

The background of the cover is an abstract, high-contrast image. It features a complex, interlocking geometric pattern that resembles a woven or braided structure. The pattern is composed of dark, curved lines that form a series of interconnected loops and triangles. In the foreground, there are several metallic, reflective spheres or rings that appear to be part of the same geometric structure. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and three-dimensionality. The overall aesthetic is modern and technical, fitting for an engineering textbook.
