

Damn kids. They're all ALIKE...

but **did you** in your three-piece psychology and physics technobrain, ever take a look behind the eyes of the hacker?
Did you ever wonder what made him tick... what forces shaped him... what may have molded him?

I... a hacker enter my World....

mine is a world that begins with school.

I'm smarter than most of the other kids, this crap they teach us bores me.

Damn undersevvtt.

They're all alike.

I'm in junior high or high school.

I've listened to teachers ~~explain~~ for the fifteenth time how to reduce a fraction. I understood it.

Damn kid.

"No, Ms. Smith, I didn't show my work. I did it in my head."

Probably copied it.

They're all alike.

I made a discovery today. I found a computer. Well, a computer, this is different from what I want it for. If it makes a mistake, it's because I screwed it up.
Not because it doesn't like me... Or feels threatened by me... Or it's in a bad mood... Or doesn't like teaching and shouldn't be here...

And then it happened... a door opened to a world... nothing down here for me but a hero... a hero is a kid. All he does is play games. They're all alike.
an electronic door to a world where... from the four-to-five incompetencies is sought... a board is for

"This is it... **this** is where I belong."

I know everyone here... even if I've never met them, never talked to them, may never hear from them again... I know you all...

Damn kid. Tying up the phone line again. They're all alike.

You bet your ASS we're all alike.

We've been spoon-fed baby food at school when we hungered for more... the bits of **meat** that you give us slip through were pre-chewed and tasteless.

We've been dominated by **authority** for years, every day we have been told to do what we are told to do. Each time we waiting pupils.

This is our world now...
