Proceedings of the International Seminar SEMANTIKS & PRASASTI 2023 Theme: Language in the Workplace (PRASASTI 2023) Djatmika

Djatmika, Riyadi Santosa, Agus Hari Wibowo, Dyah Ayu Nila Khrisna, Bahtiar Mohamad, 2023-12-22 This is an open access book Language in the workplace has been increasingly interesting object of language study The gathering of language speakers with various social and cultural backgrounds makes the workplace a rich place with linguistic data for research Varieties of spoken or written language interaction between co workers miscommunication meaning coming up in the interaction the new technical terms related to certain professions and language for virtual work are some many phenomena of language in the workplace that can become the object of linguistic research

Situating Inquiry Linda K. Thompson, Mark Robin Campbell, 2013-01-01 This volume of Advances in Music Education Research with the idea of research as situated inquiry We intend this metaphor to stand for a general description of the contextualized processes music education researchers use to frame generate augment and refine knowledge The works in this volume illustrate the many ways in which knowledge has been constructed out of multiple approaches to studying an idea or exploring questions All seek to expand our knowledge of music education in some form How we go about engaging in knowledge construction and what we learn from the different

processes involved is a function of the activities contexts and cultures in which our work is situated Both knowledge and action is located that is research is placed positioned or embedded Lave Wenger 1990 Each study illustrates these ideas All are informed by different theoretical frameworks use different pathways to explore problems of interest and concern and have something important to say to different constituencies or stakeholders All however are the result of perceived phenomena or human interpretations of a context Situated inquiry is neither a quantitative nor qualitative approach to research nor is it a mixed methods approach Rather situated inquiry is a function of the beliefs and behaviors of the individuals involved in it It is also a function and outcome of the individuals who seek to join a community of practitioners who practice and engage in research Although the authors in this volume identify with or have self selected to employ specific kinds of approaches they exemplify their communities of practices by the very discourses and structures of their reports Active perception however remains central to their inquiry and to the way they frame generate augment and refine knowledge

Writing in Social Spaces Rowena Murray, 2014-08-13

Writing in Social Spaces addresses the problem of making time and space for writing in academic life and work of the professionals and practitioners who do academic writing Even those who want to write who know how to write well and who have quality publications report that they cannot find enough time for writing Many supervisors are unsure about how to help postgraduates improve their writing for thesis and publication Whilst the problem does presents through concerns with time it is also partly about writing practices academic identities and lack of motivation This book provides a research based theorised approach to the skill of writing whilst retaining a link to writing practices and giving immediate yet sustainable solutions to the writing problem It supplies new theory and practice on socializing writing in progress and writing with others exploring the alternation of conscious and unconscious internal and external processes in academic writing whilst in a social grouping Applying social processes in the writing process Using case studies and vignettes of writing in social spaces to illustrate the theory in practice This book is a valuable resource for academics scholars professionals and practitioners as

well as researchers at all stages of their career and in all disciplines Handbook of Research on Active Learning and the Flipped Classroom Model in the Digital Age Keengwe, Jared, 2015-11-12 The notion of a flipped classroom draws on such concepts as active learning student engagement hybrid course design and course podcasting The value of a flipped class is in the repurposing of class time into a workshop where students can inquire about lecture content test their skills in applying knowledge and interact with one another in hands on activities The Handbook of Research on Active Learning and the Flipped Classroom Model in the Digital Age highlights current research on the latest trends in education with an emphasis on the technologies being used to meet learning objectives Focusing on teaching strategies learner engagement student interaction and digital tools for learning this handbook of research is an essential resource for current and future educators instructional designers IT specialists school administrators and researchers in the field of education

Individualizing Professional Development Vicki R. Husby, 2005-03-10 Developed around an unassailable conceptual framework of adult learning theory self directed learning action research critical reflection and group learning Husby pointedly addresses the interests and standards of society her individualized professional development program provides for professional accountability because individuals goals must impact student achievement and it adheres to professional standards as explicated by the National Staff Development Council From the Foreword by Jo Blase Professor of Educational Leadership University of Georgia This book makes a distinct contribution to the field by stressing ownership of growth by the adult learner and the role of the facilitator in creating a fertile environment for growth It fills an unmet need on the market Mike Ford Superintendent of Schools Phelps Clifton Springs Central School District NY I was completely engrossed with this book Husby hit on all the important steps in establishing a staff development program and explains not only the how but also the why Catherine Kilfoyle Duffy English Language Arts Chairperson Three Village Central School District East Setauket NY Provide learner focused professional development that builds organizational capacity When teachers direct their own professional growth activities learning is more meaningful and effective But how can a program capitalize on this fact while remaining focused on larger school and district performance goals Individualizing Professional Development explains how to satisfy both individual needs and preferences of teachers and organizational demands for accountability and improved student achievement Author Vicki R Husby integrates best practices of adult learning action research and self directed learning into a job embedded professional development process that successfully joins these sometimes competing goals Designed as a how to manual this accessible resource includes Step by step directions for designing and implementing a program Mini lesson directions and materials A reproducible learning plan template Examples of participants individualized learning plans Typical teacher commentary in response to the program Considering today s high stakes educational environment the need for this flexible sustainable and inexpensive professional development program has never been greater Discover the tools and strategies to facilitate individualized teacher learning and improve academic performance

