Running Home Katie Arnold, 2020-09-08 In the tradition of Wild and H Is for Hawk an Outside magazine writer tells her story of fathers and daughters grief and renewal adventure and obsession and the power of running to change your life NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE I m running to forget and to remember For more than a decade Katie Arnold chased adventure around the world reporting on extreme athletes who performed outlandish feats walking high lines a thousand feet off the ground without a harness or running one hundred miles through the night She wrote her stories by living them until eventually life on the thin edge of risk began to seem normal After she married Katie and her husband vowed to raise their daughters to be adventurous too in the mountains and canyons of New Mexico But when her father died of cancer she was forced to confront her own mortality His death was cataclysmic unleashing a perfect storm of grief and anxiety She and her father an enigmatic photographer for National Geographic had always been kindred spirits He introduced her to the outdoors and took her camping and on bicycle trips and down rivers and taught her to find solace and courage in the natural world And it was he who encouraged her to run her first race when she was seven years old Now nearly paralyzed by fear and terrified she was dying too she turned to the thing that had always made her feel most alive running Over the course of three tumultuous years she ran alone through the wilderness logging longer and longer distances first a 50 kilometer ultramarathon then 50 miles then 100 kilometers She ran to heal her grief to outpace her worry that she wouldn't live to raise her own daughters She ran to find strength in her weakness She ran to remember and to forget She ran to live Ultrarunning tests the limits of human endurance over seemingly inhuman distances and as she clocked miles across mesas and mountains Katie learned to tolerate pain and discomfort and face her fears of uncertainty vulnerability and even death itself As she ran she found herself peeling back the layers of her relationship with her father discovering that much of what she thought she knew about him and her own past was wrong Running Home is a memoir about the stories we tell ourselves to make sense of our world the stories that hold us back and the ones that set us free Mesmerizing transcendent and deeply exhilarating it is a book for anyone who has been knocked over by life or feels the pull of something bigger and wilder within themselves A beautiful work of searching remembrance and searing honesty Katie Arnold is as gifted on the page as she is on the trail Running Home will soon join such classics as Born to Run and Ultramarathon Man as quintessential reading of the genre Hampton Sides author of On Desperate Ground and Ghost Soldiers

Age, Gender and Sexuality through the Life Course Susan Pickard, 2018-04-19 Age Gender and Sexuality through the Life Course argues that the gendered structure of temporality defined in the dual sense of everyday time as well as age and stage of life is a key factor underpinning the stalling of the gender revolution Taking as its central focus the idealised young woman who serves as the mascot of contemporary success this book demonstrates how the celebration of the Girl is i representative of social mobility educational and professional achievement ii possesses diligence docility and

emotional intelligence and iii displays a reassuring sexuality and youthfulness but is constructed from the outset to have a fleetingly short life span Pickard undertakes a theoretical and empirical exploration of the contemporary female experience of education work motherhood sexuality the challenge of having it all Furthermore through additional analysis of the transitional reproductive regime from youth into mid life and beyond this insightful monograph aims to demonstrate how age and time set very clear limits to what is possible and desirable for the female self yet how the latter factors also if used reflexively can provide the key means of resisting and challenging patriarchy This book is aimed at a broad interdisciplinary audience located in gender studies age studies culture studies sociology and psychology accessible for advanced undergraduates and beyond

Creating Nonfiction Jen Hirt, Erin Murphy, 2016-03-08 Gold Winner for Anthologies 2016 Foreword INDIES Book of the Year Awards. With a title that suggests both the genre and the process of composing it, *Creating Nonfiction* is a collection of essays and interviews that aims to open readers and writers' eyes to the formal possibilities of creative nonfiction. Included are memoirs, personal essays, literary journalism, graphic essays, and lyric essays, and the content is equally diverse, with topics ranging from childbirth to child labor, from dandelions to domestic violence. Whereas most anthologies leave readers to speculate about the evolution of each contribution, *Creating Nonfiction* provides companion interviews that offer insight into the inspiration, drafting, and revision process that produced the essays. Cheryl Strayed talks about how working as a reporter for her hometown newspaper influenced her later writings. Dinty W. Moore reflects on the delicate balance between observation and judgment when writing about subjects whose values differ from your own. Kristen Radtke explains how she decides between textual and visual images when creating a graphic essay. Although they offer an eclectic mix of voices and styles, what these essays all have in common is that ultimately, as contributor Faith Adiele observes, truth becomes art.

Your Band Sucks Jon Fine, 2016-05-03 A New York Times Summer Reading List selection. A Publishers Weekly Best Summer Book of 2015. A Business Insider Best Summer Read. An Esquire Father's Day Book selection. A New York Observer Best Music Book of 2015. A memoir charting thirty years of the American independent rock underground by a musician who knows it intimately. Jon Fine spent nearly thirty years performing and recording with bands that played various forms of aggressive and challenging underground rock music, and as he writes in this memoir, at no point were any of those bands ever threatened, even distantly, by actual fame. Yet when members of his first band, Bitch Magnet, reunited after twenty-one years to tour Europe, Asia, and America, diehard longtime fans traveled from far and wide to attend those shows, despite creeping middle-age obligations, of parenthood and 9 to 5 jobs, testament to the remarkable staying power of the indie culture that the bands predating Bitch Magnet, among them Black Flag, Mission of Burma, and Sonic Youth, willed into existence through sheer determination and a shared disdain for the mediocrity of contemporary popular music. Like Patti Smith's *Just Kids*, *Your Band Sucks* is a unique evocation of a particular aesthetic.

moment Fine tracks how the indie rock underground emerged and evolved how it grappled with the mainstream and vice versa and how it led many bands to an odd rebirth in the 21st Century in which they reunited briefly and bittersweetly after being broken up for decades With backstage access to many key characters in the scene and plenty of wit and sharply worded opinion Fine delivers a memoir that affectionately yet critically portrays an important heady moment in music history
