Historical Dictionary Of Afghan Wars Revolutions And Insurgencies Historical Dictionaries Of War Revolution And Civil Unrest:

Historical Dictionary of Afghan Wars, Revolutions, and Insurgencies Ludwig W. Adamec, 2005 Since its foundation in 1747 Afghanistan has seen seemingly limitless wars waged by the central government to consolidate its control over the country as well as rampant tribal warfare There have been three Anglo Afghan Wars 1839 42 1878 79 and 1919 a Russian backed Marxist government in Kabul battled a coalition of tribal armies which was soon followed by the Taliban takeover Now in the midst of a war against terrorism the United States is backing another central government in yet another sporadic struggle All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in this book It consists of the American involvement in Afghanistan since October 2001 as well as individual campaigns including tactics and logistics of skirmishes the weapons used and biographical entries on the significant leaders involved in the battles Extensive analysis of regional and ideological divisions within the country and the external forces that have brought around conflict in this remote mountainous region in addition to a chronology of the encounters an extensive bibliography and numerous maps and illustrations make this crucial volume indispensable **The A to Z of Afghan Wars, Revolutions and Insurgencies** Ludwig W. Adamec, 2010-04-07 Since its foundation in 1747 Afghanistan has seen seemingly limitless wars waged by the central government to consolidate its control over the country as well as rampant tribal warfare There have been three Anglo Afghan Wars 1839 42 1878 79 and 1919 a Russian backed Marxist government in Kabul battled a coalition of tribal armies which was soon followed by the Taliban takeover Now in the midst of a war against terrorism the United States is backing another central government in yet another sporadic struggle All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in The A to Z of Afghan Wars Revolutions and Insurgencies It consists of the American involvement in Afghanistan since October 2001 as well as individual campaigns including tactics and logistics of skirmishes the weapons used and biographical entries on the significant leaders involved in the battles Extensive analysis of regional and ideological divisions within the country and the external forces that have brought around conflict in this remote mountainous region in addition to a chronology of the encounters an extensive bibliography and numerous maps and illustrations make this crucial volume indispensable **The to Z of Afghan Wars, Revolutions and Insurgencies** Ludwig W. Adamec, 2010-04-07 All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in The A to Z of Afghan Wars Revolutions and Insurgencies It consists of the American involvement in Afghanistan since October 2001 as well as individual c **Historical Dictionary of the War of 1812** Robert Malcomson, 2006-01-16 The War of 1812 was an extremely complicated war motivated by British seizures of American vessels and goods American desire to expand into Canada and impressment of American sailors into the British Navy However these are merely the immediate causes To fully understand the War of 1812 one must delve deeper

into history This book does just that as it covers the period leading up to the war 1803 1812 and the events of the war itself 1812 1815 through the use of a dictionary consisting of more than 1 400 cross referenced entries covering descriptions of engagements ships weaponry the compositions of regiments significant political and military figures and a full list of key places issues and terms Also included are 21 photographs 6 maps a chronology of events an introductory essay and a comprehensive bibliography subdivided by topic and fully annotated

The A to Z of the Cold War Joseph Smith, Simon Davis, 2005 This highly praised book captures the essence and the madness of the balance of terror that was the Cold War Describing an extensive period and much of the globe The A to Z of the Cold War presents a year by year chronology an introductory essay and hundreds of entries on civilian and military leaders central issues and peripheral conflicts crucial countries and their allies or foes the contending alliances and the non aligned deterrence and the increasingly lethal weapons systems and the various political and military strategies While both authors are specialists in American foreign policy and diplomacy Smith has a particular interest in United States relations with Latin America and Davis in Anglo American relations This broader focus is helpful because it enables the authors to have a broader view of the Cold War and having studied and lived in Great Britain they view events from a more neutral perspective This and a conscious effort to maintain a scholarly balance enhances the objectivity of this volume Smith and Davis have produced an easy to use reference tool for both the history scholar and student

Historical Dictionary of the Dirty Wars David Kohut, Olga Vilella, 2010-02-18 Unlike a conventional war waged against a standing army a dirty war is waged against individuals groups or ideas considered subversive Originally associated with Argentina's military regime from 1976 1983 the term has since been applied to neighboring dictatorships during the period Indeed it has become a byword for state sponsored repression anywhere in the world The first edition of this reference illustrated the concept by describing the regimes of Argentina Chile 1973 1990 and Uruguay 1973 1985 which tortured murdered and disappeared thousands of people in the name of anticommunism while thousands more were driven into exile The second edition expands the scope to include Bolivia 1971 1982 Brazil 1964 1985 and Paraguay 1954 1989 Includes a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries on the countries guerrilla and political movements prominent guerrilla human rights military and political figures local regional and international human rights organizations and artistic figures filmmakers novelists and playwrights whose works attempt to represent or resist the period of repression Publisher

