Secret Lives Of The Tsars Three Centuries Of Autocracy Debauchery Betrayal Murder And Madness From Romanov Russia:

Secret Lives of the Tsars Michael Farquhar, 2014-07-08 Michael Farquhar doesn't write about history the way say Doris Kearns Goodwin does. He writes about history the way Doris Kearns Goodwin's smart ass reprobate kid brother might. I for one prefer it. Gene Weingarten, two time Pulitzer Prize winner and Washington Post columnist *Scandal Intrigue Cossacks*. Here the world's most engaging royal historian chronicles the world's most fascinating imperial dynasty the Romanovs whose three hundred year reign was remarkable for its shocking violence, spectacular excess and unimaginable venality. In this incredibly entertaining history Michael Farquhar collects the best most captivating true tales of Romanov iniquity. We meet Catherine the Great with her endless parade of virile young lovers, none of them of the equine variety, her unhinged son Paul I who ordered the bones of one of his mother's paramours dug out of its grave and tossed into a gorge, and Grigori Rasputin the Mad Monk whose mesmeric domination of the last of the Romanov tsars helped lead to the monarchy's undoing. From Peter the Great's penchant for personally beheading his recalcitrant subjects, he kept the severed head of one of his mistresses pickled in alcohol, to Nicholas and Alexandra's brutal demise at the hands of the Bolsheviks, *Secret Lives of the Tsars* captures all the splendor and infamy that was Imperial Russia. Praise for *Secret Lives of the Tsars*: An accessible, exciting narrative. Highly recommended for generalists interested in Russian history and those who enjoy the seamier side of past lives. *Library Journal* starred review. An excellent condensed version of Russian history, a fine tale of history and scandal, sure to please general readers and monarchy buffs alike. *Publishers Weekly*. Tales from the nasty lives of global royalty, an easy reading, lightweight history lesson. *Kirkus Reviews*. Readers of this book may get a sense of why Russians are so tolerant of tyrants like Stalin and Putin. Given their history, it probably seems normal. *The Washington Post*. [Bad Days in History](#) Michael Farquhar, 2015-04-21 National Geographic author Michael Farquhar uncovers an instance of bad luck, epic misfortune and unadulterated mayhem tied to every day of the year. From Caligula's blood-soaked end to hotelier Steve Wynn's unfortunate run-in with a priceless Picasso, these 365 tales of misery include lost fortunes like the would-be Apple investor who pulled out in 1977 and missed out on a 30 billion dollar windfall, romance gone wrong like the 16th century Shah who experimented with an early form of Viagra with empire-changing results, and truly bizarre moments like the Great Molasses Flood of 1919. Think you're having a bad day? Trust us, it gets worse. *Talking Book Topics*, 2015-07 **The Curse of the Romanovs** Angelo S. Rappoport, 2015-06-25 Excerpt from *The Curse of the Romanovs: A Study of the Lives and the Reigns of Two Tsars, Paul I and Alexander I of Russia, 1754-1825*. The eyes of Europe are directed towards Russia, the European China, where the scion of the house of Romanov is seated on his tottering throne, frightened at the phantom of an approaching Revolution. Convulsively he is clinging to the throne of his ancestors, reluctant to give up what he considers his right. But has Nicholas II a right to the Russian throne? Yes, the right of the usurper. Michael Romanov was elected Tsar of Russia by the

voice of the nation but Peter I his grandson was the son of an unknown parent The Tsar himself knew that he was not the son of Alexis and one day he asked Count Yaguzhinsky to tell him whether he was his father The Count however replied that it was difficult to say as the Tsaritsa had so many lovers Elizabeth may or may not have been the daughter of Peter the Great She was in any case the daughter of Catherine I a former Livonian servant The legitimacy of Paul I is doubtful and if one is to believe the confessions of Catherine II he was not a Romanov For nearly three centuries these so called Romanovs have ruled over Russia but they have remained strangers to the people under the sway of their sceptre About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Romanovs Simon Sebag Montefiore, 2016-05-03 NEW YORK TIMES BESTSELLER From the national bestselling author of Stalin An epic history on the grandest scale Financial Times about the most successful dynasty of modern times a family who created the world's greatest empire and then lost it all An essential addition to the library of anyone interested in Russian history The New York Times Book Review The Romanovs ruled a sixth of the world's surface for three centuries How did one family turn a war ruined principality into the world's greatest empire And how did they lose it all This is the intimate story of twenty tsars and tsarinas some touched by genius some by madness but all inspired by holy autocracy and imperial ambition Simon Sebag Montefiore's gripping chronicle reveals their secret world of unlimited power and ruthless empire building overshadowed by palace conspiracy family rivalries sexual decadence and wild extravagance Drawing on new archival research Montefiore delivers an enthralling epic of triumph and tragedy love and murder that is both a universal study of power and a portrait of empire that helps define Russia today **The Romanovs** Ian Grey, 2016-04-13 The

