Whiticker Mullins, **Red Sky** Marwan H. Dajani, 2007-03-28 Arabs believe that their ancestors composed poetry before they learned reading and writing The poetic wealth that the elders have left us surpasses in its richness meanings and fertility all what has been written afterwards For in poetry the Arabs boasted their achievements victories courage and works They also satirized their enemies mocked their rivals and faced their opponents In poetry they also rhapsodized their loved ones woman she was or tribe or country or belief Poetry for the Arab was the spoken language the language to express the sincere honest and spontaneous thoughts as well as inner most feelings and moods Poetry was the daily bread for the spirit and relationships and a record for daily encounters and history It is not strange that Palestine in its land its people its disaster and tragedy becomes a rich material in our modern days for poets Nor it is strange that Palestinian prose and particularly Palestinian information prose is reflected in a mature integral and refine poetic ventures With little elaboration and simplification the Poetic weapon in our struggle against the aggressors in Palestine and those who displaced its people or poetic moans and cries of poets substitute some demands for different forms of struggle that other nations use against their enemies or to attract friends Beyond cynicism we confess that poetry has at times nearly moved from the position of supporter and backer of revitalization the people and their uprising against the unjust to the front bunkers in the struggle of the Palestinian Arab and Israeli Zionist arena Marwan Dajani is one of the tens of the contemporary Palestinians who have chosen the poetry venue to express their innocent true and spontaneous nationalistic and humane feelings But he is one of the very few who took the challenge in a different language than his mother tongue namely the English Language In doing so he is trying to send his message worries wishes and expectations to the outside world Maybe Marwan wants to record the incidents and facts that he and the Palestinian people have passed and are still passing through He records what these incidents involved of cruelty injustice assaults on laws regulations and human rights and expresses the hope of every Palestinian to regain their stolen land and the construction of a just society in their beloved Palestine Marwan records all this in an artistic and committed style that steers away but does not contradict the true historical facts scientist search and information diffusion Marwans poetry is a key that we hope the foreign reader can use to open the records of the Palestinian tragedy to know the truth that has evaded them for a long time He is inviting the world to see facts as they really are and not as Zionist propaganda has faked and mutilated for over a century Marwan also seizes the opportunity to expose his feelings and

expectations in non political matters that relate to family religion and reform matters A man with a message Marwan relates the truth without trying to use diplomatic sanctions and reservations which always strangle the truth and leaves the door for false accusations The strength of his message lies in its truth spontaneity and innocence not in its rhyme bright images or sweet progressing Marwan is not a professional poet he is a natural poet and here lies the richness of his poetry **The Lady's Magazine & Museum of the Belles-lettres, Music, Fine Arts, Drama, Fashions, Etc** ,1835 More&More Marina Zurkow,2016-01-29 More More is an art and research project that explores the language and mechanics of global trade container shipping and the exchange of goods It questions a mercantile structure that by necessity disallows the presence of ocean as a real space in order to flatten the world into a Pangaea of capital The project is presented in two volumes released in conjunction with an exhibition of Marina Zurkow s work with collaborators Sarah Rothberg Surya Mattu and others at bitforms gallery in New York City in February 2016 This book More More A Guide to the Harmonized System is an experimental brick of a book that intervenes in the Harmonized Commodity Description and Coding System also known as the HS Code The HS Code is the internationally accepted standard of product classification which codifies the way nations conduct import export All legal trade products and illegal ones that find loopholes are shipped using this system More More A Guide to the Harmonized System lists the astonishing variety of items that are shipped around the world and includes instructions for using the code to ship items both legally and illegally It also includes poetic personal and scholarly annotations by Stacy Alaimo Heather Davis Kathleen Forde Dylan Gauthier Elena Glasberg Calliope Mathios Steve Mentz Astrida Neimanis Chris Piuma Elspeth Probyn Sarah Rothberg Phil Steinberg Rita Wong and Marina Zurkow Its companion book More More The Invisible Oceans is a catalog of the exhibition featuring many full color images of the art on display including video stills bespoke bathing suits and fungal sculptures as well as an introduction by Marina Zurkow and a conversation between Zurkow and international curator Kathleen Forde **I Know Who Killed Betty Shanks** Ted Duhs,2022-02-25 Betty Shanks was brutally murdered 70 years ago This book s third edition reveals Betty s secret life as documented in an ASIO file which states that Betty was in an intimate association with a young married man who was a member of the Communist Party of Australia Betty s best friend from schooldays at Brisbane Girls Grammar School and at the University of Queensland Winifred Cowin worked for ASIO before committing suicide in 1958 An ASIO officer arrived in Brisbane on Sunday 21 September 1952 to recruit Betty only to be told that she had been murdered the previous Friday night Ted Duhs alleges that Betty was killed by a man she met at the Grange tram terminus as she returned home from a night class at Brisbane s Central Tech This man referred to as the man in the brown suit was seen by four witnesses including Marie Patton who is still alive Minutes before Betty was attacked Marie saw him 30 yards from the murder scene Evidence suggests he was Eric Sterry His daughter Desche is still alive and in 1999 her story My Dad Killed Betty Shanks was published in The Courier Mail after her earlier attempts to persuade the police were unsuccessful **An Ear to the**
