## 12 Immutable Universal Laws:

**Higher Powered** Shahryar Sadree,2016-03-15 You have more power than you will ever know It has been said that humans only use a small fraction of the minds ability What if you could unlock that unused potential and open the doorway to your dreams What if you could make that your reality Author Shahryar Sadrees Higher Powered A Book of Powerful Secrets to Finding Happiness takes you on a journey to open your mind awaken the spirit and unfold the real truth as to who you really are From there you will learn what it means to have power and your life can change forever Sadree pieces together historical events science and his own discoveries to pave a way to a better understanding of human behaviors He discusses the necessity of changing how we think to achieve a truly happy life In down to earth language and a friendly tone the author delves into why we think the way we do before embarking on the difficult yet achievable task of changing how we think Most of us have no idea how much power we have as creators inside a human body Higher Powered A Book of Powerful Secrets to Finding Happiness helps you find that power and use it optimally

**Law Of Attraction** Zachariah Albert,2019-07-26 Are you ready to manifest anything you want into your life Looking closely at our everyday life you will realize that the law of attraction is present all the time Most people do not notice the connection because of the time lag between their thoughts and the manifestation of their thoughts However there are some things that happen to us that we feel happened as a result of a coincidence not knowing it is the law of attraction that is at work For instance have you ever thought of calling a friend and the friend calls you around that time Or have you ever thought of picking up your phone and your phone rings at that instance These experiences are not coincidences they are a result of the law of attraction We get more of what we focus on in life That is why you need to get more creative with your thoughts In this book I am going to show you how you can consciously and deliberately attract good things into your life by aligning your thoughts in the right way Focusing more on things that make you happy increases your chances of attracting things that make you happy The other side of this is the negative side which is when you focus on things you are not happy about you tend to attract things that will make you sad For instance if you focus on wealth and good health you attract wealth and good health However if you focus on poverty you will attract a situation that will rob you of the little things you have gathered Here s a sneak preview of what you ll learn from this book What the Law of Attraction is The Science behind it How to attract Love using the LOA How to attract Money using the LOA How to attract Happiness using the LOA How to attract Health using the LOA How to be more Positive using the LOA How to Integrate the LOA into Your Daily Life and much much more Get your copy now

**The Holistic Guide to Hypnotherapy** Steve Webster C.Ht,2017-03-29 The Holistic Guide to Hypnotherapy is the most comprehensive and detailed guide to hypnotherapy yet The essence of hypnotherapy appears in a fluid light interspersed with information graphics interesting points famous quotes and humorous memes Detailed guides to the steps of hypnotherapy therapies modalities and alternate health options help both the novice and the professional Most hypnotists cannot hypnotize 60 percent of the

population and this book teaches you how to Your subconscious mind can never be ill and in this regard the book concludes with teaching you how to be a consciousness engineer and create the existence you desire and deserve The Holistic Guide to Hypnotherapy Steve Webster, 2017-03-29 The Holistic Guide to Hypnotherapy Here is the worlds most comprehensive and detailed revelation of the ancient art of hypnotherapy in two volumes Whether you are currently learning it practicing it a hypnotherapy professional or just plain interested in the amazing art of hypnotherapy this book will be your most valuable resource Hypnotherapy is not the only discipline covered in this huge store of knowledge among many other things you will learn about health from a holistic point of view benefits of nutrition meditation about relationships sexuality and more Steve Webster brilliantly explains Simple complex and metaphysical hypnotherapy The differences between hypnosis and hypnotherapy Approaches and amazing new techniques to use on different personality types How to use 18 Laws of Suggestibility to rid clients of illness disease and behavioral disorder and how to reprogram your mind Mechanics of hypnosis the scientific intricacies and 27 diagnostic tools to help you How to treat the top 35 afflictions like weight loss anxiety pain sleep disorders and social phobias Guided imagery neuroplasticity epigenetics neuro linguistic programming ideomotor responses and the power of dream venting Your clients coping blocking release and defense mechanisms Body syndromes how emotions affect us and the subconscious mind How one health disorder HHS might be responsible for 85% of afflictions The real Law of Attraction and how to make it work for you Steve has coined a new description for hypnotherapists Consciousness Engineers because thats what they are The clients consciousness creates their reality and the hypnotherapist adjusts that consciousness The subconscious mind vibrates at a level where it does not know illness disease and behavioral disorder but the conscious mind vibrates at a lower level and attracts these negative energies After reading the Consciousness Engineering section Volume 2 you will understand Your 3 minds their vibrational levels and how to increase your power of creation How to manifest anything and how to become an ascended master Learn what the subconscious mind is and how to guide your client to engage with it and harness its amazing powers The two volumes explain how you create your whole world and how to create a world that brings you and your clients joy and peace It explains levels of consciousness how to increase yours and how you are immortal in your quantum world With over 100 inductions deepeners and convincers with over 100 original diagrams and images and with over 100 informative tables and quotes This book really is your hypnotherapy Bible What's Your A-Game? Ayshea Chavez, 2018-08-17 In the game of life GOOD PLAYERS SEE THE TRUTH GREAT PLAYERS LIVE THE TRUTH What s Your A Game is a powerful tool for evaluating your current standing in the game of life With spirituality as the key focus this book offers ideas for upgrading your status The author offers you an opportunity to see if you are really a player in the game of life While many assume that they are players because they are alive this is not an accurate assumption In fact many people even some who consider themselves spiritually aware live life simply as spectators By outlining the various levels at which people choose to participate and live this book

supports self awareness through the fun and familiar analogy of sports Allow yourself to discover your current investment in living Are you really a player in the game of life     **The Great Physician** Lindsey P.