Historical Dictionary of the United States Navy James M. Morris, Patricia M. Kearns, 2011-04-01 The United States Navy has evolved in the last century and a half from humble and often frustrating beginnings during and after the Revolutionary War to become the strongest navy in the world with responsibilities that span the globe The story of the Navy from its birth through the Civil War and other 19th century conflicts through its victories of World War I and World War II and down to the current efforts in the Middle East to maintain the peace not only for the United States but also for other nations as the world's primary peace keeper has been one of

responding to the call of duty as captured by its unofficial motto Non sibi sed patriae Not self but country No other nation's navy past or present can match its successes and history The second edition of Historical Dictionary of the United States Navy covers U S Naval developments personnel and engagements from the colonial times to the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on people places events and other terminology of the Navy This book is an excellent access point for students researchers and anyone wanting to know more about the United States Navy Historical Dictionary of the Chinese Civil War Edwin Pak-wah Leung,2002-10-16 The Chinese Civil War has been regarded by many as an important subject in the study of modern Chinese history as this protracted struggle ultimately led to the Communist victory on the Mainland and the Nationalist government's retreat to the island of Taiwan in 1949 Considered an extremely important turning point in modern Chinese history the Civil War is also of great international significance This resource the first of its kind written in English details the microscopic and macroscopic views of the Chinese Civil War people events places and institutions **Historical Dictionary of the "dirty Wars"** David R. Kohut,Olga Vilella,Beatrice Julian,2003 During the 1970s and 1980s national security regimes in Argentina Chile and Uruguay declared war on suspected subversives carrying out campaigns of mass human rights violations The Historical Dictionary of the Dirty Wars describes the period including the background and aftermath

Historical Dictionary of the American Revolution Terry M. Mays,2009-11-18 This greatly expanded second edition of the Historical Dictionary of the American Revolution covers more battles skirmishes and raids of the American Revolution than any other printed source This is done through a chronology an introductory essay maps and photos a bibliography and over 1000 cross referenced dictionary entries **Historical Dictionary of Arms Control and Disarmament** Jeffrey A. Larsen,James M. Smith,2005-03-25 Historical Dictionary of Arms Control and Disarmament provides a historical review of key themes and issues in international security and arms control focusing on efforts in the 20th century to control the spread and use of armaments and to prevent war This book summarizes the rich and proud traditions of arms control and disarmament their critical role in ensuring a non catastrophic course throughout history especially the dangerous period of the Cold War and their continuing relevance and role in the emerging post Cold War world It also seeks to reinforce a broad perspective of key terms in order to capture the scope and range of their application yesterday today and tomorrow Given this combined tradition and focus this Dictionary serves two purposes As a historical dictionary it chronicles key terms personalities events and agreements as a ready reference from which to launch a more extensive investigation But it also seeks to capture the breadth of current and future applications by presenting the vocabulary of traditional and non traditional approaches The book includes a large dictionary of more than 1 000 key terms as well as a comprehensive bibliography divided into multiple categories an extensive chronology and a timeline This book can also serve as a useful desk reference for the policy practitioner The pace and intensity of the practice of arms control often eliminates the luxury of

conventional study of past or related arms control efforts The dictionary seeks to provide a relevant sampling of treaty and agreement details and of the specific terms of reference of arms control to allow productive progress in a policy work environment Researchers and students will also find the dictionary to be a useful reference tool Much of the formal literature in the field such as treaty texts and policy pronouncements is written in technical language without elaboration Also many references to agreements are posed in shorthand intended only for the policy practitioner

Historical Dictionary of the French Revolution Paul R. Hanson, 2015-01-15 The French Revolution remains the most examined event or period in world history It was most historians would argue the first modern revolution an event so momentous that it changed the very meaning of the word revolution from restoration as in the Glorious Revolution of 1688 in England to its modern sense of connoting a political and or social upheaval that marks a decisive break with the past one that moves a society in a forward or progressive direction No revolution has occurred since 1789 without making reference to this first revolution and most have been measured against it One cannot utter the date 1789 without thinking of revolution and so significant were the changes unleashed in that year that it has come to mark the dividing line between early modern and late modern European history Kings This second edition of *Historical Dictionary of the French Revolution* covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 400 cross referenced entries on the causes and origins the roles of significant persons crucial events and turning points important institutions and organizations and the economic social and intellectual factors involved in the event that gave birth to the Declaration of the Rights of Man and Citizen This book is an excellent access point for students researchers and anyone wanting to know more about this period

