Funded by the Michigan Department of Community Health Long Term Care Initiative the Wayne State University Institute of Gerontology in partnership with Hospice of Michigan and Lutheran Social Services of Michigan has developed a series of training modules on end of life care The training modules consist of Microsoft Powerpoint slide shows for presentation and Microsoft Word documents for printing *America, History and Life* ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada The End of All Things Is at Hand Veli-Matti Kärkkäinen, 2022-01-20 This book proposes a bold vision of the end of human life and the cosmos based on the hopeful vision of Christian faith In a dialogue with the best of Christian tradition the natural sciences conjectures of the end as well as Islam s rich teaching on the doctrine of the Last Things a fresh constructive eschatology is recommended While based on wide and deep academic learning the conversational style of the book makes it suitable for various kinds of audiences from pastors to students to scholars and to interested lay folks *Dying While Black* Vernellia Randall, 2006 According to Randall Blacks suffer from the generational effect of a slave health deficit that was not relieved during the reconstruction period 1865 1870 the Jim Crow Era 1870 1965 the Affirmative Action Era 1965 1980 or the Racial Entrenchment Era 1980 to present Repairing the health of Blacks will require a multi facet long term legal and financial commitment Choice ,2005 *American Book Publishing Record* ,1992

Understanding New Religious Movements John A Saliba, 2003-09-27 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible Dying, Death and Bereavement, 2000-2001 George E. Dickinson, Michael R. Leming, Alan C. Mermann, 1999-08

Relics of War Jennifer Raab, 2024-09-10 How a single haunting image tells a story about violence mourning and memory In 1865 Clara Barton traveled to the site of the notorious Confederate prison camp in Andersonville Georgia where she endeavored to name the missing and the dead The future founder of the American Red Cross also collected their relics whittled spoons woven reed plates a piece from the prison s dead line a tattered Bible and brought them back to her Missing Soldiers Office in Washington DC presenting them to politicians journalists and veterans families before having them

photographed together in an altar like arrangement Relics of War reveals how this powerful image produced by Mathew Brady opens a window into the volatile relationship between suffering martyrdom and justice in the wake of the Civil War Jennifer Raab shows how this photograph was a crucial part of Barton s efforts to address the staggering losses of a war in which nearly half of the dead were unnamed and from which bodies were rarely returned home for burial The Andersonville relics gave form to these absent bodies offered a sacred site for grief and devotion mounted an appeal on behalf of the women and children left behind and testified to the crimes of war The story of the photograph illuminates how military sacrifice was racialized as political reconciliation began and how the stories of Black soldiers and communities were silenced Richly illustrated Relics of War vividly demonstrates how one photograph can capture a precarious moment in history serving as witness advocate evidence and memory
