Christian Zionism Faydra L. Shapiro, 2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement's pro Israel politics or its theology. What if we listened seriously to what Christian Zionists and Jewish partners said about Jews, Judaism, and Israel? Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications. Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship, community centers, rallies, and of course in Israel. As such, Christian Zionism is a useful case that allows us to think about contemporary Jewish-Christian relations in new ways. While some would argue that this is really just about pro-Israel alliance building, Christian Zionism Navigating the Jewish-Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity. Christian Zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty-first century.

Donald Trump and the War on the "Silent Enemy" Rhonda Rivera, 2021-11-21 Rhonda Rivera seeks to dispel the silent enemy that is at war with Christians and President Donald J. Trump in this call to action. While the enemy Satan is very silent, he is plaguing our nation. But by remaining faithful and staying strong in prayer, this enemy can be defeated, and Trump's mission to bring prayer back to schools and society at large can be accomplished. The author praises Trump for standing up for the unborn, noting that he's said on many occasions that every child is a gift from God. Trump said, "Together we must protect the sanctity of every human life, and when we glimpse the image of a baby in the womb, we glimpse the majesty of God's creation, and when we hold a newborn in our arms, we know the love that each newborn brings to a family." The author's earnest prayer is to lead others to the understanding that it is the Lord alone who can rewrite history and keep us safe until His return. He is in this battle with us, and we will win. *The Appointed Time* Zachary D. Ball, 2024-07-23 The book of Daniel is a difficult study for even the eager Bible student, but its importance to the evangelical church is indisputable, especially regarding eschatology. Many times its content is randomly selected to formulate man-made narratives about the end times that create confusion and misinformation in the church. How to read Daniel is essential for understanding its theological power, especially its predictive prophecy. This project will demonstrate its past fulfillments, its influence on Jesus' first-century attempts to save Israel, and how it has been manipulated to assert false eschatological predictions. Understanding Daniel's appointed time is crucial to its message. *Overcoming Orientalism* Tamara Sonn, 2021-05-28 Since John Esposito published his first book nearly 40 years ago, he has been guiding readers beyond misleading and dangerous stereotypes of Muslims. The essays in this volume highlight the contributions of scholars from a variety of disciplines who like Esposito present Islam as a multi-faceted and dynamic tradition embraced by communities in globally interconnected but substantially diverse contexts over the centuries.
