Sacred Space Young Kim,2016-02-08 I wrote this book to add to the incredible stories of people who have seen the other side of the veil I wanted to share in my own words some of the eternal knowings I gained Such as love does not arise from life but rather life arises out of love Love is the breath inside each and every one of us It makes us who we are We were molded out of love

and came to Earth to experience what it is like to be human God created or rather BECAME the Universe to answer the question Who am I and to engage Himself in the ultimate theater or musical I wanted to share what I learned when I merged with Source and understood the reasons for everything including all of our sufferings and setbacks I understood the nature of the polarity of existence how you cannot understand joy without despair patience without frustration etc This world was created for our benefit so that we can grow our love and eventually return to the Creator I hope some will find my words peaceful and useful in their lives

Inappropriate Paul Robbins, 2021-10-18 *Inappropriate* is an appeal to the church in the West to consider why there always seems to be something missing The church has the tendency to swing like a pendulum from one program to the next in search of the right one while the world is waiting for something of substance to capture their souls Are we willing to admit that we may have veered from God s original plan Jesus said that He would build His church one that is substantial and defiant against evil and unrighteousness one that is fruitful effective and

attractive one that offers lasting peace and joy to those who come alongside Him to be His construction assistants When Jewish and Gentile believers first united the church became rooted and began to grow according to the eternal purpose of God Sadly things changed and the ancient enmity returned This book explores the history of separation that has caused untold damage and tarnished the name of Jesus Inappropriate dives into many passages of scripture which have been often overlooked in order to reclaim our place of blessing God will not be vindicated until we walk again on His redemption road together Anything else is simply inappropriate Raindrops of Revelation Zion S. Kwok,2024-12-17 Call to me and I will answer you and will show you great and difficult things which you don t know Jeremiah 33 3 WEB The Lord gave us the Book of Revelation a book of signs and mysteries Let us ask Him for understanding for surely He desires that the book bear fruit in the lives of His people Raindrops of revelation will fall upon us accumulating into ever deeper pools of understanding or perhaps our imagination Yet in all this we marvel at the wondrous design of the book Is there a literary progression in the letters to the seven churches Have the seals anything to do with the Great Persecution at the time of Diocletian How long is the Day of the Lord Is there a real animal with ten horns Is the beast from the land the same as Babylon the Great Will the vertical dimension of the New Jerusalem be mostly underground May we wait more eagerly for the coming of our Lord

Modern Indian Literature as Cosmopolis Didier Coste,2024-10-09 This book redefines modern Indian literature from a cosmopolitan comparative perspective inclusive of literature in English from India and the diaspora in native languages and works by non Indians It shows how since the mid 19th century Indian literary modernity pursued the conjunction of the sensuous and ethical spiritual that characterized its three traditions Sanskritik Persian and folk culture while the encounter

both receptive and oppositional with the West vastly expanded the Indian literary sphere Aesthetics and ethics are not antithetical in the Indian cultural space but the quest for an exclusive Indian identity versus universalist approaches offsets concerns for social justice as well as enjoyable embodied communication The literary constellation in many languages now formed in and around India can be better apprehended as a virtual Cosmopolis a commonwealth of elaborate emotions The versatile figure of Hanuman metaphorically flies across this Ocean of Stories to make us discover new worlds of experience
