

Stanza I (Lines 1-11)
Lines 1-2

In Xanadu did Kubla Khan

A stately pleasure dome decree:

- Here's the famous opener.
- This line gets a lot of work done quickly. It introduces us to the title character (Kubla Khan), and begins to describe the amazing setting of the poem (Xanadu).
- That "stately pleasure dome decree" means that he had a really fancy and beautiful palace built.
- We want you to know right away that Coleridge is actually talking about a real place and a real guy.
- Kubla Khan was the grandson of the legendary Mongol conqueror Genghis Khan, and he built a summer palace (called Xanadu, in English) in Mongolia.
- Marco Polo visited Xanadu, and helped to start the legend of its magnificence.
- We're starting with actual history here, although by Coleridge's time Xanadu is already a bit of a legend.
- Keep this little historical nugget in mind, as you read. Does this feel like a real place and a real person? Or does it seem completely imaginary? Maybe a little of both?

Lines 3-5

Where Alph, the sacred river, ran

Through caverns measureless to man

Down to a sunless sea

- The speaker begins to describe the geography of Xanadu. He starts by introducing us to the River Alph.
- There's certainly no river in Mongolia by this name. Some scholars think that this is an allusion to the river Alpheus, a river in Greece that was made famous in classical literature.
- The name "Alph" might also make us think of the Greek letter "Alpha" which is the first letter of the Greek alphabet, and a symbol of beginnings.
- These associations, and the fact that the river has a name at all, really make the Alph stand out in the beginning of this poem.
- Notice how Coleridge is already stepping away from history: he is transforming this place, this person, and this story into his own creation.

Kubla Khan Explanation Line Line:

□ **Kubla Khan** □ **Poetic Structure, Hypnotic Quality and Cognitive Style** Reuven Tsur, 2006-02-07 This book endorses Coleridge's statement nothing can permanently please which does not contain in itself the reason why it is so. It conceives *Kubla Khan* as of a hypnotic poem in which the obtrusive rhythms produce a hypnotic emotionally heightened response giving false security to the Platonic Censor so that our imagination is left free to explore higher levels of uncertainty. Critics intolerant of uncertainty tend to account for the poem's effect by extraneous background information. The book consists of three parts employing different research methods. Part One is speculative and discusses three aspects of a complex aesthetic event: the verbal structure of *Kubla Khan*, validity in interpretation and the influence of the critic's decision style on his critical decisions. The other two parts are empirical. Part Two explores reader response to gestalt qualities of rhyme patterns and hypnotic poems in perspective of decision style and professional training. Part Three submits four recordings of the poem by leading British actors to instrumental investigation.
