Luther on Leadership David D. Cook, 2017-12-05 As a leader Martin Luther shook the world Yet oddly enough while a great deal has been written about his life theology and legacy few authors have taken the time to examine his leadership characteristics Luther on Leadership fills this gap by examining his life in light of modern leadership theories This book looks at Luther's life from a variety of angles to show why he was such an effective leader With chapters focusing on Luther as a change agent transformational leader adaptive leader and more this work will help the reader understand why Luther transformed the landscape of Europe Examining not only his theological contributions but also his contributions in fields such as law politics economics and education Luther on Leadership aims to give a holistic picture of Luther as a leader in many areas of society

Building for the Arts Peter Frumkin, Ana Kolendo, 2014-03-06 Over the past two decades the arts in America have experienced an unprecedented building boom with more than sixteen billion dollars directed to the building expansion and renovation of museums theaters symphony halls opera houses and centers for the visual and performing arts Among the projects that emerged from the boom were many brilliant successes Others like the striking addition of the Quadracci Pavilion to the Milwaukee Art Museum brought international renown but also tens of millions of dollars of off budget debt while offering scarce additional benefit to the arts and embodying the cultural sector's worst fears that the arts themselves were being displaced by the big status driven architecture projects built to contain them With *Building for the Arts* Peter Frumkin and Ana Kolendo explore how artistic vision funding partnerships and institutional culture work together or fail to throughout the process of major cultural construction projects Drawing on detailed case studies and in depth interviews at museums and other cultural institutions varying in size and funding arrangements including the Art Institute of Chicago Atlanta Opera and AT T Performing Arts Center in Dallas Frumkin and Kolendo analyze the decision making considerations and challenges and identify four factors whose alignment characterizes the most successful and sustainable of the projects discussed institutional requirements capacity of the institution to manage the project while maintaining ongoing operations community interest and support and sufficient sources of funding How and whether these factors are strategically aligned in the design and execution of a building initiative the authors argue can lead an organization to either thrive or fail The book closes with an analysis of specific tactics that can enhance the chances of a project's success A practical guide grounded in the latest scholarship on nonprofit strategy and governance *Building for the Arts* will be an invaluable resource for professional arts staff and management trustees of arts organizations development professionals and donors as well as those who study and seek to understand them

One Foot Planted in the Center, the

Other Dangling Off the Edge Gordon R. Dragt, 2009 Leadership is intentional It is a calling It takes a survivor One Foot Planted in the Center the Other Dangling off the Edge tells the story of how one man with a vision turned a New York City church with a history of failure into a mecca of the arts diversity and celebration Using humor and practical suggestions Reverend Gordon Dragt guides and inspires others to overcome leadership challenges and utilize every resource in bringing new life to their organization This book is a valuable tool providing fresh perspectives and numerous examples of how to be a transformational leader bringing about change in an increasingly diverse world Be prepared for hard work perseverance and an adventurous journey Transformational leadership is not for the faint of heart *Healthy Leadership for Thriving Organizations* Justin A. Irving, 2023-12-19 Outreach 2025 Resource of the Year Leadership The devastating effects of toxic work environments are top news Everyone seems to understand that healthy organizations nurture flourishing individuals and societies flourishing that Jesus desires for all of us How can Christian business and ministry leaders create a positive organizational culture and identity Justin Irving has spent twenty years studying teaching and reflecting on organizational leadership Drawing wisdom from the Bible contemporary leadership theory and the insights of over two hundred executive leaders Irving provides a theological framework that makes human flourishing the driving motivation for leading organizations well He helps readers invest in their own growth to become leaders who motivate inspire and nurture But he broadens the view to help readers see how different levels of leadership the dynamics and interdependence of teams and of the whole organization work together He then offers practical insights on building teams culture and effective communication and on navigating the storms of crisis and change *On Effective Leadership* G. Chandler, 2013-02-04 Using case studies from a wide range of fields and historical settings On Effective Leadership seeks to explain why some leaders are effective why many are not and why only a very few are exceptional **Why Not Lead?** Deborah E. Reidy, 2012-04 Leadership can be exercised by anyone who cares enough You don't need to have a title be charismatic or even have confidence You just need to be motivated to make a difference in the lives of people or causes you care about In Why Not Lead author Deborah E Reidy provides a practical and accessible guide for families of people with disabilities and their allies who are motivated to bring about positive change and who are looking for guidance on their journey Drawn from decades of experience Why Not Lead uses a combination of case studies short narratives and personal exercises to provide an understanding of what leadership is to assist in strengthening your motivation and to deepen your understanding and application of core leadership practices Wonderful heartfelt useful Reidy's insights and stories illuminate the meaning of life and the practices of leadership Ron Heifetz author teacher and founder of the Center for Public Leadership at Harvard University Women, Church, and Leadership: New Paradigms Eunjoo Mary Kim, Deborah Beth Creamer, 2012-04-06 This book is about leadership a scholarly and pastoral response to the urgent demand for the renewal of the contemporary Christian church It challenges readers to articulate the identity and vision of the church in new ways and encourages them to

revitalize their ministry with fresh insight and passion from women's perspectives. The eight essays written by female scholars in relation to various areas of theological study and the nine pastoral responses to the essays written by ministers from seven different denominations based on their experiences of actual ministerial settings provide new paradigms of church leadership: theologically profound, practically relevant, and historically timely. This volume, a product of a collaborative process between academia and church, promises to be a most useful resource to renew the leadership of the church and its vocational commitment to the transformation of the church and society.

