Chronology of great events. Bibliography of historical literature. Indexes Charles Francis Horne, 1905 **The Theatre of Nuclear Science** Jeanne Tiehen, 2021-11-28 The Theatre of Nuclear Science theoretically explores theatrical representations of nuclear science to reconsider a science that can have consequences beyond imagination Focusing on a series of nuclear science plays that span the twentieth and twenty first centuries and including performances of nuclear science in museums film and media Jeanne Tiehen argues why theatre and its unique qualities can offer important perspectives on this imperative topic This book will be of great interest to students and scholars of theatre politics and literature **Theatre History Studies** , 2001 *The Arden Handbook of Shakespeare and Early Modern Drama* Michelle M. Dowd, Tom Rutter, 2022-12-15 How does our understanding of early modern performance culture and identity change when we decentre Shakespeare And how might a more inclusive approach to early modern drama help enable students to discuss a range of issues including race and gender in more productive ways

Underpinned by these questions this collection offers a wide ranging authoritative guide to research on drama in Shakespeare's England mapping the variety of approaches to the context and work of Shakespeare and his contemporaries. By paying attention to repertory performance in and beyond playhouses modes of performance and lost and less studied plays the handbook reshapes our critical narratives about early modern drama. Chapters explore early modern drama through a range of cultural contexts and approaches from material culture and emotion studies to early modern race work and new directions in disability and trans studies as well as contemporary performance. Running through the collection is a shared focus on contemporary concerns with contributors exploring how race religion environment gender and sexuality animate 16th and 17th century drama and crucially the questions we bring to our study teaching and research of it. The volume includes a ground breaking assessment of the chronology of early modern drama a survey of resources and an annotated bibliography to assist researchers as they pursue their own avenues of inquiry. Combining original research with an account of the current state of play *The Arden Handbook of Shakespeare and Early Modern Drama* will be an invaluable resource both for experienced scholars and for those beginning work in the field.
