

HUMPHREY CARPENTER

J.R.R. TOLKIEN

a biography

"Carpenter has an eye for the magic in what's pedestrian, and in his charge a 'quiet life,' such as Tolkien's, becomes an in-depth act of relish."
— Paul West, *Washington Post*

Jrr Tolkien A Biography Humphrey Carpenter

Marian A. Jacobs

Jrr Tolkien A Biography Humphrey Carpenter:

J.R.R. Tolkien Humphrey Carpenter,1977 Several million readers throughout the world have enjoyed The Hobbit The Lord of the Rings and The Silmarillion This is the authorized biography of their creator J R R Tolkien **J.R.R. Tolkien** Humphrey Carpenter,2014-03-04 The authorized biography of the creator of Middle earth One of the most interesting and readable biographies of a literary figure The Times In the decades since his death in September 1973 millions have read The Hobbit The Lord of the Rings and The Silmarillion and become fascinated about the very private man behind the books Born in South Africa in January 1892 John Ronald Reuel Tolkien was orphaned in childhood and brought up in near poverty He served in the first World War surviving the Battle of the Somme where he lost many of the closest friends he d ever had After the war he returned to the academic life achieving high repute as a scholar and university teacher eventually becoming Merton Professor of English at Oxford where he was a close friend of C S Lewis and the other writers known as The Inklings Then suddenly his life changed dramatically One day while grading essay papers he found himself writing In a hole in the ground there lived a hobbit and worldwide renown awaited him Humphrey Carpenter was given unrestricted access to all Tolkien s papers and interviewed his friends and family From these sources he follows the long and painful process of creation that produced The Lord of the Rings and The Silmarillion and offers a wealth of information about the life and work of the twentieth century s most cherished author J R R Tolkien left his impress upon a whole generation as few recent writers have done an excellent biography Newsweek A panorama of vignettes done with poise and exhaustive command A man emerges whole The Washington Post Book World **Tolkien's Lost Chaucer** John M. Bowers,2019-09-26 Tolkien s Lost Chaucer uncovers the story of an unpublished and previously unknown book by the author of The Lord of the Rings Tolkien worked between 1922 and 1928 on his Clarendon edition Selections from Chaucer s Poetry and Prose and though never completed its 160 pages of commentary reveals much of his thinking about language and storytelling when he was still at the threshold of his career as an epoch making writer of fantasy literature Drawing upon other new materials such as his edition of the Reeve s Tale and his Oxford lectures on the Pardoner s Tale this book reveals Chaucer as a major influence upon Tolkien s literary imagination **J. R. R. Tolkien** Colin Duriez,2012-10-10 Long before the successful The Lord of the Rings films J R R Tolkien s creations imagination and characters had captured the attention of millions of readers But who was the man who dreamt up the intricate languages and perfectly crafted world of Middle earth Tolkien had a difficult life for many years orphaned and poor his guardian forbid him to communicate with the woman he had fallen in love with and he went through the horrors of the First World War An intensely private and brilliant scholar he spent over fifty years working on the languages history peoples and geography of Middle earth with a consistent mythology and body of legends inspired by a formidable knowledge of early northern European history and culture J R R Tolkien became a legend by creating an imaginary world that has enthralled and delighted generations This delightful and accessible biography brings him to life

