My One Night Carrie Ann Ryan, 2021-04-13. A one night stand is supposed to end once the sun rises. Only it doesn't always work out that way. In this opposites attract and tortured hero romance, I never expected this. I didn't want to go to another fraternity party, but when my friend pulls me in, I somehow find myself hiding in a corner with him. Dillon Connolly. The smirking, so-called good guy with the shadows in his eyes. A single glance, a sweet smile, and I let myself have one night of giving in. Only I have to promise myself not to fall in love. No matter the cost. I never expected her. Elise Hoover haunts my dreams more than I care to admit. I never thought I stood a chance until she said yes. When a single night turns to two, I know I'm in over my head, but somehow she makes me believe I can have anything. Until the sun rises and my past along with it. I thought I'd run from the problems that could hurt us both, but now I'm falling for her and I can't stop. I know I don't deserve her, but now I have to fight to keep her or save her from myself.
