*South Asian Pornographies* Darshana Sreedhar Mini, Anirban K. Baishya, 2024-06-21 *South Asian Pornographies* is the first consolidated volume that explores the relationships between pornography obscenity law and desire in South Asia. Focusing on case studies from India Sri Lanka and Bangladesh while gesturing towards other countries in South Asia the authors of this volume come from fields as varied as history literature media and communication and the visual arts. The book proposes that as a geo political location South Asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms finding reflection in various modes of popular and sometimes underground culture bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural identities rather than identity this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies Cultural Studies Film Studies History Sociology and Social and Cultural Anthropology. The chapters in this book were originally published in the journal *Porn Studies*.

***Possessed in Love*** VATSAL, 2025-10-24. *Possessed in Love* isn't a typical love story; it's a descent into the dangerous edges of desire. Rohan has always been searching for love to fill the hollowness of his past: an adopted child overshadowed by grief, a boy who lost his sister too young, a young man who was betrayed once and swore he'd never let go again. When Sukriti enters his life, she becomes his sun, his reason, his obsession. But love, when starved, can turn ravenous. What begins as tenderness grows into suffocation, jealousy, and an all-consuming need. As shadows creep in, Rohan finds companionship in Rohit, his only true confidant, his voice of reason. Is Sukriti his salvation or the spark that ignites his undoing? With each chapter, the line between devotion and possession blurs, dragging the reader into a haunting spiral where love becomes indistinguishable from obsession, and obsession from ruin. Dark, intense, and unsettling, *Possessed in Love* asks: When love consumes you entirely, what part of yourself is left to save? Perfect for readers of psychological thrillers and twisted romances, this debut novel will leave you breathless until its final revelation.

***Free Speech*** Timothy Garton Ash, 2016-05-24. Never in human history was there such a chance for freedom of expression. If we have Internet access, any one of us can publish almost anything we like and potentially reach an audience of millions. Never was there a time when the evils of unlimited speech flowed so easily across frontiers: violent intimidation, gross violations of privacy, tidal waves of abuse. A pastor burns a Koran in Florida, and UN officials die in Afghanistan. Drawing on a lifetime of writing about dictatorships and dissidents, Timothy Garton Ash argues that in this connected world, that he calls *cosmopolis*, the way to combine freedom and diversity is to have more, but also better, free speech. Across all cultural divides, we must strive to agree on how we disagree. He draws on a thirteen-language global online project, *freespeechdebate.com*, conducted out of Oxford University and devoted to doing just that. With vivid examples from his personal experience of China's Orwellian censorship apparatus to the controversy around Charlie Hebdo, to a very English court case involving food writer Nigella Lawson, he proposes a

framework for civilized conflict in a world where we are all becoming neighbors