Colin Duriez has appeared as a commentator on DVDs of Peter Jackson's *The Lord of the Rings* and BBC television's *The Worlds of Fantasy*. He is also the author of *The Inklings Handbook* with the late David Porter, *J. R. R. Tolkien and C. S. Lewis: The Story of Their Friendship and Tolkien and The Lord of the Rings* and has contributed to definitive reference works *The Tolkien Encyclopedia* and a number of other tomes relating to Tolkien. **J.R.R. Tolkien** Humphrey Carpenter, 1978 **The Worlds of J. R. R. Tolkien** John Garth, 2020-06-09 An illustrated journey into the life and imagination of one of the world's best loved authors Tolkien's *Worlds* provides a unique exploration of the relationship between the real and the fantastical and is an essential companion for anyone who wants to follow in Tolkien's footsteps. *J. R. R. Tolkien* Eric Braun, 2021-08-01 The robust imaginative works of J. R. R. Tolkien have sparked the imaginations of readers around the world. From World War I soldier to bestselling author, trace the life of the man behind Middle Earth. *The Rough Guide to the Lord of the Rings* Angie Errigo, Paul Simpson, 2003 A guide to the characters, places, landscapes and artifacts of Middle-earth: profiles, hobbits, men, elves, dwarves, wizards and orcs. *Tolkien's Medievalism in Ruins* Nick Katsiadhas, Carl Sell, 2025-10-16 The structural and symbolic purposes of ruins in literary texts have a long history, yet few scholars explore their importance within J. R. R. Tolkien's legendarium. From the ruins of Erebor and the relics of Gondolin appearing in *The Hobbit* to the various images of Amon Sûl, Moria and Osgiliath in *The Lord of the Rings*, Tolkien constructs a distinct mood, one that captures characters' awareness of the glories of the past and a desire to emulate them. The scholars who do engage Tolkien's relics and ruins tend to limit the scope to Tolkien's debt to the Middle Ages. While such scholarship begins important conversations, the full story of Tolkien's relics and ruins is left untold. *Tolkien's Medievalism in Ruins* takes corrective action and expands this historical and critical literary scope. This collection seeks to promote a more comprehensive approach to Tolkien's legendarium. *The Making of Middle-earth* Christopher A. Snyder, 2024-10-08 This volume is perhaps the most in-depth exploration ever undertaken of Tolkien's world. Accessible but authoritative and fully illustrated, it is now being reissued with a stunning new cover treatment and updated commentary on new books, films, games and shows. This book, originally published in 2013 and richly illustrated with photographs and artwork, was the first to connect all the threads of influence on Tolkien that infused his creation of Middle-earth: from the languages, poetry and mythology of medieval Europe and ancient Greece and Rome to the halls of Oxford and the battlefields of World War I. Snyder examines the impact of these works on our modern culture from 1960s counterculture to fantasy publishing, gaming, music and beyond. The reissue has a gorgeous updated cover design with a custom illustration on foil-stamped faux cloth and additional pages of material covering new developments. **British Identity in World War I** Mary K. Laurents, 2020-12-10 This book analyzes the development of the Lost Generation narrative following the First World War. The author examines narratives that illustrate the fracture of upper-class identity, including well-known examples of the Lost Generation: Robert Graves, Siegfried Sassoon and Vera Brittain, as well as other, less typical cases: George Mallory and J.R.R. Tolkien, to demonstrate the effects of the First World War on British society, culture and

politics **J.R.R. Tolkien's Double Worlds and Creative Process** A. Zettersten, 2011-04-25 A close colleague of Tolkien for many years Zettersten offers here a personally informed analysis of his fiction In light of his unusual life experience and enthusiasm for the study of languages Zettersten finds in Tolkien's fiction the same animating passions that drove that great author as a youth a soldier a linguist and an Oxford Don *Tolkien* Humphrey Carpenter, 1985-01-01 Carefully traces Tolkien's life revealing surprising links between his own experience and his written works especially *The Lord of the Rings* and *Silmarillion* [16 Marriages That Made History](#) Gerard Castillo, 2017-03-31 [The Secret Shire of Cotswold](#) Steve Ponty, 2017-08-11 Steve Ponty researched the topography of the Cotswolds and unearthed J R R Tolkien's Shire by comparison between the maps of Middle and Mother earth Apart from the secrets of geography hidden in the epic story there are allusions never revealed before this brand new perspective to personalities contemporary with Tolkien's writings [On Magic & Miracles](#) Marian A. Jacobs, 2025-07-01 From classic fantasy like *The Lord of the Rings* and *The Chronicles of Narnia* to modern stories like *Harry Potter* Christians have been debating the issue of fictional magic for decades Some believers read and write fantasy as an expression of their God given creativity while others feel this is dangerous and ignorant of the growing threat of the occult Deuteronomy 18 says spells and other forms of magic are an abomination but how does that apply to fantasy magic Is there a difference between the Deep Magic of Aslan at the Stone Table and the spells in *Harry Potter* Is it possible for fictional magic to lead someone into the occult Adults and children alike have wrestled with these questions as the fantasy genre exploded into one of the most popular book and film genres on the market In this guidebook Marian A Jacobs explores the theology of magic gleaned from contextual clues surrounding supernatural events in the Bible These scriptural principles can assist readers movie lovers gamers and parents in discerning how fantasy can both edify and honor God *On Magic and Miracles* aims to answer the following questions What is the difference between magic and miracles in the Bible Is magic real And if so does it pose a genuine threat Could books like *Harry Potter* lead someone into the occult What is the importance of fantasy for Christians How can I discern fantasy books films and games for myself and my children