Historical Dictionary of the Crusades Corliss K. Slack, 2013-05-09 The crusades were among the longest and most bitter wars in human history and consisted of no less than seven major expeditions from Western Europe from the late 11th to the early 14th centuries for the purpose of wresting Jerusalem and the Holy Land from the control of the Muslims In the end it was the Muslims who won and the Christians who suffered a major setback and the Middle East remained firmly in Muslim hands This was one of the worst clashes between different religions and civilizations and for long it was largely forgotten or brushed over That is no longer the case with many Muslims regarding Western interference in the region as a repeat of the crusades while launching their own jihads So while an old conflict it is still with us today Even at the time it was very hard to understand the causes and outcome of the crusades and that remains a problem today This *Historical Dictionary of the Crusades* cannot claim to have resolved it but it most definitely does make the situation easier to understand The introduction provides an overview tracing the crusades from one expedition to the next and assessing their impact The actual flow of events is far easier to follow thanks to the chronology And maps help to trace the events geographically The entries and there are more than 300 of them in this second edition look more closely at notable figures including Pope Gregory VII Richard the lionhearted and Saladin as well as important places Jerusalem Constantinople and others events battles and

sieges as well as the use of weapons and armor The bibliography points to further reading **Historical Dictionary of the Zulu Wars** John Laband,2009-05-18 Between 1838 and 1888 the recently formed Zulu kingdom in southeastern Africa was directly challenged by the incursion of Boer pioneers aggressively seeking new lands on which to set up their independent republics by English speaking traders and hunters establishing their neighboring colony and by imperial Britain intervening in Zulu affairs to safeguard Britain s position as the paramount power in southern Africa As a result the Zulu fought to resist Boer invasion in 1838 and British invasion in 1879 The internal strains these wars caused to the fabric of Zulu society resulted in civil wars in 1840 1856 and 1882 1884 and Zululand itself was repeatedly partitioned between the Boers and British In 1888 the old order in Zululand attempted a final unsuccessful uprising against recently imposed British rule This tangled web of invasions civil wars and rebellion is complex The Historical Dictionary of the Zulu Wars unravels and elucidates Zulu history during the 50 years between the initial settler threat to the kingdom and its final dismemberment and absorption into the colonial order A chronology an introductory essay a bibliography maps photos and over 900 cross referenced dictionary entries that cover the military politics society economics culture and key players during the Zulu Wars make this an important reference for everyone from high school students to academics [Historical Dictionary of the British and Irish Civil Wars, 1637-1660](#) Martyn Bennett,2013-10-31 During the 17th century the British Isles were trapped in a 23 year long state of turmoil through civil war continued rebellion and revolutions King Charles I wanted to instill a new uniform religious policy throughout the British Isles and this caused a massive uproar over the King s policies toward the diverse people in his kingdom the English Irish Scottish and Welsh Through a concise historical chronology and comprehensive overview users of the Historical Dictionary of the British and Irish Civil Wars will find a very insightful explanation of the people places and events that indelibly shaped the United Kingdom s 17th century history The cross listed dictionary entries offer a complete explanation of each important aspect of the Civil Wars and their effect on the kingdom Also includes maps and a bibliography [Historical Dictionary of the Syrian Uprising and Civil War](#) Asaad Alsaleh,2021-05-21 Historical Dictionary of the Syrian Uprising and Civil War introduces readers to the events and main players that shaped the conflict in Syria since 15 March 2011 as the country entered a new era in its modern history The Syrian Revolution was part of the Arab Spring that was launched in Tunisia Egypt and other countries in the Middle East in late 2010 The Syrian situation turned into a winter which merits such an all encompassing book that reveals the complex dynamics of the Syrian civil war Many of the key players places and unfolding events were making headlines for a short period before vanishing from memory but this book records their emergence and influence The book traces the political opposition initially in the form of street level unrest targeting the rule of the al Asad family that ruled for over five decades The book provides a picture of the fighting groups and their varying agendas including the Islamic State in Iraq and Syria ISIS and other extremist groups It depicts a picture of a country whose civil war caused one of the biggest crises in the 21st century It contains a chronology an introduction and an

extensive bibliography The dictionary section has more than 200 cross referenced entries on the major events places and actors in the Syrian war This book is an excellent resource for students researchers and anyone wanting to know more about the Syrian uprising

Historical Dictionary of the Korean War Paul M. Edwards, 2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography

Historical Dictionary of the Holocaust Jack R. Fischel, 2010-07-17 This second edition of the Historical Dictionary of the Holocaust includes an updated chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries on significant events and personalities

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia's involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution

Historical Dictionary of the Northern Ireland Conflict Gordon Gillespie, 2017-03-16 The second edition of the Historical Dictionary of the Northern Ireland Conflict provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016 The second edition of the book expands on the references relating to individuals organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments This

the work provides a unique view of developments since the signing of the Good Friday Agreement in 1998. While widely heralded as the end of the Northern Ireland conflict, the agreement instead witnessed the beginning of a new series of political difficulties to be addressed. The Historical Dictionary of the Northern Ireland Conflict is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998. Many of these themes will be relevant to students of post conflict societies in other areas of the world.
