High Potential Talent Center For Creative Leadership Ccl

**Douglas Riddle, Emily R.
Hoole, Elizabeth C. D. Gullette**

High Potential Talent Center For Creative Leadership Ccl:

Determining Leadership Potential Kimberly Janson, Melody Rawlings, 2022-08-25 We are in the midst of a leadership crisis that is derailing business success and it's time to get rigorous about talent. This book will show you how with an effective and consistent framework to help galvanize decision makers around leadership potential. Time and time again organizations place too many leaders in roles they are not a good fit for. The financial, strategic, and human costs of poor leadership are staggering and unnecessary. But organizations that effectively identify high potential talent are likely to financially outperform those that do not do this work by a factor of 4 to 1, not to mention all the other positive impacts. Backed by the authors' research, including a study with 50 global CEOs, the insights and strategies packed into this book will help you eliminate the shocking variation that exists in how people think about determining leadership potential and empower decision makers to be game changers to optimize their organizations. For too long leadership potential has been treated as an imprecise art and inconsistently applied. CEOs, board members, senior managers, and HR professionals will welcome the thought-provoking insights and practical tools this book gives to build a pipeline of strong leaders.

The Center for Creative Leadership Handbook of Coaching in Organizations Douglas Riddle, Emily R. Hoole, Elizabeth C. D. Gullette, 2015-01-26 Effect better outcomes with a robust coaching program. The CCL Handbook of Coaching in Organizations deals with the practical, ethical, and political challenges of coaching within an organization. From coaching superiors to coaching business teams, this book outlines the Center for Creative Leadership CCL approach to professional coaching to help readers better manage leadership development and talent management program outcomes. With expert guidance on the key functions of human resources, learning and development, and organizational development, readers will gain insight into the issues associated with coaching program implementation and management and the use of internal versus external coaches. Coverage includes a wide range of coaching-based services used in most large organizations with practical advice on creating the right programs for maximum impact within the available budget. Professional development is a hot topic and plays a key role in attracting and retaining the best talent. Coaching is a broad area within the field encompassing a range of services and goals with varied expectations and requirements. This book provides actionable guidance for those designing, initiating, and implementing coaching programs with new approaches and techniques that drive better outcomes. Provide direct coaching within an organization. Manage coaching systems and programs. Initiate and lead mentoring and peer coaching programs. Manage external coaches and deal effectively with coaching suppliers. An ideal coaching program must balance need with budget and be tailored to the requirements and resources of both the organization and the participants. It's a complex undertaking, but the right strategy and planning can lead to even better than expected outcomes. For the human resources professional who wants to strengthen an organization's coaching program, CCL Handbook of Coaching in Organizations is a thoughtful reference for a specialized function.

Leadership Metaphor Explorer Facilitator's Guide

Charles J. Palus, David M. Horth, 2012-06 A comprehensive guide to complement a facilitator's use of the Leadership Metaphor Explorer tool A dynamic interactive tool designed to stimulate creative insightful conversations in and among groups about leadership