Qualitative Diary Methods Laura Radcliffe, Leighann Spencer, 2025-04-29 Qualitative diary methods QDMs are a versatile range of multi modal data collection methods that involve participants recording events and experiences and emotions and reflections as they happen on multiple occasions and over a particular time period These data collection methods include a pen and paper diary as well as other electronic modes of diary keeping including text but also audio photo video and app based diaries that allow for a range of modalities This book covers the diversity of QDM options available to researchers providing a clear rationale as to when and why different qualitative diary methods could be used The authors consider research design and ethical considerations for each of the distinct QDM approaches and provide end of chapter checklists and activities to help readers apply the methods to their own research **EBOOK: Succeeding with your Master's Dissertation: A Step-by-Step Handbook** John Biggam, 2018-02-16 What do I need to do to write a literature context or systematic review How do I explain my research methods and write up my findings Help How do I prepare for a viva This essential handbook carefully guides the student through the entire dissertation process from start to finish offering clear straightforward and practical advice Biggam uses clear illustrations of what students should do or not do to reach their full potential helping them to succeed with their dissertation and avoid common pitfalls along the way Thoroughly updated this popular book takes the student from research proposal through literature reviews research methods and writing up referencing and avoiding plagiarism through to submission and marking featuring New chapter on Introducing the Master's Dissertation focusing on the skills you need to succeed New material on Contextual Review for computer science art and performance art students Updated material on the benefits of using university library databases and social media in research Expanded advice on the emotional journey and where to find assistance and support New Research Methods chapter for art drama and computer science students This is key reading for any social science business humanities or healthcare student required to complete a dissertation as part of their studies It will also prove useful for undergraduate students considering postgraduate studies and for supervisors facilitating dissertation supervision This book is a really excellent and friendly guide through the Master's dissertation process It is clearly and engagingly written and easily understandable to a student It also guides students gently from a general understanding in the first chapter down to a significant level of detail in each subsequent chapter with worked examples and relevant practical tips It also usefully highlights common mistakes The book presents a realistic view of undertaking a Master's degree presenting the generic skills needed for success and acknowledging that life outside the dissertation is complex messy and can sometimes get in the way It is particularly useful and relevant to my students as unlike many other books on this topic it does not ignore practice based forms of research in fact the book includes a substantial chapter on practice as research in the creative disciplines This chapter includes software alongside creative arts and is therefore particularly suitable for inter or multi disciplinary postgraduates using technology to enhance their existing understanding of a subject or their practice through research I also really like the fact that the chapter

on Abstracts is at the end where it belongs and that students are explicitly told to write it last no matter how many times I tell my students this it is a common and recurring mistake Daisy Abbott School of Simulation and Visualisation The Glasgow School of Art UK The dissertation component of a Master s programme can be very daunting for students In this book John Biggam demystifies both the concept and process of a dissertation Biggam clearly explains the different parts of a dissertation and offers a pragmatic structure which can be used by students to help frame their ideas Also the guidance given in the book is written in a reassuring tone which is never patronising The summary on good practise in dissertation writing should be particularly useful during the planning stage and as a final check for students Dr Donna Murray SFHEA Head of Taught Student Development Institute for Academic Development The University of Edinburgh UK

Becoming and Supporting Online Adjunct Faculty in a Gig Economy Robinson, Jennifer L.,2023-10-04 A gig economy is a system where employers hire independent and qualified workers for short term contracts While this might seem like a system worlds away from higher education this is very much a common system embraced by colleges and universities Being an adjunct faculty member has resulted in many highly educated people becoming part of the gig economy Becoming and Supporting Online Adjunct Faculty in a Gig Economy provides information on the many challenges and potential solutions that can be leveraged as an online adjunct faculty member Covering topics such as collaboration with full time colleagues curating resources for online courses and maintaining working relationships this book is ideal for adjunct faculty administrators students researchers and academicians