Romanov dynasty has dazzled intrigued and confused the world for more than three centuries These extraordinary monarchs wielded absolute power over the vast violent lands of Russia Savagery and kindness asceticism and opulence piety and cruelty existed side by side in the royal courts New York Times bestselling historian Ian Grey threads his way through these turbulent centuries his focus on the private lives of the tsars themselves the rulers whose personal histories are entwined with the history of the empire He brings to life the passions rages intrigues and greatness of the remarkable men and women who guided the destiny of Russia and changed the world The Murder of the Romanovs Andrew Cook, 2010-02-15 Based on exclusive access to newly discovered Russian documents the last word on the fate of the Romanov family **The Romanovs** Lindsey Hughes, 2009-11-29 For 300 years the history of Russia was inextricably linked to one family the Romanovs Claiming a divine right to reign and tracing the family lineage back to Peter the Great they were Russia's second and last imperial

dynasty and for better or worse as Lindsey Hughes demonstrates shaped the country's history for three centuries until their downfall and murder in 1918 17th century Russia was riddled with chaos internal disorder rioting and a constant threat of foreign invasion During the rule of Peter the Great Russia was transformed into an empire by his introduction of trade with Europe and aggressive military campaigns Through the impact of Peter the Great followed by the continuing influences of Michael Ivan Catherine II Nicholas I and Alexander III the Romanovs undoubtedly shaped the politics society art and philosophy of their times and lead to the establishment of Russia as one of the great world powers But when the Romanovs gathered to celebrate their tercentenary in 1913 dark clouds were gathering The infamous mystic Rasputin had prophesized their demise and his unpopular influence on the Tsar was growing The strain of the First World War had spread unrest throughout Russia On July 17th 1918 three hundred and four years of the Romanov dynasty ended when probably under Lenin's orders Tsar Nicholas II his wife and five children were brutally murdered by a Bolshevik execution squad bringing the Romanov dynasty to a final and bitter end This brilliant and original new work comprised of vivid and powerful portraits of the entire Romanov family illustrates exactly what and how the family contributed to the creation of Russia By bringing the characters of the Tsars and their family to life Lindsey Hughes offers an insightful addition to our knowledge of an epic and fascinating history

The Family Romanov: Murder, Rebellion, and the Fall of Imperial Russia Candace Fleming, 2014-07-08

Here is the tumultuous heartrending true story of the Romanovs at once an intimate portrait of Russia's last royal family and a gripping account of its undoing Using captivating photos and compelling first person accounts award winning author Candace Fleming Amelia Lost The Lincolns deftly maneuvers between the imperial family's extravagant lives and the plight of Russia's poor masses making this an utterly mesmerizing read as well as a perfect resource for meeting Common Core standards Winner of the Los Angeles Times Book Prize for Young Adult Literature Winner of the Boston Globe Horn Book Award for Nonfiction A Robert F Sibert Honor Book A YALSA Excellence in Nonfiction Award Finalist Winner of the Orbis Pictus Award for Outstanding Nonfiction A Kirkus Reviews Best Young Adult Book of the Century A superb history In these thrilling highly readable pages we meet Rasputin the shaggy lecherous mystic we visit the gilded ballrooms of the doomed aristocracy and we pause in the sickroom of little Alexei the hemophiliac heir who with his parents and four sisters would be murdered by the Bolsheviks in 1918 The Wall Street Journal An exhilarating narrative history of a doomed and clueless family and empire Jim Murphy author of Newbery Honor Books An American Plague and The Great Fire For readers who regard history as dull Fleming's extraordinary book is proof positive that on the contrary it is endlessly fascinating absorbing as any novel and the stuff of an altogether memorable reading experience Booklist Starred Marrying the intimate family portrait of Heiligman's Charles and Emma with the politics and intrigue of Sheinkin's Bomb Fleming has outdone herself with this riveting work of narrative nonfiction that appeals to the imagination as much as the intellect The Horn Book Starred

