Brown,2006 *Indo-European Studies Bulletin* ,1998-05 **Scholars of Early Modern Studies** ,1999 *Discourse and Communication* Ma Luisa Blanco Gómez,Juana I. Marín Arrese,2010 The present volume deals with different issues related to discourse and communication from a cognitive and functional perspective Some of the chapters focus on analysing different types of text such as advertisements conversation tales and songs and multimodal texts Others present a more theoretical approach to key aspects in the field like syntax politeness subjectivity and intersubjectivity Copular Sentences in Russian Asya Pereltsvaig,2007-04-06 This book provides a detailed study and a novel Minimalist account of copular sentences in Russian focusing on case marking alternations nominative vs instrumental and drawing a distinction between two types of copular sentences On the assumption that Merge is defined in the simplest way possible it is argued that not all syntactic structures are anti symmetrical One of the copular sentence types is analyzed as a poster child for symmetrical structures while the other type is treated as asymmetrical The originality of this study lies in treating the copula in the two types of copular sentences neither as completely identical nor as two distinct lexical items instead the two types of copula are derived through the process of semantic bleaching Furthermore it is argued that the two types of the copula need to combine with post copular phrases of different categories It is concluded that Russian draws a distinction between saturated DPs and unsaturated NPs in spite of its renowned lack of overt articles
