Levi, Linda Bartoshuk, Rachel S. Herz, Roberta Klatzky, Daniel M Merfeld, 2018-07-03 Why does the sky look blue Why does sugar taste sweet Fully revised and updated this introductory full colour text provides comprehensive descriptions of the science behind vision hearing touch smell and taste The authors specialists in their respective domains strive to spread their enthusiasm for fundamental questions about the human senses and the impact that answers to those questions can have on medical and societal issues The book is appropriate for courses in Sensation and Perception taught in the Psychology Department and for courses in Perception Sensory Systems and Psychology of Perception New to This Edition The Scientists at Work feature looks at an important discovery and explains the process of experimentation and hypothesis testing Questions to Contemplate are a series of questions that appear at the beginning of each chapter that the student should be able to answer after reading the chapter **Sensation and Perception** Jeremy M. Wolfe, Keith Kluender, Dennis Levi, Rachel Herz, Linda Bartoshuk, Roberta Klatzky, Daniel Merfeld, 2020 Sensation and Perception Sixth Edition introduces students to their own senses emphasizing human sensory and perceptual experience and the basic neuroscientific underpinnings of that experience The authors specialists in their respective domains strive to spread their enthusiasm for fundamental questions about the human senses and the impact that answers to those questions can have on medical and societal issues This edition of Sensation and Perception offers an enhanced e book that includes learning objectives self assessment interactive figures and a robust hands on media package that is designed to engage students through demonstrations simulations and activities Sensation and Perception Jeremy M. Wolfe, Keith R. Kluender, Dennis M. Levi, Linda M. Bartoshuk, Rachel S. Herz, Roberta L. Klatzky, Daniel M. Merfeld, 2018-03-15 Published by Sinauer Associates an imprint of Oxford University Press Sensation Perception introduces students to their own senses emphasizing human sensory and perceptual experience and the basic neuroscientific underpinnings of that experience The authors specialists in their respective domains strive to spread their enthusiasm for fundamental questions about the human senses and the impact that answers to those questions can have on medical and societal issues *Sensation & Perception*

Jeremy M. Wolfe, 2006 Co authored by experts in each of the five senses this is an introductory text that gives students the descriptions of seeing hearing touching smelling and tasting It provides useful anecdotes and full colour illustrations throughout A companion website provides activities and demonstrations as well as additional reading topics **Sensation and Perception** Jeremy M Wolfe, Keith Kluender, Dennis Levi, Linda Bartoshuk, Rachel Herz, 2012-03-30 Why does the sky look blue Why does sugar taste sweet Fully revised and updated this introductory full colour text is written by experts in each of the five senses who convey the excitement of the field to students providing comprehensive descriptions of the science behind vision hearing touch smell and taste **Sensation and Perception** Jeremy M. Wolfe, 2024-06 We wrote the 6th edition of this book during COVID In a world that is returning to something like normal we are happy to be writing the 7th edition of **Sensation and Perception** and are grateful to have the chance to update the book The biggest change from the last edition is on the cover Keith Kluender our audition expert since the very first edition has retired His big academic shoes will be admirably filled by Lori Holt who has been a professor at Carnegie Mellon University but will be a professor at University of Texas Austin by the time you hold this textbook in your hands We thank Keith for all the hard work over the years and we look forward to working with Lori **Fundamentals of Sensation and Perception** Laura Levine, Michael W. Levine, Jeremy M. Shefner, 1996-12 **Sensation and Perception** Bennett L. Schwartz, John H. Krantz, 2023-09-09 Rich in examples and applications to everyday life **Sensation and Perception** Third Edition is a cutting edge and highly readable account of modern sensation and perception from both a cognitive and neurocognitive perspective **Sensation & Perception** Jeremy M Wolfe, 2020-10 Why does the sky look blue Why does sugar taste sweet Can my dog hear the same things I hear **Sensation Perception** is written by experts in each of the five senses who have a passion and enthusiasm for conveying the excitement of this field to students *Foundations of Sensation and Perception* George Mather, 2016-08-12 Do you wonder how movies sequences of static frames appear to move or why 3 D films look different from traditional movies Why does ventriloquism work and why can airliner flights make you feel disoriented The answers to these and other questions about the human senses can be found within the pages of *Foundations of Sensation and Perception* This third edition maintains the standard for clarity and accessibility combined with rigor which was set in previous editions making it suitable for a wide range of students As in the previous editions the early chapters allow students to grasp fundamental principles in relation to the relatively simple sensory systems smell taste touch and balance before moving on to more complex material in hearing and vision The text has been extensively updated and this new edition includes a new chapter devoted to attention and perception over 200 new references over 30 new figures and improved more colorful visual presentation a new companion website with a range of resources for students and lecturers The book contains a range of pedagogical features including tutorial sections at the end of each chapter This distinctive feature introduces areas of the subject which are rarely included in student texts but are crucial for establishing a firm foundation of knowledge Some

tutorials are devoted to more advanced and technical topics optics light measurement Bayesian inference but treated in an accessible manner while others cover topics a little outside of the mainstream music perception consciousness visual art Foundations of Sensation and Perception will enable the reader to achieve a firm grasp of current knowledge concerning the processes that underlie our perception of the world and will be an invaluable resource for those studying psychology neuroscience and related disciplines
