Shivaji and His Times Sir Jadunath Sarkar, 1920 The Life of Shivaji Maharaj Nilkanth S. Takakhav, 2015-07-20 Excerpt from The Life of Shivaji Maharaj Founder of the Maratha Empire At a time when the whole of the Indian Continent is entering upon a new phase of political life and bold schemes of social and political reconstruction are being daily pressed for acceptance no apology would seem to be necessary for the publication of a new life of Shivaji For among the glittering multitude of mighty kings whose names adorn the pages of Indian History the name of Shivaji stands forth in bold relief as the author of a momentous national revival that changed the destinies of India And this is a fact allowed by all historians even though the editors of the Rulers of India Series have chosen to ignore him and denied him a place in their Series while including many other Rulers who were more or less mediocrities when compared with the great Shivaji If ever in the pre British period of Indian History there was anything that might be compared with the great national movements of Western countries it was the political movement which laid the foundations of the Maratha Swarajya And that movement would have been utterly destitute of all its national glory and significance were it not for the genius and originality of one master mind who presided over the whole event built a nation out of chaos and breathed life and purpose into the dead clay and disjecta membra of Maharashtra society and institutions Such a man was Shivaji Of the empire which he built up only a few fragments have escaped the ravages of time The rest has crumbled down and gone the way that all great empires in the world have gone But the spirit of it has remained behind He has left no pyramids no rock cut temples no architectural marvels to attest his greatness But the name of Shivaji still lives to kindle and inspire the growing manhood of Maharashtra About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Shivaji and His Times** Sir Jadunath Sarkar, 1992 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1920 Excerpt f In short the cantonment at Pedgaon served Mughal advanced base for some years after le exactly as Aurangzib's camp at Brahmapuri 90 miles s e e of it did twenty two years later when the Mughal empire had extended further south It was most probably in this year 1673 that Shivaji met with a sore
