Lindsay Porter,2005-10-10 How are the origins of the French Revolution the murder of the Romanovs the design of the dollar bill and the Roswell UFO incident connected The answer is one of the world s most mysterious and feared secret societies the Illuminati References to the Illuminati span centuries yet reliable historical evidence is scant What is known is that on 1 May 1776 at the height of the European Enlightenment Adam Weishaupt a professor of canon law at the University of Ingolstadt in Bavaria founded a secret society of freethinkers or enlightened ones the Illuminati The group was formed to discuss and disseminate the radical philosophies of the day and secrecy was crucial to its survival neither church nor crown would have countenanced the group s anticlerical and antimonarchist ideas At its height the Illuminati numbered 2 500 with members across Europe including some of the period s leading thinkers Yet just 12 years after the group s founding it was disbanded

by a governmental edict and the Illuminati ceased to exist Or did it For nearly 250 years references to the Illuminati and its alleged influence on major world events have continued to resurface There are those who claim the Illuminati is much older than its first recorded incarnation suggests dating its origins to the time of the Pyramids and others who believe the group is literally not of this planet but part of an alien culture bent on taking over the earth This book looks at the reality and the myths questions the allegations and explores how fears about the group have taken many different forms whether fear of intellectuals during the Enlightenment or fear of communists during the McCarthy era An internet search reveals that belief in the group s shadowy influence is positively thriving what does that say about us today And are we right to be afraid

New England and the Bavarian Illuminati Vernon Stauffer, 2019-11-25 In *New England and the Bavarian Illuminati* Vernon Stauffer meticulously explores the intersections between the social and intellectual landscapes of New England and the enigmatic Bavarian Illuminati Stauffer employs a scholarly tone rich with primary and secondary sources presenting a nuanced narrative that delves into the ideological currents of the late 18th century The book examines how Enlightenment thought and secret societies influenced the political and religious fabric of New England making it a compelling work for those interested in the intersection of ideas and their socio political ramifications Vernon Stauffer an esteemed scholar was deeply immersed in American history and the philosophical movements of his time His scholarly pursuits and keen interest in human behavior likely informed this examination of secret societies and their roles in shaping societal norms Stauffer s academic background is evidenced in his ability to dissect complex theories while maintaining accessibility for a broader audience reflecting his commitment to exploring historical truths *New England and the Bavarian Illuminati* is indispensable for historians sociologists and anyone interested in the secretive networks that wielded power in the backdrop of American history Stauffer s insightful analysis invites readers to reconsider the impacts of such organizations on the cultural and political discourse making it a thought provoking addition to the canon of American historical literature
