their backs      **Canadian Public Finance** J. C. Strick,1992      **Applied Microeconomics** Jonas Prager,1993

**Economics** Campbell R. McConnell,William Henry Pope,1987      **Economics of the Public Sector** Joseph E. Stiglitz,Jay K. Rosengard,2015-02-19 Thoroughly revised and updated to reflect the public finance landscape of today Economics of the Public Sector Fourth Edition focuses on the heavily changed post global recession world This new modern approach includes a discussion on global public goods in Chapter 5 which addresses the difficulty of coping with public health and security threats when they transcend government coping mechanisms while Chapter 8 examines corporatization and the transition from government enterprise to private enterprise An easily accessible book that teaches conceptual mastery instead of technical detail Stiglitz and Rosengard write with the student in mind Not only do they use accessible language but also the graphs throughout the text are simple and easy to understand Case studies and references to real world programs and policies such as Welfare Programs and the Redistribution of Income in Chapter 15 are found in the body of the text ensuring that students are introduced to policy applications while they read The text s international coverage reflects a global economy The authors introduce students to a global perspective by sharing their first hand experiences working with foreign governments      *Regulation, The Constitution, and the Economy* James Rolph Edwards,1998-12-03 Regulation The Constitution and the Economy demonstrates the constitutionally degraded and inherently dictatorial character of regulation its ineffectiveness in curing social ills and its use as a tool of special interests seeking personal gain in the form of money or power Regulation became prominent in the late medieval mercantile rent seeking societies but was little used in the United States until after the Civil War The author demonstrates the nature of regulation as antithetical to constitutional forms of law and an antidemocratic franchising of legitimate legislative authority to unelected persons He provides a history of industry regulation using transportation and public utilities that belies the public interest justification for such regulation and makes its rent seeking origins clear The history of social regulation proves less clear but shows the public harmed more than helped by it as exhibited through its enormous negative effect on productivity growth and economic activity