The Romance of the Romanoffs Joseph McCabe, 2020-08-06 The Romance of the Romanovs is a detailed treatise on the Romanov

Dynasty of Russia and their eventual downfall written by Joseph McCabe Within it McCabe explores this notably autocratic episode of history looking at its origin brutality corruption and its terrible final struggle and defeat The House of Romanov was the second ruling Russian dynasty after the House of Rurik reigning from 1613 until the Russian Revolution in 1917 The Romanov dynasty had 65 members at the start of 1917 By the end of it 18 had been killed by the Bolsheviks while the remaining 47 had gone into exile abroad Contents include Christianity or Secularism Which is the Better for Mankind 1911 Goethe The Man And His Character 1912 and The Story of Evolution 1912 Joseph Martin McCabe 867 1955 was an English writer and advocate of freethought Having been a priest he was a vocal critic of the Catholic Church and one of the most prominent speakers on the subject of freethought in England Many vintage book such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern edition complete with the original text and artwork

The Fate of the Romanovs Greg King, Penny Wilson, 2008-04-21 Abundant newly discovered sources shatter long held beliefs The collapse of the Soviet Union in 1991 revealed among many other things a hidden wealth of archival documents relating to the imprisonment and eventual murder of Tsar Nicholas II his wife Alexandra and their children Emanating from sources both within and close to the Imperial Family as well as from their captors and executioners these often controversial materials have enabled a new and comprehensive examination of one the pivotal events of the twentieth century and the many controversies that surround it Based on a careful analysis of more than 500 of these previously unpublished documents along with numerous newly discovered photos The Fate of the Romanovs makes compelling revisions to many long held beliefs about the Romanovs final months and moments This powerful account includes Surprising evidence that Anastasia may indeed have survived Diary entries made by Nicholas and Alexandra during their captivity Revelations of how the Romanovs were betrayed by trusted servants A reconstruction of daily life among the prisoners at Ipatiev House Strong evidence that the Romanovs were not brutalized by their captors Statements from admitted participants in the murders

The Race to Save the Romanovs Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his

family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs *The Family Romanov* Candace Fleming,2014 When Russia's last tsar Nicholas II inherited the throne in 1894 he was unprepared to do so With their four daughters including Anastasia and only son a hemophiliac Nicholas and his reclusive wife Alexandra buried their heads in the sand living a life of opulence as World War I raged outside their door and political unrest grew into the Russian Revolution Maneuvering between the lives of the Romanovs and the plight of Russia's peasants and urban workers and their eventual uprising Fleming draws a poignant portrait complete with period photographs and primary source material *The Curse of the Romanovs* Angelo Solomon Rappaport,1907 [To Free the Romanovs](#) Coryne Hall,2018-06-15 The murders but also the exciting escapes of the wider Romanov family the Tsar's mother siblings and cousins Did George V let his cousin the Tsar and his family die [The Last Days of the Romanovs](#) George Gustav Telberg,Robert Wilton,2013-03-01 The end of a dynasty It is likely that few of those who contributed to the outbreak of the First World War would have imagined its consequences or predicted which nations would prevail which would fall in defeat and which would all but cease to exist Very few would have foreseen the fall of so many of the royal houses of Europe and yet this came to pass most prominent among them were the Romanovs of Russia It was almost inconceivable that the Tsar who ruled over a vast territory and many millions of subjects would be murdered or executed according to one's sensibility with all of his immediate family such a short time from when the power and influence of the Romanovs had seemed immutable But this was an age of global warfare on an industrial scale and of revolution and political change that would affect the nature of war and peace for a century to come This highly regarded book considers in detail the downfall of the Russian Imperial family and the authors have drawn upon eyewitness testimony of those who were close to these historic events The narrative follows the Romanovs to their deaths ordered by Lenin in a Yekaterinburg cellar so preventing the Tsar becoming a figure for the White Russians to rally around An essential and recommended work for any student of the fall of monarchy Russian involvement in the Great War and the rise of Bolshevism Leonaur editions are newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands **Rasputin the Rascal Monk** William Le Queux,2020-08-14 Reproduction of the original *Rasputin the Rascal Monk* by William Le Queux *The Romanovs* Virginia Cowles,2016-03-31 For over 300 years the Romanov family ruled over Russia Its glittering Tsars and Tsarinas were autocratic despots who between them embraced all the vices and too few of the virtues of absolute rulers Their name has become a byword for excess avarice and cruelty they have aroused intrigue and horror in equal measure Virginia Cowles

