cultural Japan that foreigners perceive It also reveals historical continuity in the way Japanese language is perceived and promoted by policy makers and how the current practices of Japanese language teaching in Asian countries have been shaped within the framework of international exchange which has been a key concept in Japanese foreign policies since the 1970s It particularly considers the concept of Cool Japan as a symbol of Japan's interpretation of its cultural power and offers a thoughtful assessment of the future of Japanese as a form of soft power in Asia as the country prepares for the 2020 Tokyo Olympics
