Joshua A Parable For Today:

The Parables of Joshua Joseph F. Girzone, 2002-09-17 In the latest chapter of his bestselling Joshua series Joseph Girzone offers fresh inspiration in this collection of fifty never before published contemporary vignettes that underscore the most important lessons of the gospel Joseph Girzone's novels about Joshua the carpenter who transforms ordinary lives with words of peace and loving actions have sold more than three million copies and captured the hearts of readers around the world In The Parables of Joshua perhaps his most powerful book since the original Joshua Girzone distills the essence of Christian teaching in entertaining and inspiring bite sized tales set against the background of current society For some today the parables of the New Testament are quaint old fashioned stories with little relevance to everyday life in the twenty first century As Girzone writes in his Introduction I have heard the most callous people comment with such great piety on the parables that I could not help but wonder if we haven't made parables pleasant sounding fables about human situations long past but with no present day meaning In order to recapture their original vitality Girzone revives the timeless messages behind the original parables by dressing them in modern clothes presenting them through Joshua in a conversational style that will resonate with a modern audience *Joshua :a Parable for Today* Joseph F. Girzone, 1992 Joshua Joseph Girzone, 1995-04 A parable about Jesus living in modern times *Joshua* Joseph F. Girzone, 1993 Presents an allegorical tale about a quiet and unassuming young man whose powerful presence changes the lives of his small town neighbors General Fiction **Joshua and the Children** Joseph Girzone, 1995-04 Joshua works through the children to bring peace to a village beset by violence *Developing Christian Fiction Collections for Children and Adults* Barbara Jean Walker, 1998 This work provides the information necessary for librarians to start a collection of Christian fiction or build on an existing one Areas covered include an overview of the fiction available establishing a selection process and promoting the category within the library *Elenchus of Biblica* ,1990 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 **Joshua's Family** Joseph F. Girzone, 2007-05-15 This engaging prequel to Joseph Girzone's bestselling series which has sold more than 5 million books in the United States describes Joshua's early years and the first inklings of his destiny as a messenger of love in a troubled world Millions of readers around the world have followed the story of the gentle woodcarver and carpenter who was first introduced in 1983 in Joseph Girzone's beloved parable Joshua In JOSHUA'S FAMILY Girzone travels back in time painting a captivating portrait of the mother and father who nurtured Joshua and of the friends and neighbors who viewed the unusually precocious child with an uneasy balance of wonder and skepticism Joshua's extraordinary nature and mysterious gifts come to light even as he participates in the ordinary routines of small town life his gentleness and loving spirit imbue his interactions with contemporaries and adults alike As he grows from child to adolescent Joshua gradually awakens to the knowledge that he has been placed on earth for a special reason Leaving the comforts of family and a familiar world he moves to the outskirts of a distant town where he will begin to teach others how the powers of love tolerance and

understanding can heal the divisions in the human family and bring everlasting peace to the world This is the book so many have been waiting for and its powerful message is a much needed antidote to the difficulties in today s world *Subject Guide to Books in Print* ,2001 *Books in Print Supplement* ,1994 **Parables in Midrash** David Stern,1994 David Stern shows how the parable or mashal the most distinctive type of narrative in midrash was composed how its symbolism works and how it serves to convey the ideological convictions of the rabbis He describes its relation to similar tales in other literatures including the parables of Jesus in the New Testament and kabbalistic parables Through its innovative approach to midrash this study reaches beyond its particular subject and will appeal to all readers interested in narrative and religion