offers a portrait gallery of the outstanding members of this incredible family from Alexis a Tartar in his wrath and Peter the Great a terrifying giant to the nymphomaniac Catherine and the doomed Nicholas II last of the Tsars Their domination of Russia was brought to an end in March 1917 as a result of the February Revolution Of the 65 family members 18 were killed by the Bolsheviks and the remaining 47 were exiled abroad Delving behind the mass of obscure and unfamiliar historical detail she reveals the characters and personal ties behind these strange and often daunting figures She looks beyond what is written about them in the history books and explores how their family lives and secrets affected the entirety of Russia and its many citizens Recounted at great speed and with splendid life vigour and readability Antonia Fraser Evening Standard

Virginia Spencer Cowles OBE was a noted American journalist biographer and travel writer During her long career Cowles went from covering fashion to covering the Spanish Civil War the turbulent period in Europe leading up to World War II and the entire war After the war she published a number of critically acclaimed biographies of historical figures Endeavour Press is the UK's leading independent digital publisher For more information on our titles please sign up to our newsletter at www.endeavourpress.com Each week you will receive updates on free and discounted ebooks Follow us on Twitter EndeavourPress and on Facebook via <http://on.fb.me/1HweQV7> We are always interested in hearing from our readers

Endeavour Press believes that the future is now **Nicholas and Alexandra** Robert K. Massie, 2000-02-01 A magnificent and intimate Harper's modern classic of Russian history the spellbinding story of the love that ended an empire from the Pulitzer Prize winning author of Peter the Great The Romanovs and Catherine the Great A moving rich book This revealing densely documented account of the last Romanovs focuses not on the great events but on the royal family and their evil nemesis The tale is so bizarre no melodrama is equal to it Newsweek In this commanding book New York Times bestselling author Robert K Massie sweeps readers back to the extraordinary world of the Russian empire to tell the story of the Romanovs lives Nicholas's political naivety Alexandra's obsession with the corrupt mystic Rasputin and little Alexis's brave struggle with hemophilia Against a lavish backdrop of luxury and intrigue Massie unfolds a powerful drama of passion and history the story of a doomed empire and the death marked royals who watched it crumble **Ekaterinburg** Helen Rappaport, 2008 This is the story of some of the most shocking murders of the 20th century murders that changed the lives of millions of people both inside Russia and beyond and set their stamp on a violent century initiating a new and cynical era of state orchestrated terror repression and genocide Ekaterinburg The Last Days of the Romanovs focuses on the last 13 days in the lives of the Russian Imperial family the Tsar and Tsarina Nicholas and Alexandra and their five children Olga Tatiana Mariya Anastasia and Alexey It puts these last days of their incarceration at the Ipatiev House in Ekaterinburg under the microscope from July 4th 1918 to the night of their savage murders on July 14 in a blaze of gunfire in a basement room Although a wealth of books has fanned the flame of the reading public's love affair with the Romanovs many have over romanticised the story and there has been a plethora of conspiracy theories and false Anastasias as well as coffee table

accounts full of iconic photographs of Imperial Russia's courtly splendour. In contrast, Ekaterinburg, based on new evidence that has become available since the fall of communism, strips away the romanticism and focuses on the family imprisoned at the Ipatiev House, capturing its oppressive atmosphere and portraying a family group caught up in extraordinary events. As a counterpoint, the narrative cross-cuts to the wider dynamic of the Ekaterinburg Bolsheviks who plot the deaths and the chain of command back to Moscow and Lenin himself. Wider European dimensions add context to the family's lives during those last days and outline the impotence of European monarchies in intervening on the Romanovs' behalf.

Secret Lives Of The Tsars Three Centuries Of Autocracy Debauchery Betrayal Murder And Madness From Romanov Russia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Secret Lives Of The Tsars Three Centuries Of Autocracy Debauchery Betrayal Murder And Madness From Romanov Russia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for

keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Secret Lives Of The Tsars Three Centuries Of Autocracy Debauchery Betrayal Murder And Madness From Romanov Russia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Secret Lives Of The Tsars Three Centuries Of Autocracy Debauchery Betrayal Murder And Madness From Romanov Russia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
