Abstract

Ship Muster List Wordpress

Victor M. Corman

A red circular graphic with a gradient, appearing as a semi-circle or a partial circle, located to the right of the author's name.

Ship Muster List Wordpress:

Black Ships and Sea Raiders Jeffrey P. Emanuel, 2017-12-20 The end of the Bronze Age in the Eastern Mediterranean was a time of social political and economic upheaval conditions reflected in many ways in the world of Homer's Odyssey. Jeffrey P. Emanuel examines the Odyssey's Second Cretan Lie (xiv 191-359) in the context of this watershed transition with particular emphasis on raiding warfare, maritime technology and tactics and the evidence for the so-called Sea Peoples who have been connected to the events of this period. He focuses in particular on the hero's description of his frequent raiding activities and on his subsequent sojourn in the land of the pharaohs and connections between Odysseus' false narrative and the historical experiences of one particular Sea Peoples group, the Sherden of the Sea.
