Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit - Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity Dagmar Heller,Péter Szentpétery,2016-04-02 Das Attribut katholisch wird in vielen Kontexten als Konfessionsbezeichnung einer bestimmten Kirche missverstanden Die in diesem Band vorgelegten Vorträge der 18 Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity which all churches confess in the Creed They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity

To the Ends of the Earth Allan Heaton Anderson,2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In To the Ends of the Earth Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows

how it changed the face of Christianity worldwide *A Theology of Hope* Sang Yun Lee,2019-01-03 Lee advocates a theology of hope essentially different from the Moltmann version on which the idea is developed Lee shows how Cho's message particularly in its promise of a saved healthy happy and prosperous life the Threefold Blessing was the antidote to the events that had ravaged the Korean peninsula in the 1950s At the same time Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past They have found both culturally and biblically acceptable alternatives to and adaptations from the practices of their ancient religions and are seeking to provide answers to the needs of their own context Allan H Anderson University of Birmingham England From the Foreword

The Azusa Street Revival and Its Legacy Harold D. Hunter,Cecil M. Robeck Jr.,2009-11-01 In 1906 at 312 Azusa Street in Los Angeles a revival began that set in motion a global movement that has affected half a billion people In *The Azusa Street Revival and Its Legacy* twenty writers representing the international scholarship of the Pentecostal Charismatic and Renewal communities reflect on the significance of the movement now and for the future **The Obvious Secret** Bruce C. Steffens,2018-02-13 *The Obvious Secret A Discipleship Journey to Christian Maturity* By Bruce C Steffens *The Obvious Secret* explores the various major beliefs of the Christian faith from a logical and analytical standpoint It is intended for two purposes First it is a resource to develop Christian discipleship curriculum for teachers and instructors Secondly it is self study resource for seekers new believers and even established believers It contains a systemic approach to understand the why of what we believe and then helps one to establish and deepen a personal relationship with God The book is not intended to tell someone what to believe but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves However without a vibrant relationship with God all the understanding of God's principles and truths are academic A mature disciple is the person whose best friend is God and who helps those around him or her to know God's love and create their own relationship with God *United With The Spirit of Life: The Value of Establishing a Day-to-Day Lifestyle of Communing & Fellowshiping with Hol* Gail P. Ruffin,2017-03-13 Today is a great time to motivate and encourage individuals to seek to acquaint themselves with the third person of the Godhead He is often the least known the least spoken about and the most misunderstood manifestation of God Our heavenly Father sent Holy Spirit to the Body of Christ for a divine purpose It is Father's divine will that every New Covenant believer should recognize and embrace Holy Spirit as a friend as they continuously pursue to develop a personal communion and fellowship *The Great Tradition - A Great Labor* Philip Harrold,D H Williams,2012-05-31 At a recent conference entitled *Ancient Wisdom Anglican Futures* theologians from across the denominational spectrum considered the question What does it mean to inhabit the Great Tradition authentically As an expression of what C S Lewis called Deep Church Anglicanism offers a test case of Tradition with a capital T in late modernity Of particular interest is the highly dynamic transmission that has preserved a recognizable Anglican Way over the centuries The process has been enlivened through constant negotiation and exchange

with surprising convergences that have brought new life and direction. The contributors to this volume show how profitable and commodious as Richard Hooker has said the Great Tradition can be in nurturing the worship communal life and mission of the Church. But it often demonstrates how hard it is to uphold the varied integrities of historic faith in the contemporary marketplace of religion and especially among evangelicals who continue to follow the Canterbury Trail.

Holiness and Pentecostal Movements David Bundy, Geordan Hammond, David Han, 2022-02-22 Since the 1830s Holiness and Pentecostal movements have had a significant influence on many Christian churches and they have been a central force in producing what is known today as World Christianity. This book demonstrates the advantages of analyzing them in relation to one another. The Salvation Army, the Church of the Nazarene, the Wesleyan Church, and the Free Methodist Church identify strongly with the Holiness Movement. The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement. Complicating matters, denominations such as the Church of God, Cleveland, the International Holiness Pentecostal Church, and the Church of God in Christ have harmonized Holiness and Pentecostalism. This book, the first in the new series *Studies in the Holiness and Pentecostal Movements*, examines these complex relationships in a multidisciplinary fashion. Building on previous scholarship, the contributors provide new ways of understanding the relationships, influences, and circulation of ideas among these movements in the United States, the United Kingdom, India, and Southeast and East Asia. In addition to the editors, the contributors are Kimberly Ervin, Alexander Insik Choi, Robert A. Danielson, Chris E. W. Green, Henry H. Knight III, Frank D. Macchia, Luther Oconer, Cheryl J. Sanders, and Daniel Woods.

Practical Guide to Effective Soul Winning. Chris Okeke, 2012. God's intentions for all generations after the sin of Adam have always been to reconcile the sinners to Him; for this ultimate reason, He has chosen the church to carry out this important mission. For this reason, He gave us the great commission. This is what this book is all about. Many churches shy away from this responsibility because of lack of tools or motivation. This book is a practical guide for effective soul winning, written based on practical experience the author has earned over many years of street and house-to-house evangelism from Africa and the United States. The main objective of this book is to encourage and empower the church to engage in soul winning, for we are living in a perilous time for His coming is any time or our exit from this planet earth. Maybe anytime soon, Jesus said to them, "Go into all the world and preach the good news to all creation." Mark 16:15. The tools and motivation you need is in this book. It will awaken you. May the Lord guide you as you study. Dr. Chris Okeke is an itinerant Evangelist who has found favor of God in the ministry of soul winning. He started his evangelism career in Ibadan, Oyo State, Nigeria, where God has used him to turn hundreds of people to Jesus. Dr. Chris has shared the salvation message to thousands of people of diverse faith in Africa and the United States of America. He believes that every member of the body of Christ should engage in soul winning, reconciling the world to God. 11 Corinthians 5:18. Dr. Chris also believes that evangelism is what the church is all about. Many congregations are not sharing the Gospel of Jesus for the lack of tools of motivation and empowerment. He is a teacher.
