Should the Church Teach Tithing? Russell Kelly, Ph.D., 2001-01-11

Following a thorough examination of every biblical text on tithing, Dr. Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving. After discussing sound biblical reasons for Christians to replace tithing, he presents God's better principles of grace. Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing. Following several chapters which discuss disputed texts relating to pastoral support, this book traces the early development of church support as found in the

Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing
