Himmler:

Heinrich Himmler Peter Longerich, 2011-10-27 As head of the SS chief of police Reichskommissar for the Consolidation of Germanness and Reich Interior Minister Heinrich Himmler enjoyed a position of almost unparalleled power and responsibility in Nazi Germany Perhaps more than any other single Nazi leader aside from Hitler his name has become a byword for the terror persecution and destruction that characterized the Third Reich His wide ranging powers meant that he bore equal responsibility for the repression of the German people on the home front and the atrocities perpetrated by the SS in the East Yet in spite of his central role in the crimes of the Nazi regime until now Himmler has remained a colourless and elusive figure in the history of the period In this the first ever comprehensive biography of the SS Reichsf hrer leading German historian Peter Longerich puts every aspect of Himmler s life under the microscope Masterfully interweaving the story of Himmler s personal life and political career with the wider history of the Nazi dictatorship Longerich shows how skilfully he exploited and manipulated his disparate roles in the pursuit of his far reaching and grandiose objectives In the process he illuminates the extraordinary degree to which Himmler s own personal prejudices idiosyncrasies and predilections made their mark on the organizations for which he was responsible especially the SS which in so many ways bore the characteristic hallmarks of its leader and whose history remains both incomplete and incomprehensible without a detailed and intimate knowledge of its deeply sinister commander in chief **Heinrich Himmler** Roger Manvell, Heinrich

Fraenkel, 2007-09-17 Authors Roger Manvell and Heinrich Fraenkel notable biographers of the World War II German leaders Joseph Goebbels and Herman Goring delve into the life of one of the most sinister clever and successful of all the Nazi leaders Heinrich Himmler As the head of the feared SS Himmler supervised the extermination of millions Here is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people *Heinrich Himmler* Rolf Michaelis, 2025-06-06 All of Heinrich Himmler s roles and official positions are described in detail

Top Nazi Jochen von Lang, 2013-05-14 The only biography of General Karl Wolff Heinrich Himmler s assistant in the notorious SS **Heinrich Himmler** Richard Worth, 2005 In the horrible story of the Holocaust Heinrich Himmler is recognized as its head architect Ordered by Adolf Hitler to devise a plan a Final Solution to rid Europe of its Jewish population Himmler dictated the means and methods by which 11 million people were killed In the final days of the Third Reich his power was second only to Hitler s Richard Worth details the life of Heinrich Himmler from his youth and his rise through the ranks of the SS to his ultimate betrayal of the Furher and his fruitless efforts to escape justice Book jacket

The Himmler Brothers Katrin Himmler, 2007 Once upon a time the Himmlers were just a normal German family middle class hard working well educated There were three brothers Gebhart Heinrich and Ernst Heinrich grew up to become the head of Hitler s SS mastermind of the concentration camp system and chief perpetrator of the Holocaust When Katrin

Himmler Heinrich's great niece was 15 one of her schoolmates asked during a history lesson if she was related to the Himmler Yes she stammered at which there was a deathly hush in the classroom and the teacher embarrassed and unsure quickly moved the lesson on As she grew older Katrin gave her family history a wide berth but married to an Israeli whose family was confined to the Warsaw Ghetto and with a young half Jewish son she realizes that she cannot evade the past so easily Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member and a more nuanced portrait of Heinrich himself emerges not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family

Himmler; the Evil Genius of the Third Reich Willi Frischauer, 1953 *Heinrich Himmler - Founder of the Nazi Concentration Camps (Biography)* Biography, 2008-03 A brief biography of Heinrich Himmler the leader of the Gestapo with pertinent facts about his life

The Himmler Brothers Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member This riveting family memoir provides essential new information on the private life and background of one of the twentieth century's most notorious killers not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family It also offers a unique account of one woman's courageous attempt to deal with her chilling inheritance It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle class background of these three sons of a rather pompous provincial headmaster and to see how right until the end he was almost able to convince himself it hadn't happened like it had Sunday Times You get a vivid sense of a particular kind of German conservatism Roman Catholic monarchist and of how weirdly it found an outlet in the upstart part pagan thuggery of Nazism Independent One can only admire her bravery In a way Katrin Himmler's book is not a story about the past but one about the present The most interesting details are the ones she gives of her own quest Daily Telegraph

The Architect of Genocide: Himmler and the Final Solution Richard Breitman, 2022-09-05 A historian's carefully researched work based on a vast array of sources documenting Hitler's and Himmler's responsibility for the murder of European Jewry The book details the planning and the improvisations but emphasizes the former and Himmler's fanatical hatred of the Jewish race as the determinative cause of the Holocaust Dealing with a charged controversy Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing i.e. that the Holocaust was not a reflex of Hitler's fear that the war in Russia could not be won Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands many still alive and never tried and the complicity or silence of millions were needed to carry out the murder the book concludes that Himmler's brutality was more learned than instinctive or emotional a methodical murderer impelled by racist dogma Foreign Affairs

Breitman's book is decisively important. It should serve for years to come as required reading for all who wish to make sense of the Holocaust. Daniel Jonah Goldhagen, *The New Republic*. Looking nothing like the Nordic ideal he advocated, Heinrich Himmler, chief of the Nazi SS, was short, flabby, and balding, his dull, pedantic exterior disguising the caustic, cowardly, Machiavellian, immensely cruel master of deceit within. Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler, a Bavarian and lapsed Catholic, and his boss, Adolf Hitler. Drawing on previously untapped German records as well as other source materials, this engrossing, detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration. Publishers Weekly. A truly path-breaking book, one of the few that will have a lasting impact on historical research of the period. It shows both the primacy of Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology. Holocaust and Genocide Studies. Chilling expert history. Kirkus. An eminently sensible and judicious study that could well serve as a textbook on the topic. The Historian. Breitman's research is meticulous. Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler, who it is known seldom signed an order. Mr. Breitman presents his arguments cogently. Michael H. Kater, *The New York Times*. An absorbing, important book that addresses the sequence of steps leading to the Final Solution. Financial Times. As Breitman persuasively demonstrates, the situation kept changing, but Hitler was always in charge, and his goals always included ridding his empire of the Jews. Los Angeles Times. Breitman is on the hunt for smoking guns. He finds the goods littered throughout Himmler's speeches and conversations. Breitman shows that people knew. Washington Post Book World. The book is chillingly good on the uses and abuses of language to mask atrocity. Newsday. Breitman's study is an important addition to the literature on the origins of the Nazi genocide, one that provides the most likely scenario and settles important disputed questions. Breitman's study is a major step forward in our understanding of how the Nazis initiated mass murder. German Studies Review. An important book. I much admire this work, particularly for its resourceful combing of primary material; there is much to learn from this book about the Final Solution, its origins, its implementation, and its hate-inspired architect. The American Historical Review. *The Private Heinrich Himmler*. Katrin Himmler, Michael Wildt, 2016-03-08. At the end of World War II, it was assumed that the letters of Heinrich Himmler were lost. Yet sixty years after Himmler's capture by British troops and subsequent suicide, the letters mysteriously turned up in Tel Aviv, and in early 2014, excerpts were published for the first time by the Israeli newspaper *Yediot Aharonot*, providing a rare, if jarring, glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews. It was generally held that Himmler, once appointed head of the SS, blended seamlessly into the Nazi hierarchy. The image that emerges, however, is more subtle. Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality, a man whose obsession with family life ran alongside a brutal detachment from all things human, a

serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought The letters in this edition were arranged by Katrin Himmler the great niece of Heinrich and Marga Himmler and Michael Wildt a renowned expert on the Nazi regime who also provide historical context to the letters and their author The entire work was translated by Thomas S Hansen and Abby J Hansen Heinrich Himmler Peter Fraenkel, Roger Manvell, 2017-11-30 There are no better biographies of Goering Goebbels and Himmler in existence New York Review of Books Heinrich Himmler was the commander of the SS and as founder and officer in charge of the Nazi concentration camps and the Einsatzgruppen death squads he was responsible for implementing the extermination of millions of people By the time he died he was the second most powerful man in Germany and regarded himself as Hitler's natural successor going so far as to attempt to negotiate independent peace with the Allies Based on US documents handed over to the German Federal Archives and the testimonies of Himmler's family and staff this book examines how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism and astrology before finally turning to the science of racial purity and the belief in the superiority of the Aryan race Filled with insights into Himmler's private life activities and beliefs this is an important study of one of the most sinister figures of World War II **Himmler's Auxiliaries** Valdis O. Lumans, 1993 A comprehensive study of relations between Nazi Germany and the Volksdeutsche Germans estimated at ten million in number who comprised minority populations in other European countries Lumans examines these relations within the context of Hitler's foreign policy and the racial policies of Heinrich Himmler chief of the SS Annotation copyright by Book News Inc Portland OR **Hitler, Goebbels, Himmler** Linda Jacobs Altman, 2014-09 How could the Holocaust have happened in a civilized country Who is to blame The roots of the hatred that led to the Holocaust began long before World War II In HITLER GOEBBELS HIMMLER THE NAZI HOLOCAUST MASTERMINDS author Linda Jacobs Altman thoroughly examines the causes and events that led up to the Holocaust Adolf Hitler's rise to power and the role he played in World War II in perpetuating the Holocaust This book is developed from THE HOLOCAUST HITLER AND NAZI GERMANY to allow republication of the original text into ebook paperback and trade editions Heinrich Himmler Max Williams, 2014 I was following orders The answer most commonly quoted by SS men accused of atrocious crimes after Germany had surrendered in 1945 But who gave those orders Who was the mastermind behind the sophisticated machinery which allowed men from normal family backgrounds to kill on such a scale The right man at the right time fate steered Heinrich Himmler to take control of an organization destined to carry out Hitler's racial policies This study not only sets out in detail how Heinrich Himmler's daily routine allowed him to implement Nazi strategy but it also provides illustrations of the man behind much of it both at work and at home Of all the personalities of history demonized by postwar writers Heinrich Himmler ranks among the most reviled His legacy is one of hatred violence and cold blooded murder on a vast scale A Jekyll

and Hyde character variously described by his generation and those who followed as charming loyal polite a pedant an eccentric an organizational genius a fool a desk killer and a loving father The camera allows us into his world albeit temporarily and we can equate his busy but mostly mundane schedule with contemporary images frozen in time REVIEWS text as engaging as the illustrations and highly recommend this marvelous book to all who think they've seen everything about Heinrich Himmler Military Advisor **Himmler: Hitler's Henchman** BAXTER IAN,2022-06-30 Heinrich Himmler has a strong claim to be Adolf Hitler's most powerful subordinate He was certainly the main architect of the Holocaust Appointed Reichsführer SS in 1929 he built the SS into a million strong paramilitary force and took control of the Nazi concentration camps system From 1943 he became Chief of German Police and Minister of the Interior with command of the Gestapo as well as the Einsatzgruppen who committed appalling atrocities and murder in occupied Eastern Europe and Russia Despite his lack of military experience in the closing stages of the War he was appointed by Hitler as Commander of Army Group Vistula Realizing the war was lost Himmler attempted to open peace talks with the Allies Learning of this Hitler dismissed him of all his posts in April 1945 Detained and arrested by British forces he committed suicide on 22 May 1945 The wartime career of this cruel and capable man is captured brilliantly with contemporary fully captioned images in this Images of War series work *Master Plan* Heather Pringle,2006-02-15 A fascinating volume detailing the Nazis crackpot theories about prehistory and the Indiana Jones style lengths they went to prove them Publishers Weekly In 1935 Heinrich Himmler established a Nazi research institute called The Ahnenerbe whose mission was to send teams of scholars around the world to search for proof of ancient Aryan conquests But history was not their most important focus Rather the Ahnenerbe was an essential part of Himmler's master plan for the Final Solution The findings of the institute were used to convince armies of SS men that they were entitled to slaughter Jews and other groups And Himmler also hoped to use the research as a blueprint for the breeding of a new Europe in a racially purer mold The Master Plan is a groundbreaking expose of the work of German scientists and scholars who allowed their research to be warped to justify extermination and who directly participated in the slaughter many of whom resumed their academic positions at war's end It is based on Heather Pringle's extensive original research including previously ignored archival material and unpublished photographs and interviews with living members of the institute and their survivors A sweeping history told with the drama of fiction The Master Plan is at once horrifying transfixing and monumentally important to our comprehension of how something as unimaginable as the Holocaust could have progressed from fantasy to reality Pringle's engrossing book explores a little known corner of Nazi history the story of the Ahnenerbe rich in such bizarre characters ridiculous theories and colorful anecdotes Massively researched and engagingly written The Daily Telegraph **Himmler's Children** Guus de Vries,2024-07-30 The Nazis dream was to populate their future Greater German Reich exclusively with racial valuable people and Himmler became the main executor of this gruesome and unimaginable plan For this purpose millions of inferior people had to be expelled or

killed while as many men women and children of Germanic descent as possible had to be brought together in the territory of the Third Reich Children were the key players in Himmler s sinister plans and the Lebensborn program exploited luxurious maternity homes led by SS officers for selected women with the required Aryan features The pregnant women often not married and the fathers of their future children usually members of the SS had to comply with very strict racial requirements Himmler considered their offspring as the future nobility of the Germanic empire Obsessed with racial purity and birth rates the Lebensborn program fell directly under Himmler s personal control and arguably became his favorite project He spent hours drawing up selection criteria regulations and dietary requirements personally studying the files of mothers and children and using his private aircraft to transport them to other Lebensborn establishments The organization was active throughout Germany and the occupied Western European countries and was also involved in the abduction of Aryan children from Eastern and Central Europe On Himmler s orders tens of thousands of blond blue eyed children in Poland Slovenia the Czech Republic and other countries were abducted for Germanisation partly in Lebensborn children s homes Himmler was so absorbed by the racial delusion he was convinced this policy served a dual purpose by abducting the superior children he robbed the subjected countries of their future leaders while at the same time strengthening the Germanic race *Heinrich Himmler* Roger Manvell,Heinrich Fraenkel,1965 This volume presents a biography of one of the most clever and successful of all the Nazi leaders Heinrich Himmler 1900 1945 As head of the Nazis feared SS and the sadistic Gestapo Himmler supervised the extermination of millions This is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people Himmler s unlikely rise to power eventually made him the second most powerful man in Germany Understanding this sinister life helps us understand a political party and a nation capable of horrendous crimes against the world and humanity *Himmler* Roger Manvell,Heinrich Fraenkel,1965
