Battersby, Joseph M. Siracusa, 2009-03-16 This concise text presents a focused well rounded and clear eyed introduction to the concept of human security Questioning the utility of traditional national security frameworks in the post Cold War era Paul Battersby and Joseph M Siracusa argue that we must urgently reconsider the principle of state sovereignty in a global world where threats to humanity are beyond the capacity of any one nation to address through unilateral action The authors highlight circumstances actors and influences beyond the traditional focus on state security especially the role of international organizations and nongovernmental organizations They also emphasize the importance of human rights arguing for the development of an effective intervention capacity to protect individuals from state action as well as other security threats arising from conflict poverty disease and environmental degradation A welcome alternative to state centric approaches to security this balanced book will be a valuable supplement for courses in international and national security

Diverse Spaces of Childhood and Youth Ruth Evans, Louise Holt, 2016-04-08 Diverse Spaces of Childhood and Youth focuses on the diverse spaces and discourses of children and youth globally The chapters explore the influence of gender age and other socio cultural differences such as race ethnicity and migration trajectories on the everyday lives of children and youth in a range of international contexts These include the diverse urban environments of Istanbul Copenhagen Helsinki Toronto London and Bratislava and the contrasting rural settings of Ghana and England The analyses of children s young people s parents and professionals experiences and discourses provide critical insights into how gender and other socio cultural differences intersect The importance of everyday practices and performances in the formation of children s and young people s identities is revealed through for example friendships and everyday sociality mobilities and movements across space in both rural and urban environments The volume shows how discourses of childhood particularly those associated with risk intersect with difference The recognition of young people s agency and participation is central to many of the chapters whilst also raising methodological questions about how discourses of childhood and youth are researched Overall the book provides an original contribution to geographies of children youth and families and research on diversity and difference in global contexts This book was published as a special issue of Children s Geographies

Warrior Women and Trans Warriors Carolina Castellanos Gonella, 2024-11-15 Latin American literature has depicted warrior woman and trans warrior characters in armed conflicts but literary critics have not paid much attention to their empowerment They also have critiqued these characters using traditional gender binary concepts or have viewed their access to power as evil or abnormal Warrior Women and Trans Warriors Performing Masculinities in Twentieth Century Latin American Literature introduces a new perspective by analyzing how one trans warrior and two warrior women from three canonical novels contest traditional codes of behavior and appearance It examines Pintada in the Mexican novel Los de abajo 1915 Do a B rbara in the Venezuelan novel Do a B rbara 1929 and Diadorim in the Brazilian novel Grande sert o veredas 1956 Warrior Women and Trans Warriors focuses on how these three characters challenge conventional norms and empower themselves by giving

orders using weapons fighting competing with other characters exposing traditional gender ideologies and transgressing sartorial gender rules Drawing on trans theory intersectionality gender performance theory and masculinities studies this book argues that performing masculinities allow these characters to occupy the place of the most desired position of their contexts

The Oxford Handbook of Diversity in Organizations Regine Bendl, Inge Bleijenbergh, Elina Henttonen, Albert J. Mills, 2015-11-12 In the last decades diversity and its management has become a feature of modern and postmodern organizations Different practices have spread around the globe focusing on the organizing and management of inclusion and exclusion of persons and identities based on different genders sexual orientations racial and ethnic backgrounds ages and disabilities as well as religious beliefs However although increasingly recognized as important the discourses of diversity are multifaceted and not without controversy Furthermore diversity management practices have the potential to reproduce both inclusion and exclusion The book presents the foundations of organizing and managing diversities offers multidisciplinary intersectional and critical analyses on key issues and opens up fresh perspectives in order to advance the diversity debate It also inspires new debates on diversity by encouraging scholars to broaden their research agendas and assists students and scholars to increase their understanding of the field and its current discussions The contributors are a team of leading diversity scholars from all over the world

Becoming Brazilians Marshall C. Eakin, 2017-07-25 This book traces the rise and decline of Gilberto Freyre's vision of racial and cultural mixture mestiagem or race mixing as the defining feature of Brazilian culture in the twentieth century Eakin traces how mestiagem moved from a conversation among a small group of intellectuals to become the dominant feature of Brazilian national identity demonstrating how diverse Brazilians embraced mestiagem via popular music film and television literature soccer and protest movements The Freyrean vision of the unity of Brazilians built on mestiagem begins a gradual decline in the 1980s with the emergence of an identity politics stressing racial differences and multiculturalism The book combines intellectual history sociological and anthropological field work political science and cultural studies for a wide ranging analysis of how Brazilians across social classes became Brazilians

Conflict in the Early Americas Rebecca M. Seaman, 2013-08-27 This detailed study is the only reference work of its kind to address Spain's conquest of Central and South America providing in depth coverage of native and European ideologies political motivations and cultural practices of the region As the study of world history evolves from a Eurocentric perspective to a more global viewpoint formerly marginalized groups are now the focus of discussion revealing a background rich with important military political social and economic achievements This book examines the once prosperous and powerful native civilizations in Central and South America discussing the key individuals strategies and politics that made these countries strong and indomitable In spite of this the author shows how in only a few generations Spain defeated these mini empires eventually dominating much of the Western Hemisphere Conflict in the Early Americas An Encyclopedia of the Spanish Empire's Aztec Incan and Mayan Conquests focuses primarily on the defeat of the Aztec Incan and Mayan

civilizations but also includes Spanish interactions with lesser known native groups Supporting documents including primary sources maps and visual aids provide necessary context to this once untold story **Raising the Redwood Curtain**

Michael T. Karp, *Absent Aviators* Donna Bridges, Jane Neal-Smith, Albert Mills, 2016-03-16 The objective of this book is to present a number of related chapters on the subject of gender issues in the workplace of the aviation industry More specifically the chapters address the continuing shortfall in the number of women pilots in both civilian and military aviation Considerable research has been carried out on gender issues in the workplace and for example women represent about 10% of employees in engineering This example is often used to show that the consequences of gender discrimination are embedded and difficult to overcome in masculine dominated occupations However women represent only 5 6% of the profession of pilot Clearly there are many factors which mitigate women seeking to become pilots The chapters within this volume raise both theoretical and practical issues endeavouring to address the imbalance of women pilots in this occupation *Absent Aviators* consolidates a diverse range of issues from a number of authors from Australia Austria the United States Canada South Africa and the United Kingdom Each of the chapters is research based and aims to present a broad picture of gender issues in aviation gendered workplaces and sociology underpinned by sound theoretical perspectives and methodologies One chapter additionally raises issues on the historical exclusion of race from an airline The book will prove to be a valuable contribution to the debates on women in masculine oriented occupations and a practical guide for the aviation industry to help overcome the looming shortfall of pilots It is also hoped it will directly encourage young women to identify and overcome the barriers to becoming a civilian or military pilot *Empires and Exploration* Marshall C. Eakin, 2025-12-16 *Empires and Explorations* interweaves nineteenth century Brazilian history the extraordinary life of Richard Francis Burton and the use of travel writing by historians Burton witnessed the origins of the early processes of nation building in Brazil including the power and influence of Great Britain on the Brazilian monarchy that had declared its independence in the 1820s A seasoned explorer of South Asia the Middle East Africa and the Americas Burton provided a panoramic view of Brazil highlighting the obstacles created by region race class religion and culture and offered advice on how to build a nation from the perspective of an iconoclastic Victorian Englishman Marshall C Eakin follows Burton's path and reflects on how the landscape character and identity of Brazil have evolved **Iberian Empires, 1600-1800: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-06-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously
