Chrisman,2015-04-07 On Sarah A Chrisman s twenty ninth birthday her husband Gabriel presented her with a corset The

material and the design were breathtakingly beautiful but her mind immediately filled with unwelcome views Although she had been in love with the Victorian era all her life she had specifically asked her husband not to buy her a corset ever She d heard how corsets affected the female body and what they represented and she wanted none of it However Chrisman agreed to try on the garment and found it surprisingly enjoyable The corset she realized was a tool of empowerment not oppression After a year of wearing a corset on a daily basis her waist had gone from thirty two inches to twenty two inches she was experiencing fewer migraines and her posture improved She had successfully transformed her body her dress and her lifestyle into that of a Victorian woman and everyone was asking about it In Victorian Secrets Chrisman explains how a garment from the past led to a change in not only the way she viewed herself but also the ways she understood the major differences between the cultures of twenty first century and nineteenth century America The desire to delve further into the Victorian lifestyle provided Chrisman with new insight into issues of body image and how women past and present have seen and continue to see themselves

The Map of Time Collection Félix J. Palma,2015-07-28 The Map of Time Characters real and imaginary come vividly to life in this whimsical triple play of intertwined plots in which a skeptical H G Wells is called upon to investigate purported incidents of time travel and to save lives and literary classics including Dracula and The Time Machine from being wiped from existence What happens if we change history F lix J Palma explores this provocative question weaving a historical fantasy as imaginative as it is exciting a story full of love and adventure that transports readers from a haunting setting in Victorian London to a magical reality where centuries collide and a writer s mind seems to pull at all the strings The Map of the Sky 1898 New York socialite Emma Harlow agrees to marry well to do Montgomery Gilmore but only if he first accepts her audacious challenge to reproduce the Martian invasion featured in H G Wells s popular novel The War of the Worlds Meanwhile in London Wells himself is unexpectedly made privy to certain objects apparently of extraterrestrial origin that were discovered decades earlier on an ill fated expedition to the Antarctic On that same expedition was an American crew member named Edgar Allan Poe whose inexplicable experiences in the frozen wasteland would ultimately inspire him to create one of his most enduring works of literature When eerie alien looking cylinders begin appearing in London Wells is certain it is all part of some elaborate hoax But soon to his great horror he realizes that a true invasion of Earth has indeed begun As brave bands of citizens converge on a crumbling London to defend it against utter ruin Emma and her suitor must confront the enigma that is their love a bright spark of hope even against the darkening light of apocalypse The Map of Chaos When the person he loves most dies in tragic circumstances the mysterious protagonist of The Map of Chaos does all he can to speak to her one last time A session with a renowned medium seems to

offer the only solution but the experience unleashes terrible forces that bring the world to the brink of disaster Salvation can only be found in *The Map of Chaos* an obscure book that he is desperate to uncover In his search he is given invaluable help by Sir Arthur Conan Doyle Lewis Carroll and of course by H G Wells whose *Invisible Man* seems to have escaped from the pages of his famous novel to sow terror among mankind They alone can discover the means to save the world and to find the path that will reunite the lovers separated by death *Beyond the Island* Karenne Griffin,2012-04-23 Imagine Bridget Jones has an Australian cousin that could easily be Robyn Trescowe When Robyn visits England her father asks her to investigate their family tree She hooks up with various relations and uncovers some amazing stuff Robyn s new job presents unexpected challenges and she is attracted to a colleague s flatmate But Robyn s sojourn in the UK is not all cocktails and cake for her absence has its consequences

So Many Babies Susan Landers, MD,2021-05-04 *So Many Babies* describes one overworked physician mother as she journeys through medicine and motherhood raising three children While practicing medicine in the NICU full time for over thirty years Susan Landers MD met and managed many trials raising her three children trials typical for many working mothers such as breastfeeding sibling rivalry bedwetting dyslexia a gifted child ADHD a dog bite and an adolescent eating disorder The challenges of a full time practice and many twenty four hour shifts in the high stress NICU always complicated issues with Susan s children but also provided her the privilege of caring for thousands of critically ill newborn infants Susan always felt that her career and accomplishments in medicine were equally as rewarding as raising three children It was the constant attempt to balance these two worlds physician and mother that was so daunting a task Susan believes that most if not all working mothers are similarly challenged as they attempt to manage their work and being a good mother *So Many Babies* describes Susan s experiences of finding resilience and endurance throughout her career as a physician and mother It is an entertaining and reassuring story for working mothers
