ABSTRACT

Like other Dalit autobiographies Sharankumar Limbale's *The Outcaste* reveals the self of a dalit, he has to suffer because of the hypocrisies and the prevalent traditions of the upper caste (Patil). In spite of the provisions in the constitution which safeguard the interest of the Dalits, they have to suffer because of the well defined social hierarchy based on caste, has existed in India from the time of antiquity. The present paper will bring out the life of the Dalits in the post independent India, the economic discrepancy, prevailing caste system, identity of a dalit and practice of untouchability.

Key Words:- Outcaste, Untouchable, Identity, Dalit

India is known for its peculiar form of caste system. It has stratified the society differenting human beings into upper castes and lower castes. This division has certain religious sanctions, based on which socio logists explain concepts such as 'purity' and 'pollution' (Louis Dumount). These sanctions help the caste system to renew its legitimacy even after they have been challenged over time. Raj Kumar believes:

The caste system- with its myriad variations of superordination and subordination, its confusions and contradictions, rites and rituals, vices and virtues, dogmas and doubts, professions and protests - is able to sustain itself across different regions of India in varying degrees of rigidity. (Kumar,135)

The untouchables, today known as the Dalits occupy lowest place in the social heirarchization and have been suffering systematic neglect and ostracization in the Indian Society for ages. With the emergence of Dalit literature, which is a part of Dalit liberation movement (Dalit Panther,1972), the Dalits are now conscious of their being and are ready to interrogate and challenge the hegemony of the upper castes and classes. Autobiographical narratives constitute a significant segment of Dalit literature. Some of the prominent Dalit autobiographies are; Omprakash Valmiki's *Jhoothan : A Dalit's Life*, Lakman mase's *Upans*, Bama's *Karukku*, Naraina Jadhav's *Outcaste: A Memoir*, Sharankumar Limbale's *The Outcaste* etc. Most [of these narratives are tales of personal sufferings of the Dalit writers fused with their interpersonal response and community feelings which they experience in a Hindu society.

Hindi Dalit Literature and the Politics of Representation Sarah Beth Hunt, 2014-08-07 This study explores how Dalits in north India have used literature as a means of protest against caste oppression Including fresh ethnographic research and interviews it traces the trajectory of modern Dalit writing in Hindi and its pivotal role in the creation rise and reinforcement of a distinctive Dalit identity The book challenges the existing impression of Hindi Dalit literature as stemming from the Dalit political assertion of the 1980s and as being chiefly imitative of the Marathi Dalit literature model Arguing that Hindi Dalit literature has a much longer history in north India it examines two differing strands that have taken root in Dalit expression the early popular production of smaller literary pamphlets and journals at the beginning of the 20th century and more contemporary modes such as autobiographies short stories and literary criticism The author highlights the ways in which such various forms of literary works have supported the proliferation of an all encompassing identity for the so called untouchable castes She also underscores how these have contributed to their evolving political consciousness and consolidation of newer heterogeneous identities making a departure from their long perceived image The work will be important for those in Dalit studies subaltern history Hindi literature postcolonial studies political science and sociology as well as the informed general reader The Famished Gods Dr. Praveen Kumar Anshuman, Ravi Prakash
