also written about experiences in cities such as Paris London Marrakech and Prague which he viewed through a characteristically Iranian lens and in which Iran was always on his mind and in his heart Such miscellanies are always difficult to describe and categorise Is Bekhrad s book a travelogue memoir work of prose or historical document Perhaps it is none of the aforesaid or perhaps it is all at once Regardless of how one wishes to present the book if there is one thing that can be said with certainty it is that in telling stories about other people and places Bekhrad has ultimately written a book about a starry eyed Iranian dreamer with his head in the clouds that is to say he has as he is often wont to do written a book about himself