Approaches to Teaching Tolkien's *The Lord of the Rings* and Other Works Leslie A. Donovan, 2015-10-01 A philologist and medieval scholar J R R Tolkien never intended to write immensely popular literature that would challenge traditional ideas about the nature of great literature and that was worthy of study in colleges across the world He set out only to write a good story the kind of story he and his friends would enjoy reading In *The Hobbit* and in *The Lord of the Rings* Tolkien created an entire world informed by his vast knowledge of mythology languages and medieval literature In the 1960s his books unexpectedly gained cult status with a new generation of young countercultural readers Today the readership for Tolkien's absorbing secondary world filled with monsters magic adventure sacrifice and heroism continues to grow Part 1 of this volume *Materials* introduces instructors to the rich array of resources available for teaching Tolkien including editions and criticism of his fiction and scholarship historical material on his life and times audiovisual materials and film adaptations

of his fiction The essays in part 2 Approaches help instructors introduce students to critical debates around Tolkien's work its sources its influence and its connection to ecology religion and science Contributors draw on interdisciplinary approaches to outline strategies for teaching Tolkien in a wide variety of classroom contexts

The Great British Dream Factory

Dominic Sandbrook, 2015-10-01 SPECTATOR BOOKS OF THE YEAR 2015 Britain's empire has gone Our manufacturing base is a shadow of its former self the Royal Navy has been reduced to a skeleton In military diplomatic and economic terms we no longer matter as we once did And yet there is still one area in which we can legitimately claim superpower status our popular culture It is extraordinary to think that one British writer J K Rowling has sold more than 400 million books that Doctor Who is watched in almost every developed country in the world that James Bond has been the central character in the longest running film series in history that The Lord of the Rings is the second best selling novel ever written behind only A Tale of Two Cities that the Beatles are still the best selling musical group of all time and that only Shakespeare and the Bible have sold more books than Agatha Christie To put it simply no country on earth relative to its size has contributed more to the modern imagination This is a book about the success and the meaning of Britain's modern popular culture from Bond and the Beatles to heavy metal and Coronation Street from the Angry Young Men to Harry Potter from Damien Hirst to The X Factor

The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of

Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art

J. R. R. Tolkien's Sanctifying Myth Bradley J. Birzer, 2014-05-13 Since the appearance of The Lord of the Rings in 1954 J R R Tolkien's works have always sold briskly appealing to a wide and diverse audience of intellectuals religious believers fantasy enthusiasts and science fiction aficionados Now Peter Jackson's film version of Tolkien's trilogy with its accompanying Rings related paraphernalia and publicity is playing a unique role in the dissemination of Tolkien's imaginative creation to the masses Yet for most readers and viewers the underlying meaning of Middle earth has remained obscure Bradley Birzer has remedied that with this fresh study In J R R Tolkien's Sanctifying Myth Understanding Middle earth Birzer explains the surprisingly specific religious symbolism that permeates Tolkien's Middle earth legendarium He also explores the social and political views that motivated the Oxford don ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T S Eliot Dante and C S Lewis Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us every day a world that transcends the colorless disenchantment of our postmodern age A small knowledge of history Tolkien once wrote depresses one with the sense of the everlasting weight of human iniquity As Birzer demonstrates Tolkien's recognition of evil became mythologically manifest in the guise of Ringwraiths Orcs Sauron and other dark beings But Tolkien was ultimately optimistic even weak bumbling hobbits and humans as long as they cling to the Good can finally prevail Bradley Birzer has performed a great service in elucidating Tolkien's powerful moral vision

Getting the books **Jrr Tolkien A Biography Humphrey Carpenter** now is not type of inspiring means. You could not single-handedly going taking into account ebook addition or library or borrowing from your links to entre them. This is an categorically simple means to specifically acquire guide by on-line. This online declaration Jrr Tolkien A Biography Humphrey Carpenter can be one of the options to accompany you gone having further time.

It will not waste your time. undertake me, the e-book will categorically publicize you further matter to read. Just invest little era to entrance this on-line pronouncement **Jrr Tolkien A Biography Humphrey Carpenter** as with ease as evaluation them wherever you are now.
