

Introduction:

Nutrition Clubs, conducted at residential or commercial locations, are social gatherings, bringing together persons who become members, existing to focus on good nutrition and regular exercise in order to achieve optimum health.

These Nutrition Club Rules have the same force and effect as the full body of Herbalife's Rules of Conduct and Distributor Policies including the U.S. Supplemental Rules of Conduct. The U.S. Nutrition Club Rules were introduced in December of 2007. The most current version is effective December 1, 2008 and supersedes all previously released documents which contain Nutrition Club Rules or informal operational guidance. Violations of any Rule or Distributor Policy may result in disciplinary action, up to and including suspension or termination of Distributorship, and Distributors may lose their ability to operate Nutrition Clubs.

The Rules of Conduct and Distributor Policies (and the U.S. Supplemental Rules of Conduct) are included in the International Business Pack (IBP) and may also be obtained online, at nutribusiness.com, or by calling Herbalife's Distributor Relations Department toll-free at 855-555-4344. Where available, Nutrition Club Manuals also contain the Nutrition Club Rules.
