the Book How the marriage guide came into being How to ask these questions and the 100 Questions to Ask Each Other Before Getting Married *20 Questions to Ask Before You Say, I Do* Jacqueline Ragland, 2017-11 They say every woman wants to get married I am not so sure about that especially when the sentence starts with they say Exactly who is the they Well it has now been revealed that the they is society Just like some men choose to be eunuchs the modern translation is single but straight for the sake of the gospel Matthew 19 12 For there are some eunuchs which were so born from their mother s womb and there are some eunuchs which were made eunuchs of men and there be eunuchs which have made themselves eunuchs for the kingdom of heaven s sake He that is able to receive it let him receive it 1 Corinthians 7 32 But I would have you without carefulness He that is unmarried careth for the things that belong to the Lord how he may please the Lord Many women have also chosen to be single for the sake of the gospel 1

Corinthians 7 34 There is difference also between a wife and a virgin The unmarried woman careth for the things of the Lord that she may be holy both in body and in spirit but she that is married careth for the things of the world how she may please her husband Everybody is unique and different and because the good Lord God our Father allows us the freedom to choose You can choose to be single or married Marriage was created by God the Father All born again Christian ladies before you say I Do you must know the right questions to ask for your marriage to be a forever after until death do us part These questions are designed to open up honest and candid dialogue that goes straight to the heart soul and spirit of a man you are about to marry Proverbs 17 28 Even a fool when he holdeth his peace is counted wise and he that shutteth his lips is esteemed a man of understanding **Things I'd Like to Know Before We Get Married** The Life Graduate Publishing Group, Romney Nelson, 2020-07-03 How well do you really know your future husband or wife Getting married is one of the most important decisions that you will ever make When you get married you are making a life long relationship commitment to your partner This journal is all about asking many of the questions that may never have been asked that perhaps you should know In this journal you will be provided with a wonderful opportunity to get to know your partner even more intimately than you do now You will develop a deeper understanding and connection of each other in a way you ve never had before by answering questions that will strengthen your relationship before tying the knot Things I d Like to Know Before We Get Married is a couple s guide to spend quality time connecting with your future partner and getting to know more of their background stories and what they feel about important things that come with marriage This will be a journal that you will cherish for many years to come The Guided Journal includes 3 Key Sections Section 1 Partner 1 Answers Story Section 2 Partner 2 Answers Story Section 3 Your Journey Together Stories memories and photos Over 80 Questions each covering childhood teenage years family Deep Meaningful questions Things You Did Not Know plus many more Some serious questions but also some very light hearted questions that prompt some storytelling to share favorite memories from over the years Perfect journal size of 6 69 x 9 61 inch This journal would make an excellent engagement gift or couples gift so each partner can develop a deeper connection with each other Make sure you know your partner Before You Get Married