From Starship Captains to Galactic Rebels Kimberly Yost, 2013-12-12. Real world leaders hold the fates of companies, armies, and nations in their hands, but the leaders portrayed in science fiction play for larger stakes. Their decisions determine the survival of species, planets, or reality itself. They tend therefore to be larger than life characters like Doc Savage, Obi Wan Kenobi, and Captain James T. Kirk. In *From Starship Captains to Galactic Rebels*, Kimberley Yost brings the principles of leadership studies to bear on characters from a quarter century of classic science fiction television series, examining how their adventures can illuminate the challenges of real world leadership. These in-depth case studies cover a full range of science fictional leaders from conventional heroes such as Jonathan Archer of *Star Trek Enterprise* to William Adama and Laura Roslin, the dark conflicted protagonists of *Battlestar Galactica*. Charismatic rebels like Malcolm Reynolds of *Firefly* and the ragtag fugitives of *Farscape* stand alongside pillars of the establishment like John Sheridan of *Babylon 5*. In her analysis, Yost considers emerging, flawed, and failed leaders as well as successful ones: women as well as men, and aliens as well as humans. An insightful examination of how leadership is represented on the small screen, *From Starship Captains to Galactic Rebels* will appeal not only to fans of televised science fiction but also to those grappling with the problems of leadership regardless of their species.

The Innovative Church Scott Cormode, 2020-09-15. The church as we know it is calibrated for a world that no longer exists. It needs to recalibrate in order to address the questions that animate today's congregants. Leading congregational researcher Scott Cormode explores the role of Christian practices in recalibrating the church for the twenty-first century, offering church leaders innovative ways to express the never-changing gospel to their ever-changing congregations. The book has been road tested with over one hundred churches through the Fuller Youth Institute and includes five questions that guide Christian leaders who wish to innovate.

Improving Leadership in Nonprofit Organizations Ronald E. Riggio, Sarah Smith Orr, 2004. This title addresses the unique challenges of leading nonprofit organizations, including a unique focus on the personal development of the nonprofit leader. This important resource covers board governance, motivating and evaluating employees and volunteers, and meeting funding challenges.

The New CIO Leader Marianne Broadbent, Ellen Kitzis, 2005. As information technology becomes increasingly essential within organizations, the reputation and role of the CIO has been diminishing. To regain credibility and avoid obscurity, CIOs must take on a larger, more strategic role. Here is a blueprint for doing exactly that. This book shows how CIOs can bridge the gap between IT and the rest of the organization and finally make IT a strategic

advantage rather than a cost sink Christianity in India Rebecca Samuel Shah, Joel Carpenter, 2018-11-08 Christianity has been present in India since at least the third century but the faith remains a small minority Even so Christianity is growing rapidly in parts of the subcontinent and has made an impact far beyond its numbers Yet Indian Christianity remains highly controversial and it has suffered growing discrimination and violence This book shows how Christian converts and communities continue to make contributions to Indian society even amid social pressure and violent persecution In a time of controversy in India about the legitimacy of conversion and the value of religious diversity Christianity in India addresses the complex issues of faith identity caste and culture It documents the outsized role of Christians in promoting human rights providing education and healthcare fighting injustice and exploitation and stimulating economic uplift for the poor Readers will come away surprised and sobered to learn how these active initiatives often invite persecution today The essays draw on intimate and personal encounters with Christians in India past and present and address the challenges of religious freedom in contemporary India **Dynamic Discernment** Sarah B. Drummond, 2019-06-15 Dynamic Discernment rings true it portrays change leadership to be as complicated fraught adventurous and exhilarating as it really is Sarah Drummond draws on her considerable experience research and theological acumen to expertly guide leaders in understanding and engaging the dynamic interplay between reason emotion and power for leading change Dynamic Discernment is an outstanding and hopeful resource to prepare for that kind of creative leadership Matthew Floding Director of Ministerial Formation at Duke Divinity School and the former chair of the Association for Theological Field Education Leadership that seeks to be effective must navigate the emotional systems learning habits and power dynamics of any community it hopes to serve through seasons of change When conflict stagnation and decline threaten an institution's imagination and sustainability leaders must be adaptable self-differentiated discerning and liberation minded if they are going to cast a vision for and lead the work of transformation With experience and practicality Sarah B Drummond offers critical tools social theory and theological perspective to equip leaders in organizational change *Creating Public Value* Mark H. Moore, 1997-03-25 Moore presents his summation of 15 years of research observation and teaching about what public sector executives should do to improve the performance of public enterprises This book explicates some of the richest cases used at Harvard's Kennedy School of Government and illuminates their broader lessons for government managers **Tell Me So I Can Hear You** Eleanor Drago-Severson, Jessica Blum-DeStefano, 2017-11-14 In Tell Me So I Can Hear You Eleanor Drago Severson and Jessica Blum DeStefano show how education leaders can learn to deliver feedback in a way that strengthens relationships as well as performance and builds the capacity for growth Drawing on constructive developmental theory the authors describe four stages of adult growth and development and explain how to differentiate feedback for colleagues with different ways of knowing which include Instrumental knowers who tend to see things in black and white Did I do it right or wrong and may need to develop the capacity for reflection Socializing knowers who are concerned with maintaining relationships What do

you want me to do and may need support developing their own ideas Self authoring knowers who have strong ideologies and values How does this fit with my goals and vision and may need help with perspective taking Self transformative knowers who are able to examine issues from multiple points of view How can I understand this more deeply and may need guidance in resolving tensions and contradictions The authors show how leaders can provide feedback in ways that meet people where they are while expanding the developmental capacities educators bring to their work Drago Severson and Blum DeStefano provide real life examples with practical strategies for creating a safe space for feedback finding the right words and bridging feedback and action Tell Me So I Can Hear You offers invaluable guidance to help educators support a culture of learning in classrooms schools and districts
