Tipu Sultan Vikram Sampath, 2024-10-31 Over two centuries have passed since his death on 4 May 1799 yet Tipu Sultan s contested legacy continues to perplex India and her contemporary politics A fascinating and enigmatic figure in India s military past he remains a modern historian s biggest puzzle as he simultaneously means different things to different people depending on how one chooses to look at his life and its events Tipu s ascent to power was accidental His father Haidar Ali was a beneficiary of the benevolence of the Maharaja of Mysore But in a series of fascinating events the Machiavellian Haidar ran with the hare and hunted with the hounds he ended up overthrowing his own benefactor and usurping the throne of Mysore from the Wodeyars in 1761 In a war scarred life father and son led Mysore through four momentous battles against the British termed the Anglo Mysore Wars The first two led by Haidar brought the English East India Company to its knees Chasing the enemy to the very gates of Madras Haidar made the British sign such humiliating terms of treaties that sent shockwaves back in London In the hubris of this success Tipu obtained the kingdom on a platter unlike his father who worked up the ranks to achieve glory In a diabolical war thirst Tipu launched lethal attacks on Malabar Mangalore Travancore Coorg and left behind a trail of death destruction and worse mass conversions and the desecration of religious places of worship While he was an astute administrator and a brave soldier the strategic tact with opponents and the diplomatic balance that Haidar had sought to maintain with the Hindu majority were both dangerously upset by Tipu s foolhardiness on matters of faith The social report card of this eighteenth century ruler was anything but clean And yet one simply cannot deny his position as a renowned military warrior and one of the most powerful rulers of Southern India Meticulously researched authoritative and unputdownable *Tipu Sultan The Saga of Mysore s Interregnum 1760 1799* opens a window to the life and times of one of the most debated figures from India s history

TipuSultan- The Tyrant of Mysore Sandeep Balakrishna, 2015-01-28 This book is part of a series of books aimed at disseminating the accurate history of India drawn from the primary sources History writing especially about the medieval Muslim rule has been fraught with political

correctness controversy and in several cases downright falsification This has occurred mostly with official state patronage As a result any attempts to correct this course has been virulently opposed with the result that most urban educated Indians have now internalized a politically correct version of Indian history The history of Tipu Sultan too stands as a glaring instance of this distorted historical narrative Indeed we have seen read and heard about a lot of people claiming to be freedom fighters and receiving pensions from the Government Several of these worthies would not have been born before Independence yet they succeed in such blatant manipulations There are instances of portraying certain rulers and chieftains as true heroes who fought against the British Empire One such ruler happens to be Tipu Sultan Tipu Sultan is widely known as the Tiger of Mysore Indeed the image of Tipu battling a tiger barehanded crosses the mind whenever his name is mentioned But is this the truth Was Tipu Sultan truly the warrior as he has been portrayed What exactly is his record of fighting the British Was he really a freedom fighter as is widely claimed Sandeep Balakrishna in this well researched book explores both the myths and the truth surrounding Tipu Sultan A must read for those who wish to learn the true story of Tipu Sultan

History of Kannur and North Malabar Leena More,2024-01-01 The present work explores the historical origins and early development of Cananore and North Kerala region till they were annexed by the British in 1792 when the said place became part of Madras Presidency under the British administration It traces back its journey from the ancient Sangam age independent Kingdom of Nannan to the rule of the Mushika dynasty during the medieval period and it ends with the emergence of the Kolatiri dynasty that succeeded the Mushikas This book places a particular emphasis on the Arakkal family a branch that originated from the Kolatiris The Arakkals controlled the large tracts of land including the Laccadive Islands As Dutch expended its influence in Malabar at the expense of the Portuguese the Arakkals successfully asserted their independence in Malabar The arrival of the Mysore Sultans helped the Arakkals to shake off the domination of the Kolatiris However the defeat of Tipu Sultan at the hands of the English East India Company in 1792 sealed the fate of the Arakkals as well as the Kolatiris The author has put to good use her knowledge of Malayalam French and English sources to reconstitute the history of Kannur and north Malabar until 1792
