Evans, 2016-05-03 *A Guide to Biblical Commentaries and Reference Works* by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years **The Pastor's Library** Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies *A Survey of the Old Testament* Andrew E. The Crossing Dane S. Egli,2023-07-27 God placed the exodus miracle prominently throughout the pages of Scripture to remind all mankind of his loving nature He selected Moses to free his people from slavery and to record eyewitness details of the Red Sea Crossing positioning this miraculous event at the core of His salvation message The Crossing uncovers profound biblical and historical truths from the exodus that place us at the same shoreline of hope where the Hebrew nation faced what they believed was certain destruction at the hands of the Egyptian army This event is a personal demonstration of God's loving redemption along with the birth crucifixion and resurrection of Jesus Christ Why does this event appear so often in Scripture What are the lessons of the exodus that we can apply to our lives today In answering these questions this book places a unique focus on this decisive salvation moment However it was not just a salvation moment for Israel but it was also a salvation moment for us providing an ocean crossing miracle for all generations to come Although it occurred three thousand years ago the exodus still speaks to us today It is a story that invites us to trust God boldly and step into deep water He can still create a new pathway on dry ground
